

Coastal Environmental Risk Index Barrington, Bristol & Warren Visualizations

THE
UNIVERSITY
OF RHODE ISLAND
DEPARTMENT OF
MARINE AFFAIRS

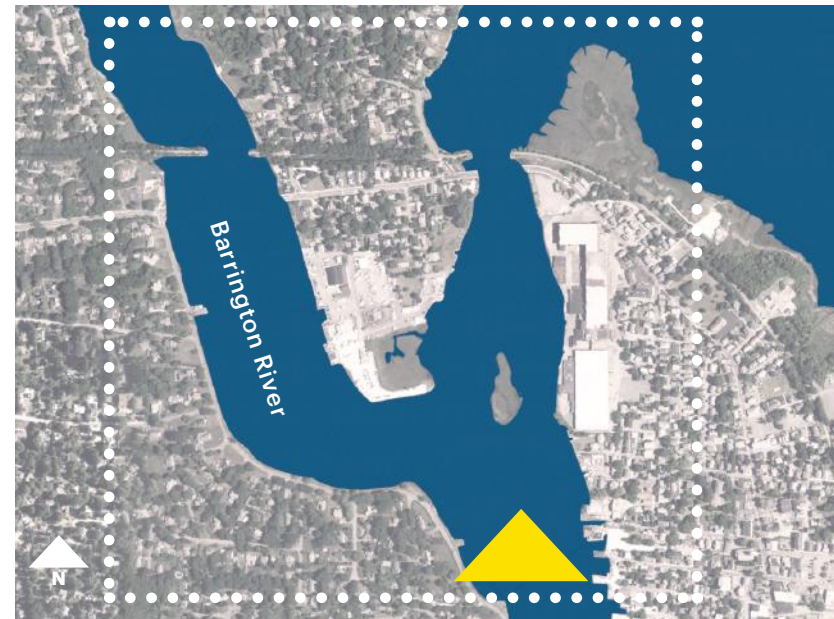

Town of Barrington, RI
Marina & Bridges

100-year storm | 0 feet sea level rise

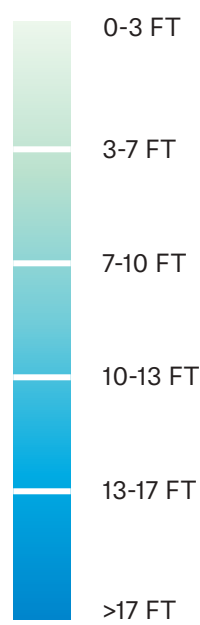

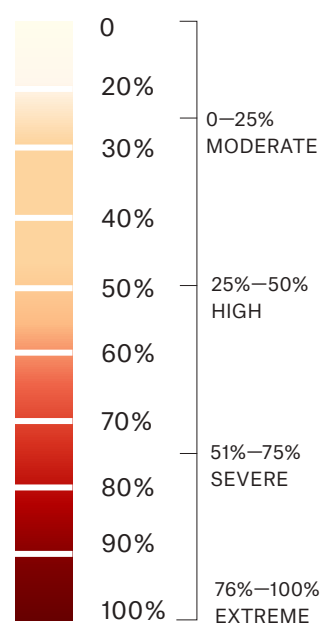

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

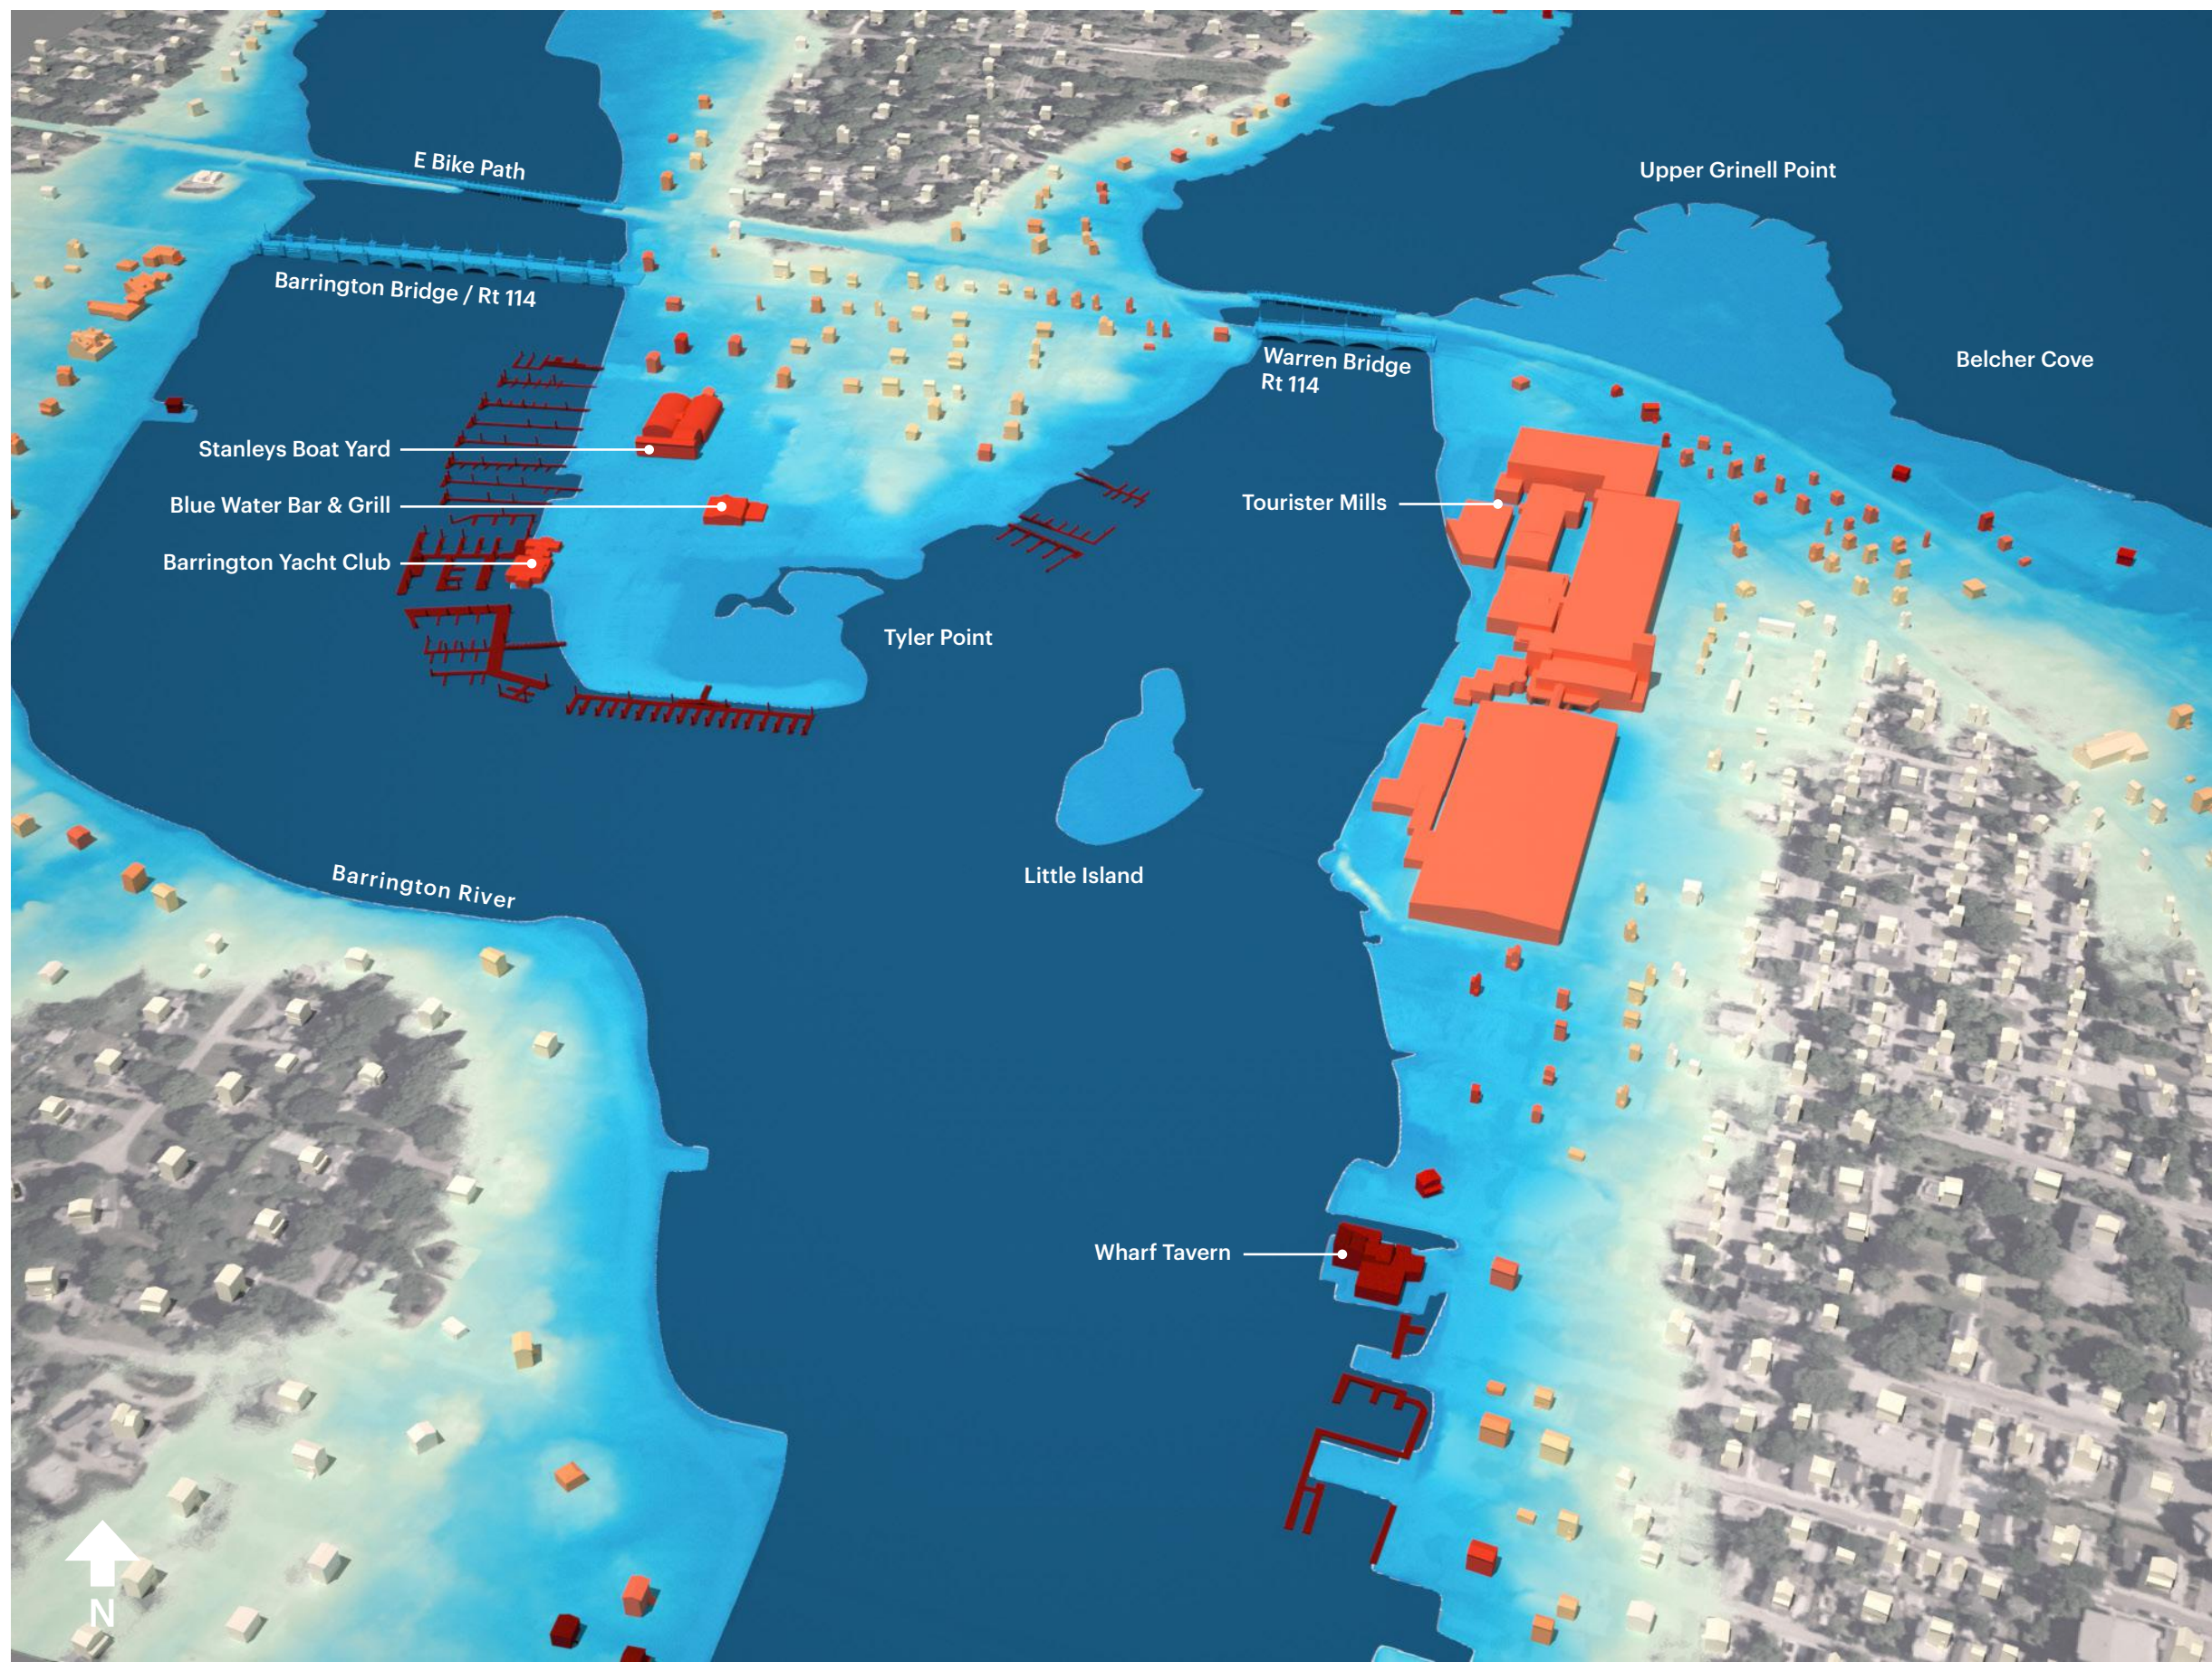

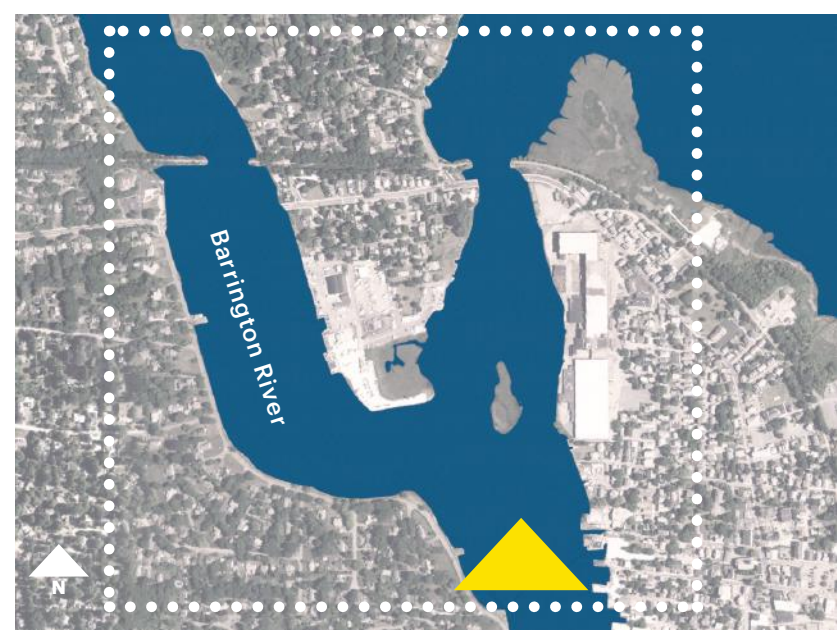

Town of Barrington, RI
Marina & Bridges

100-year storm | +2 feet sea level rise

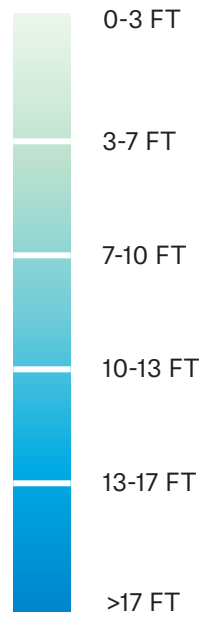

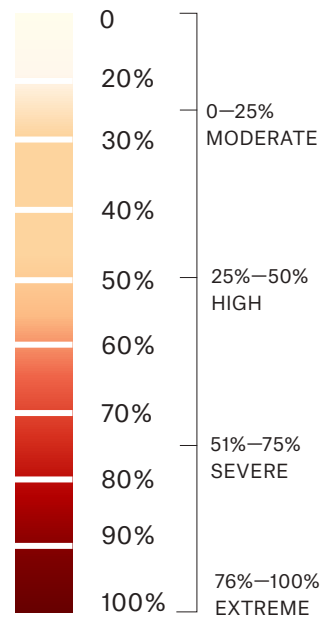

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

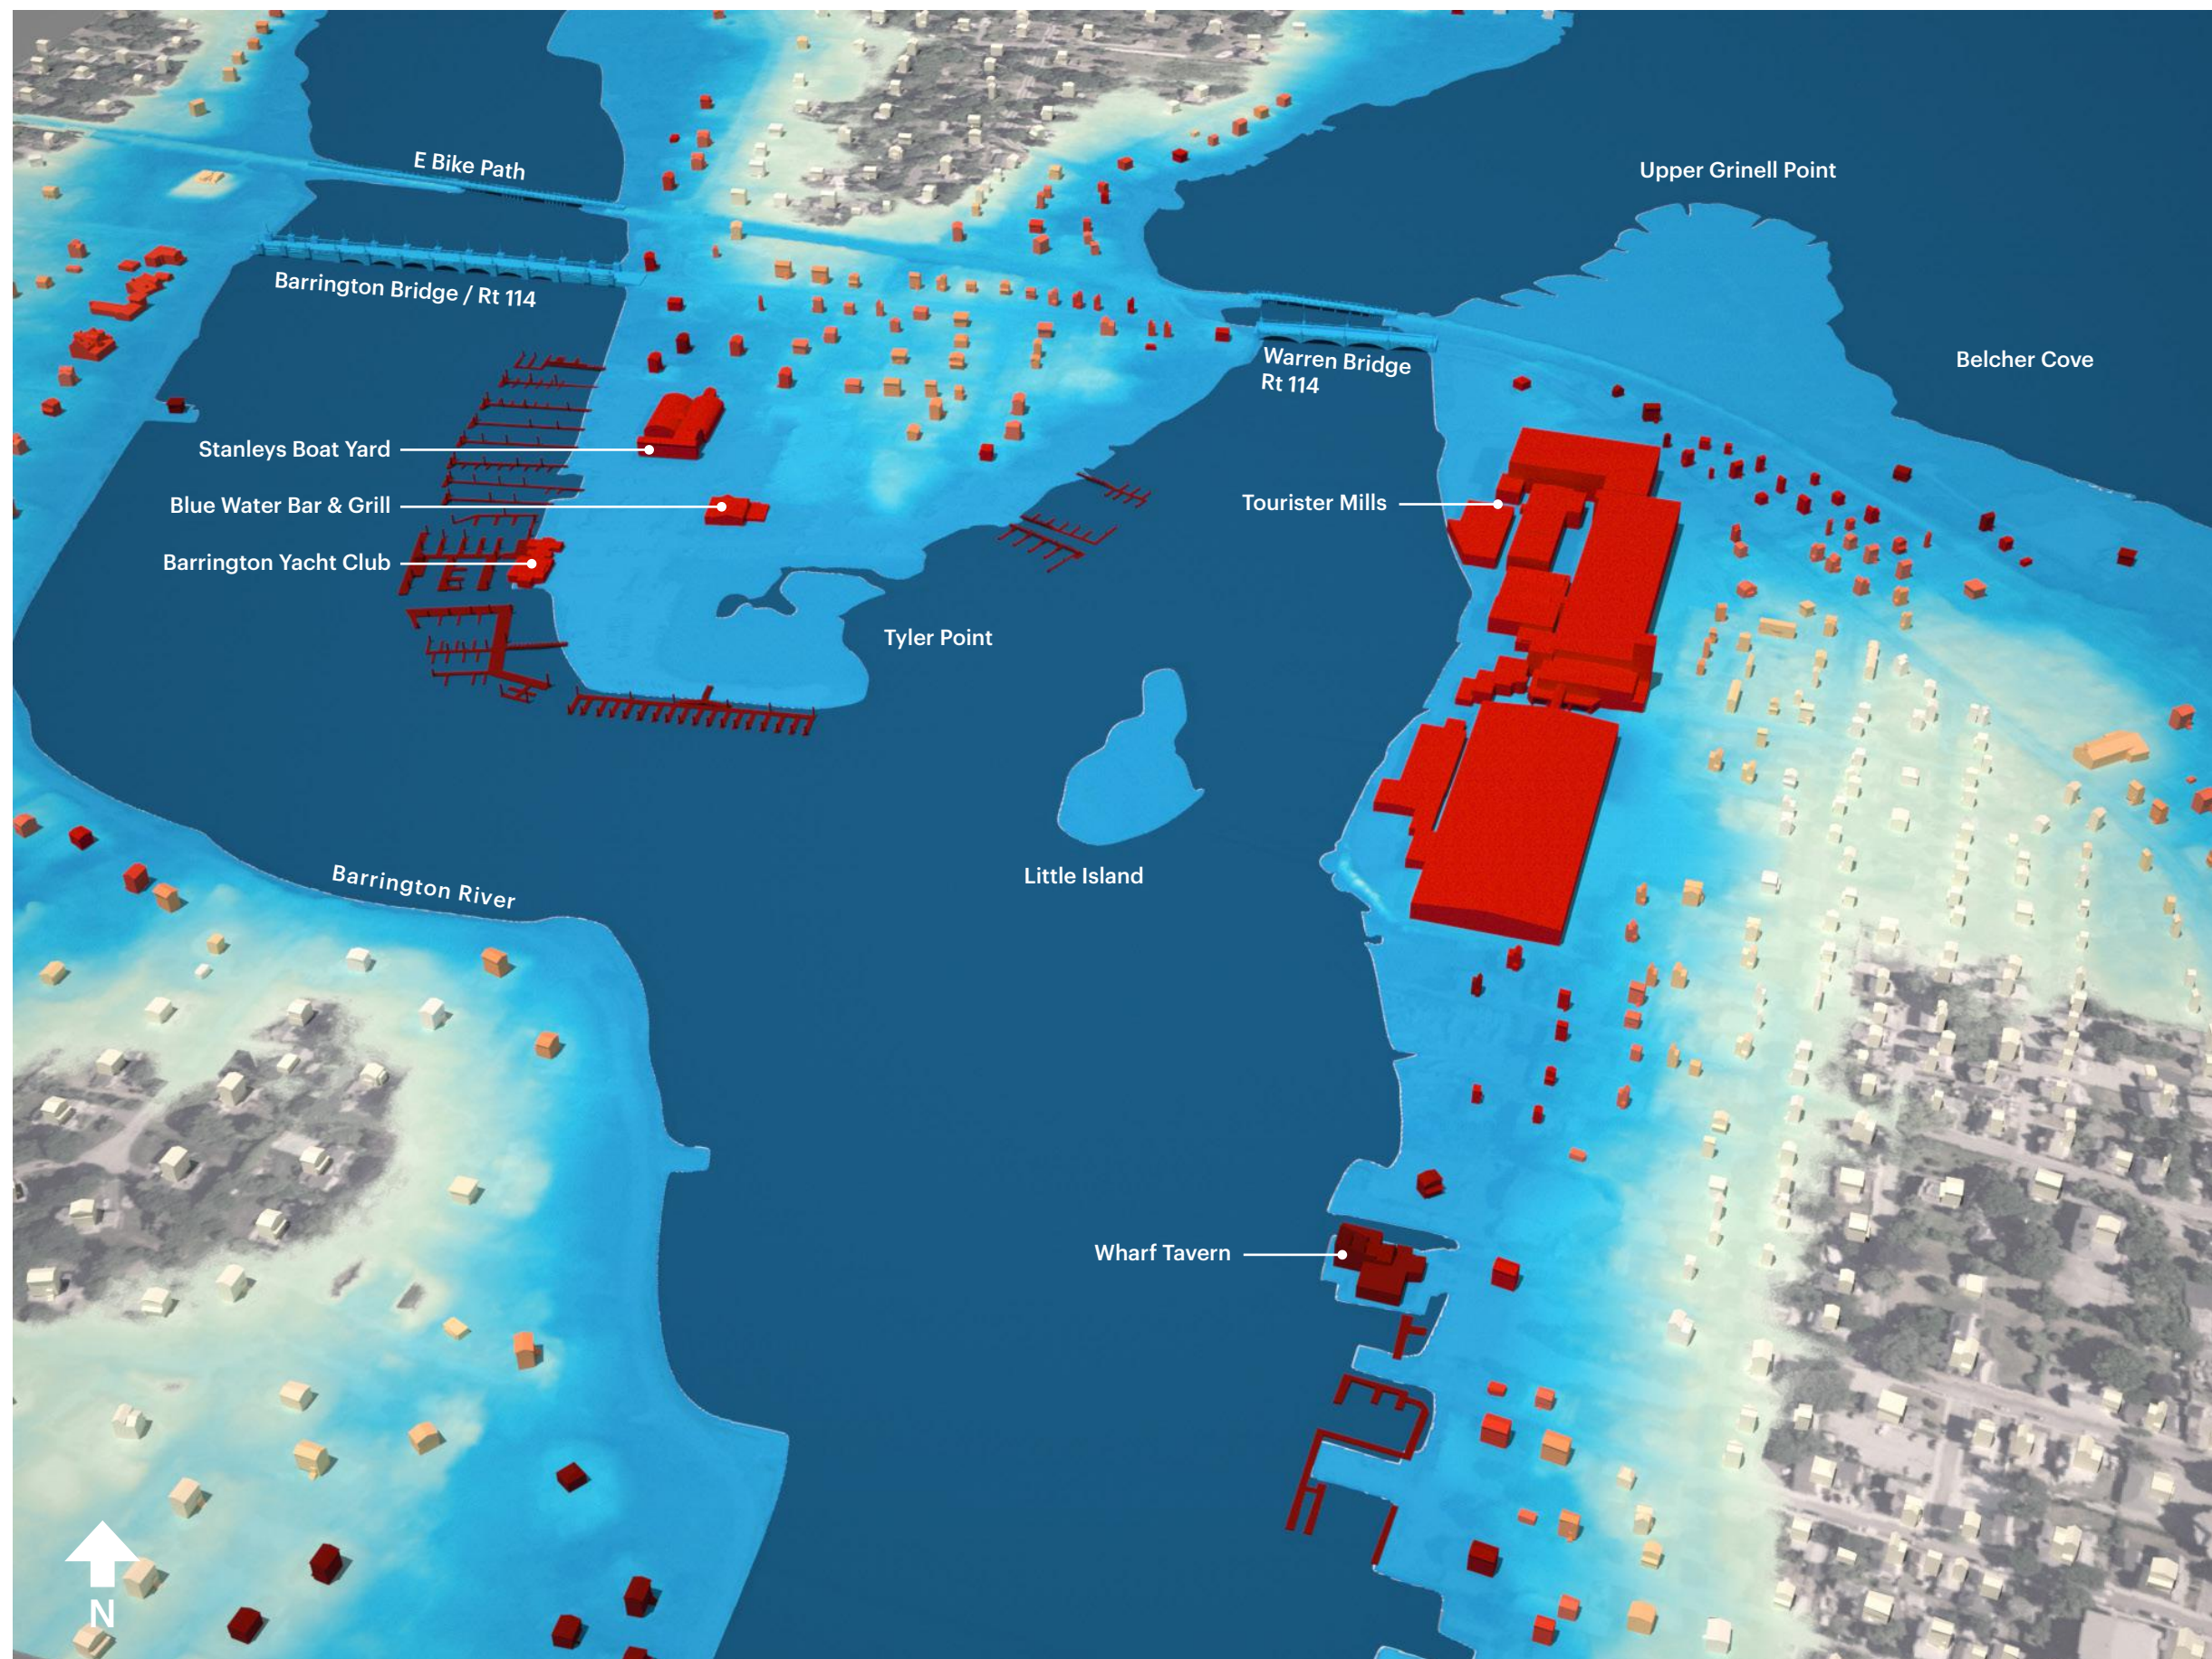

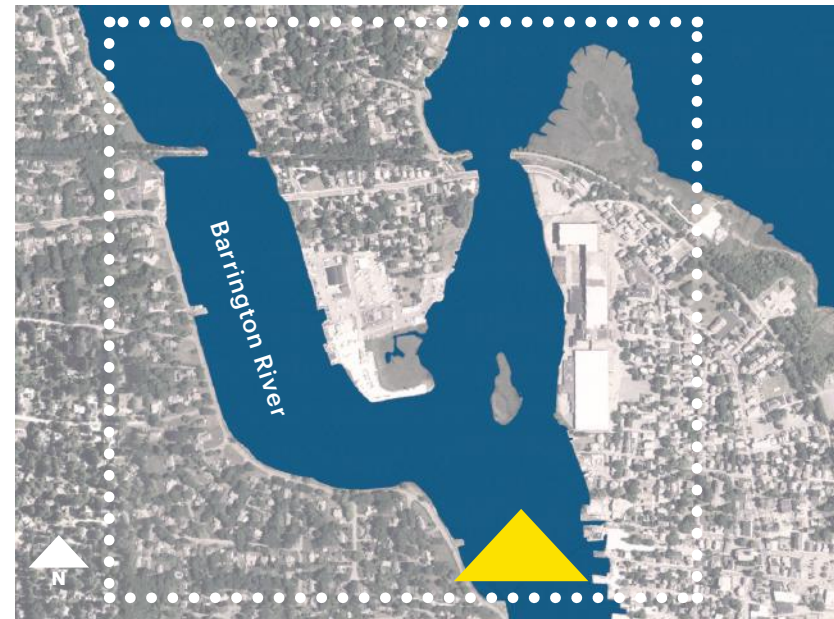

Town of Barrington, RI
Marina & Bridges

100-year storm | +5 feet sea level rise

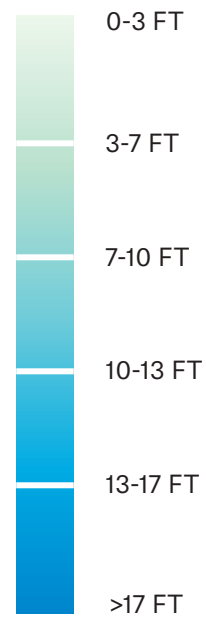

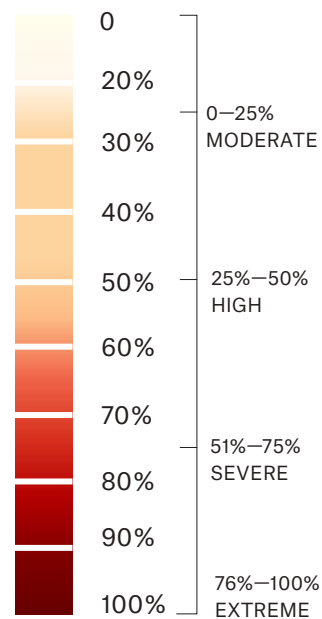

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

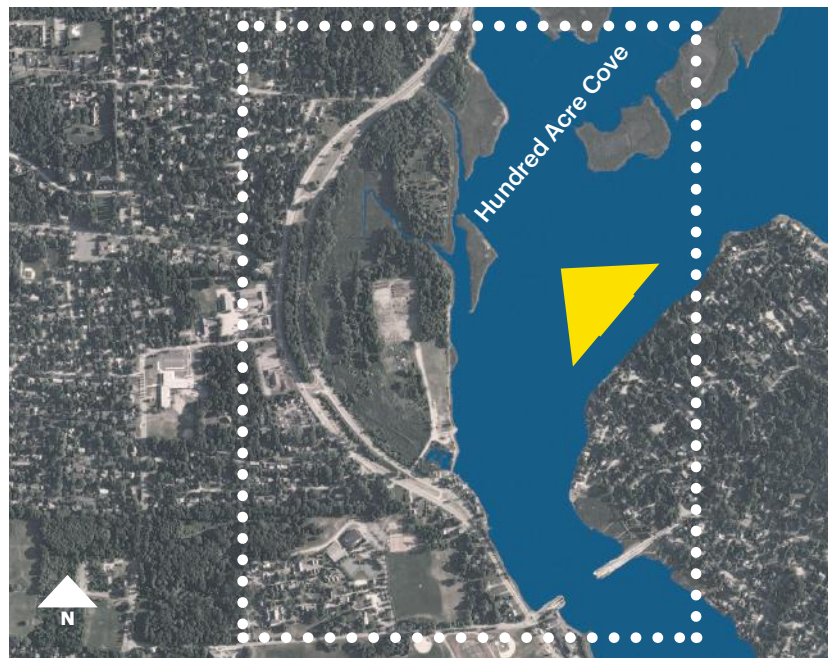

Wampanoag Trail North

100-year storm | 0 feet sea level rise

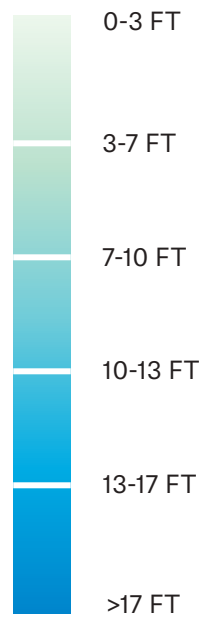

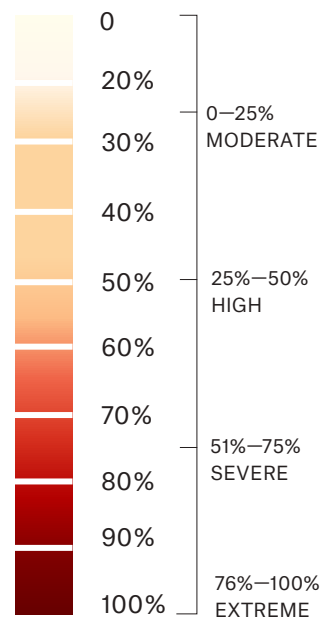

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

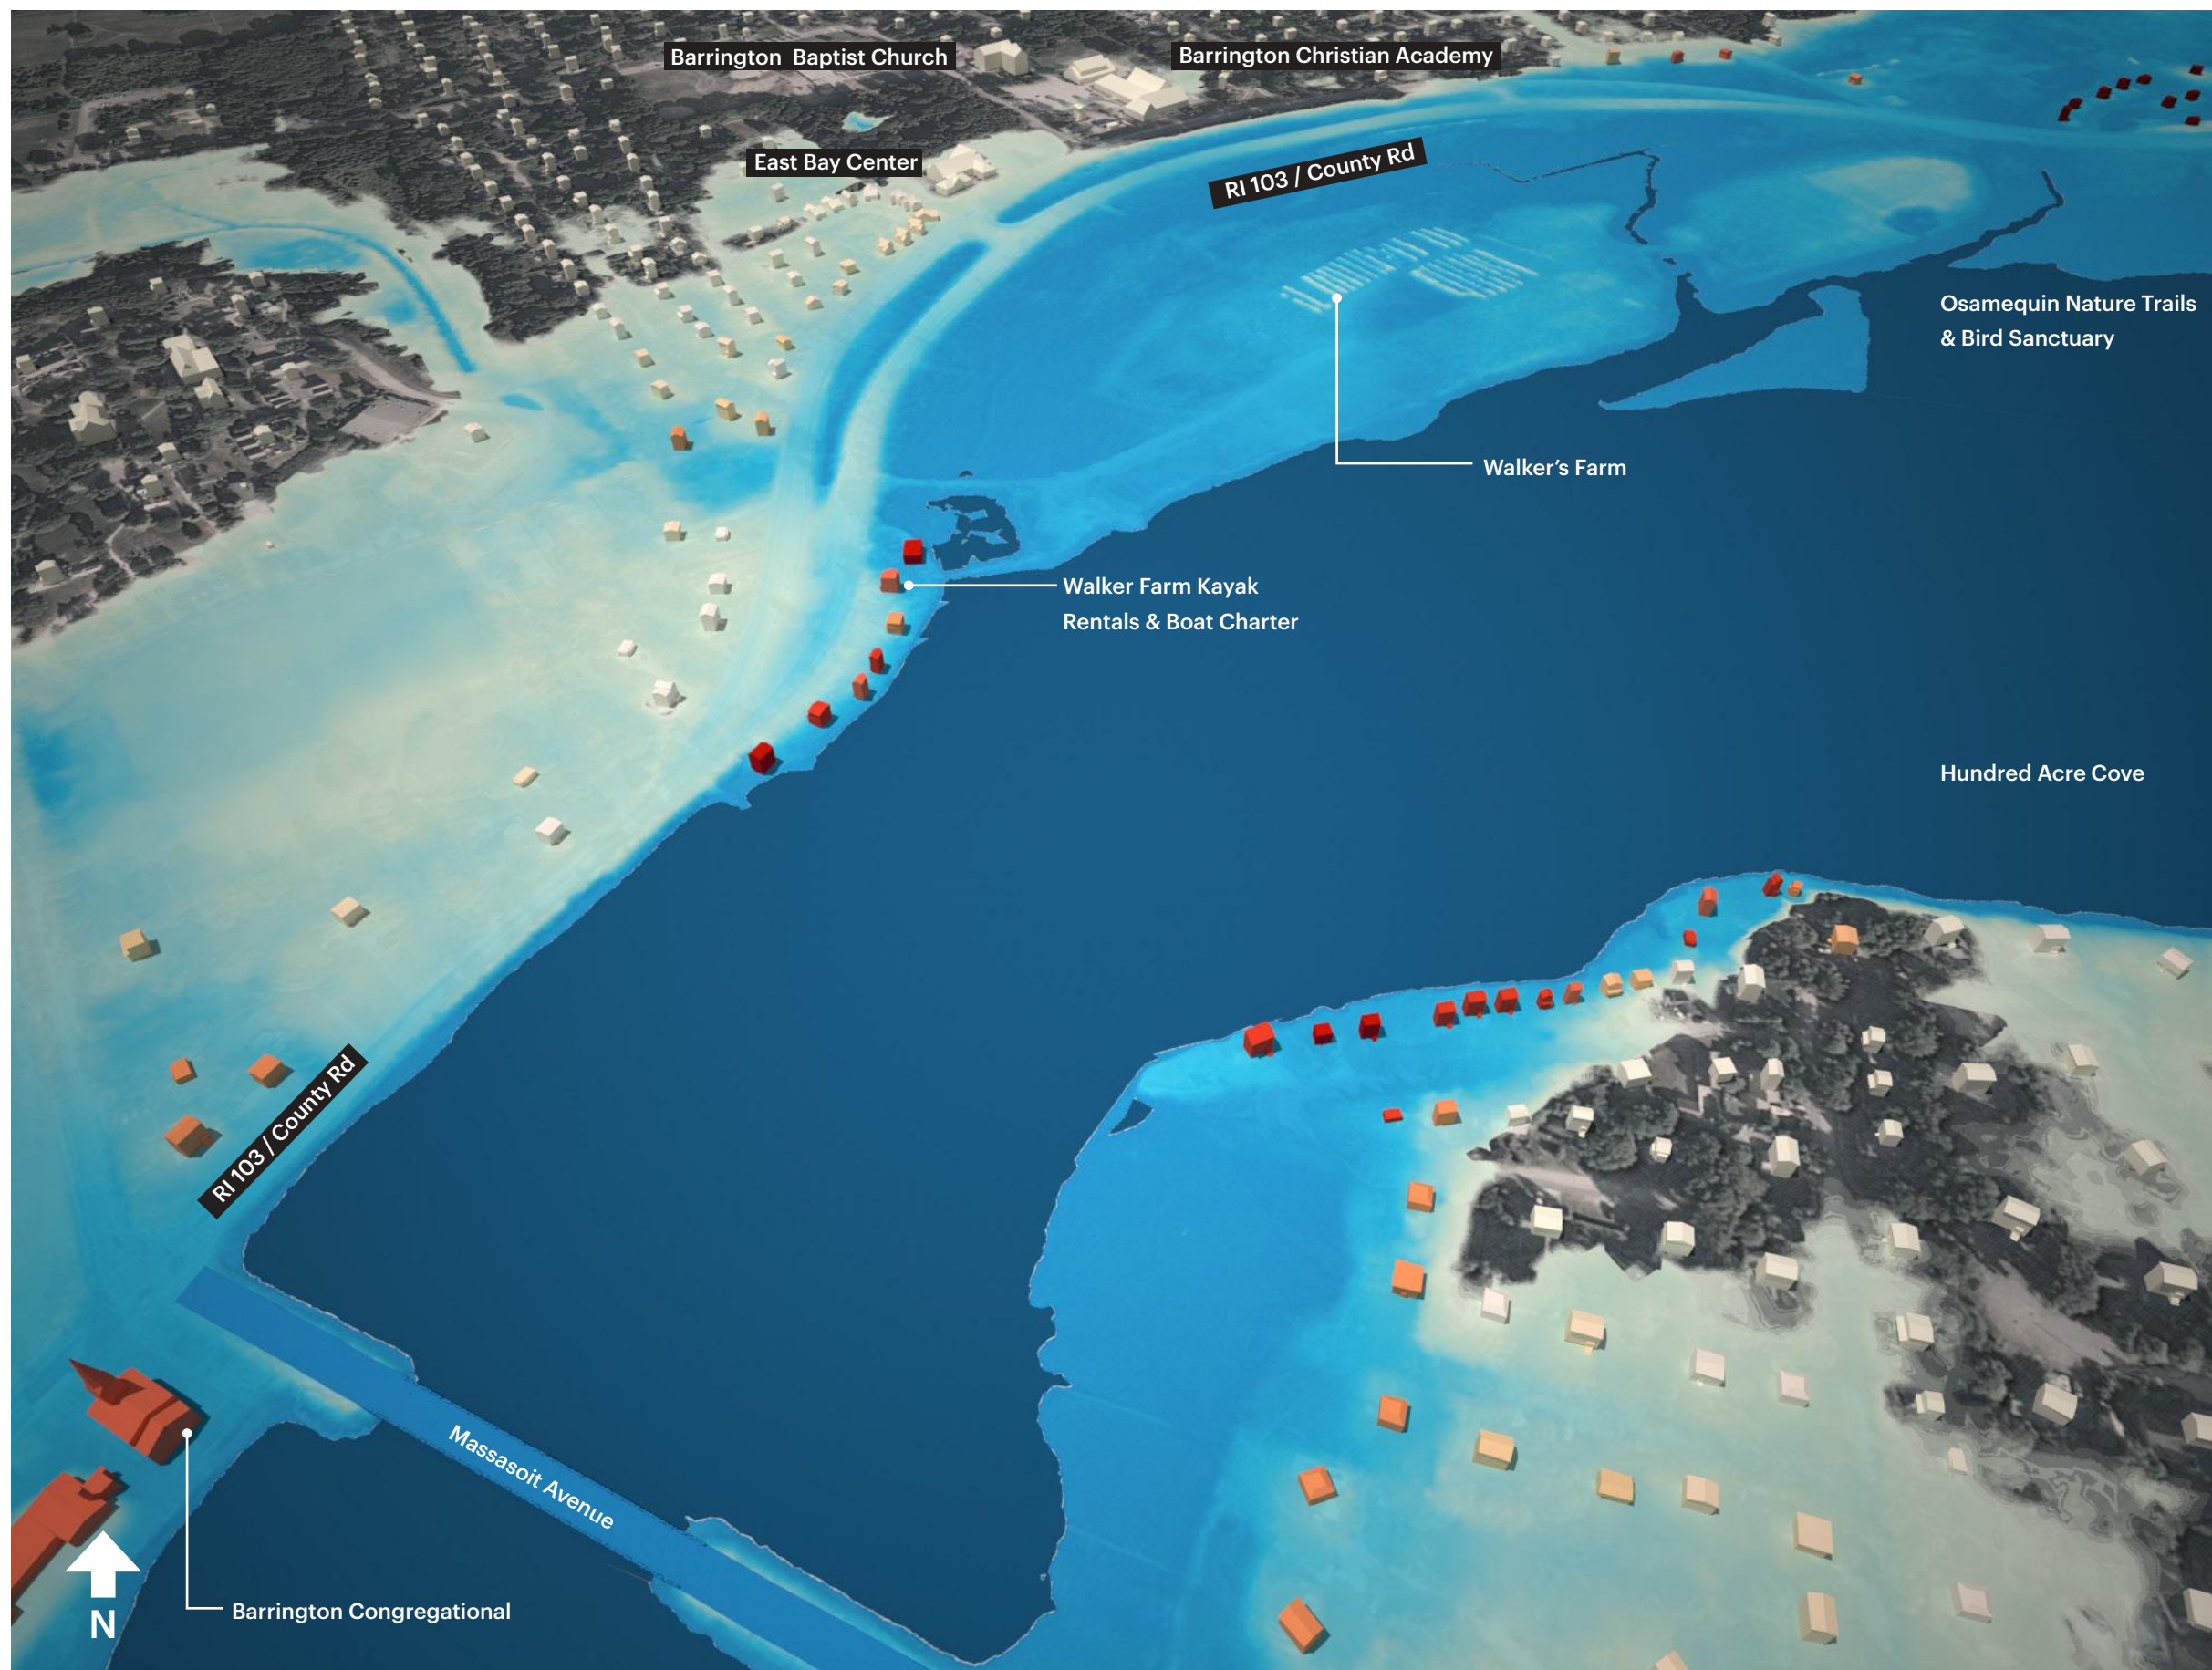

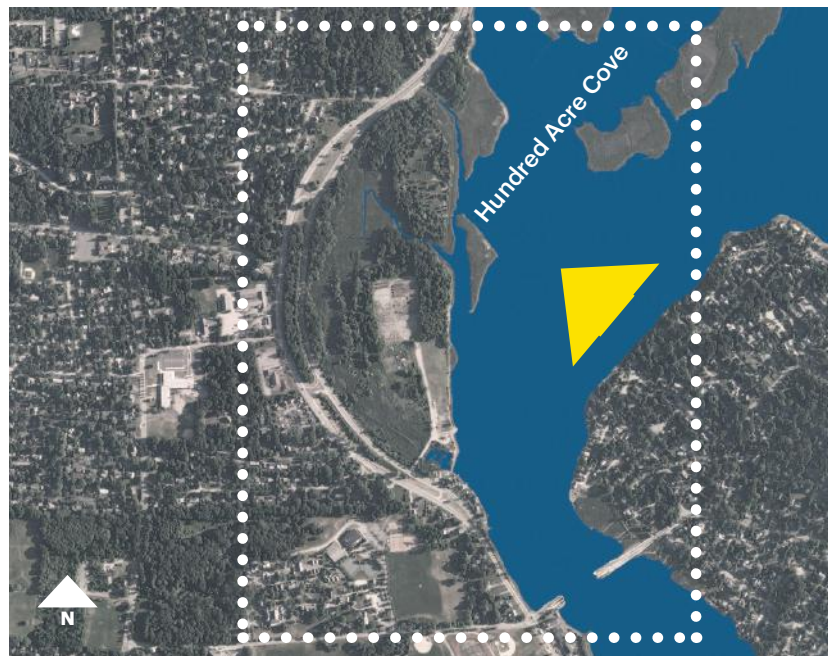

Wampanoag Trail North

100-year storm | +2 feet sea level rise

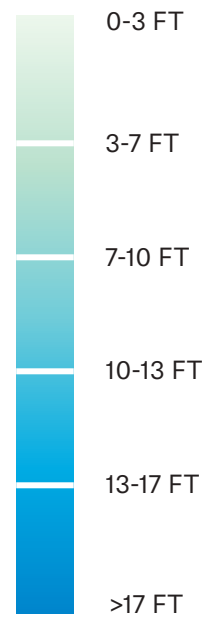

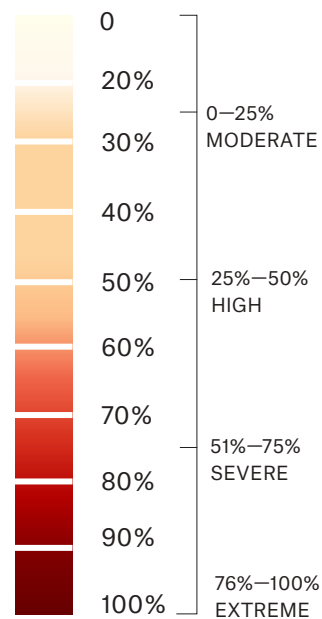

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

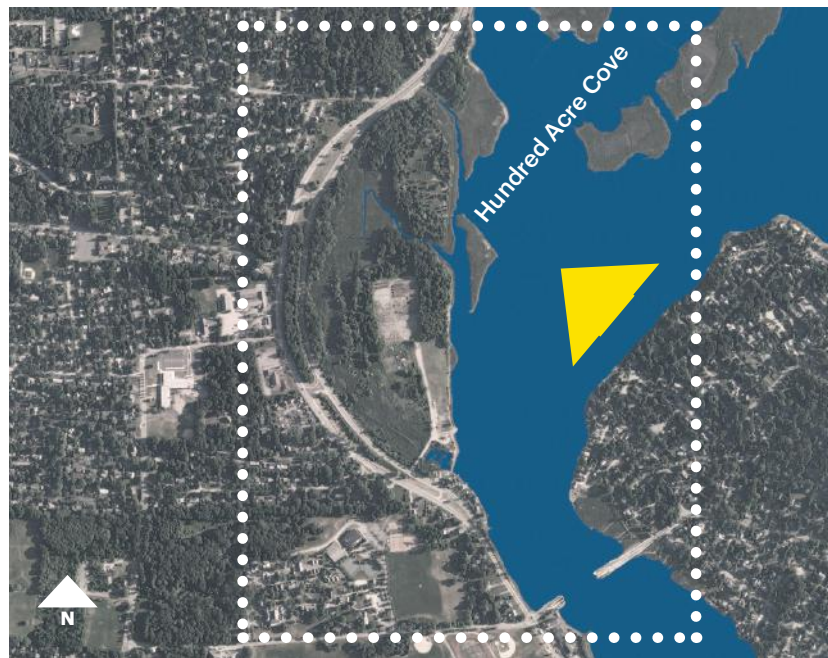

Wampanoag Trail North

100-year storm | +5 feet sea level rise

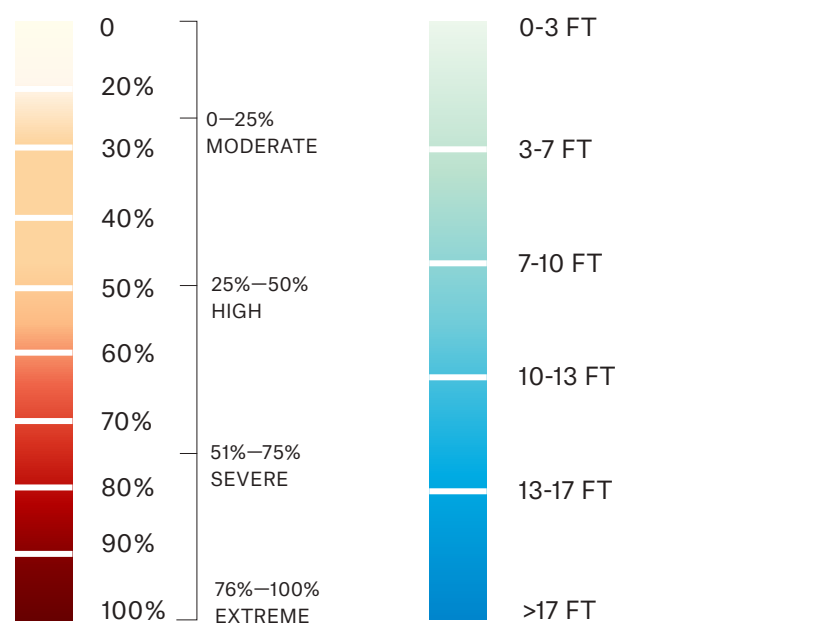

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

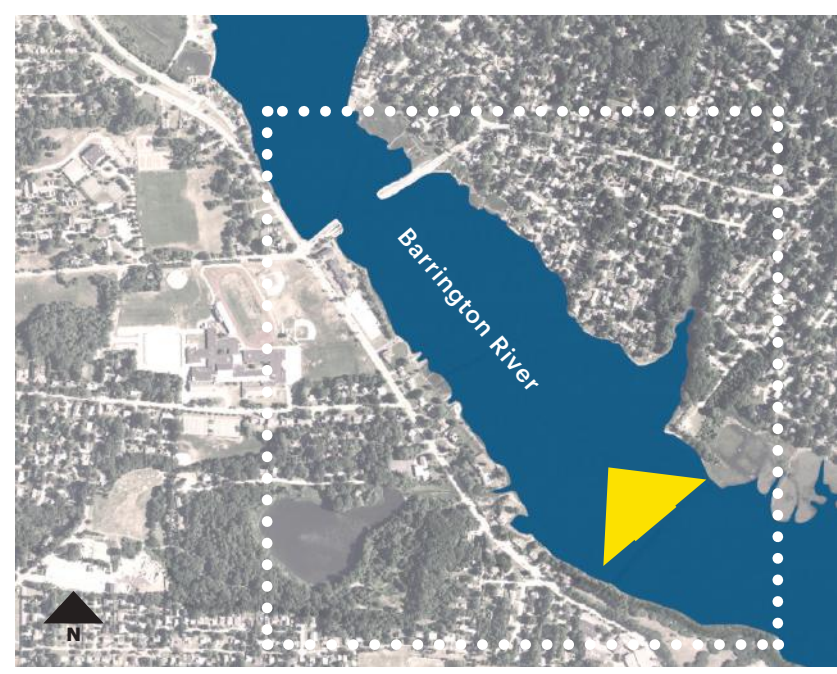

Wampanoag Trail South

100-year storm | 0 feet sea level rise

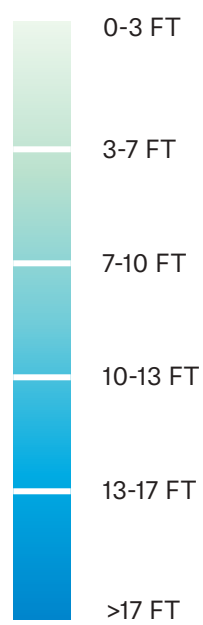

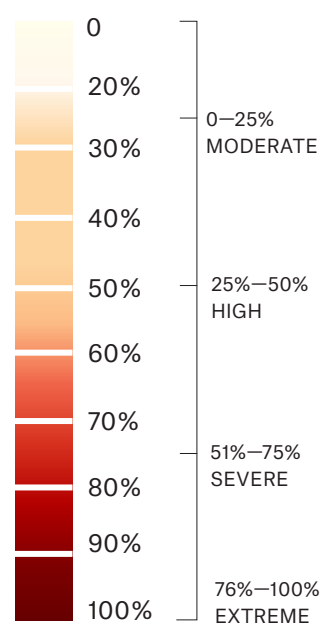

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Wampanoag Trail South

100-year storm | +2 feet sea level rise

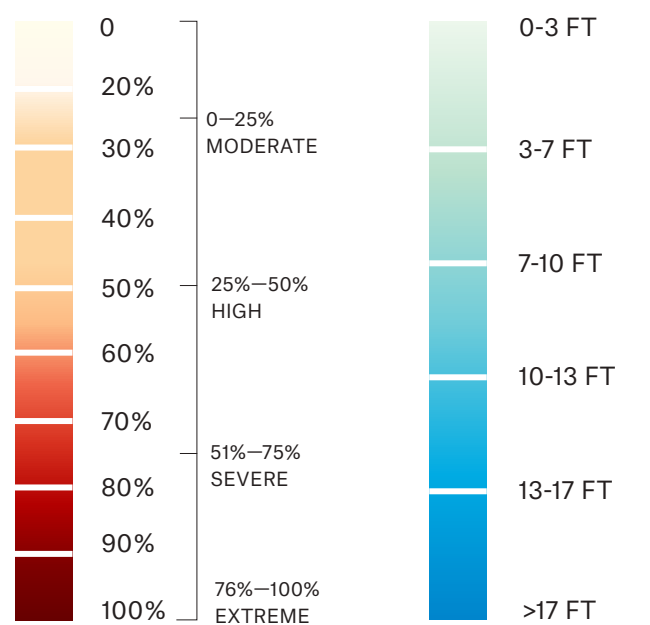

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

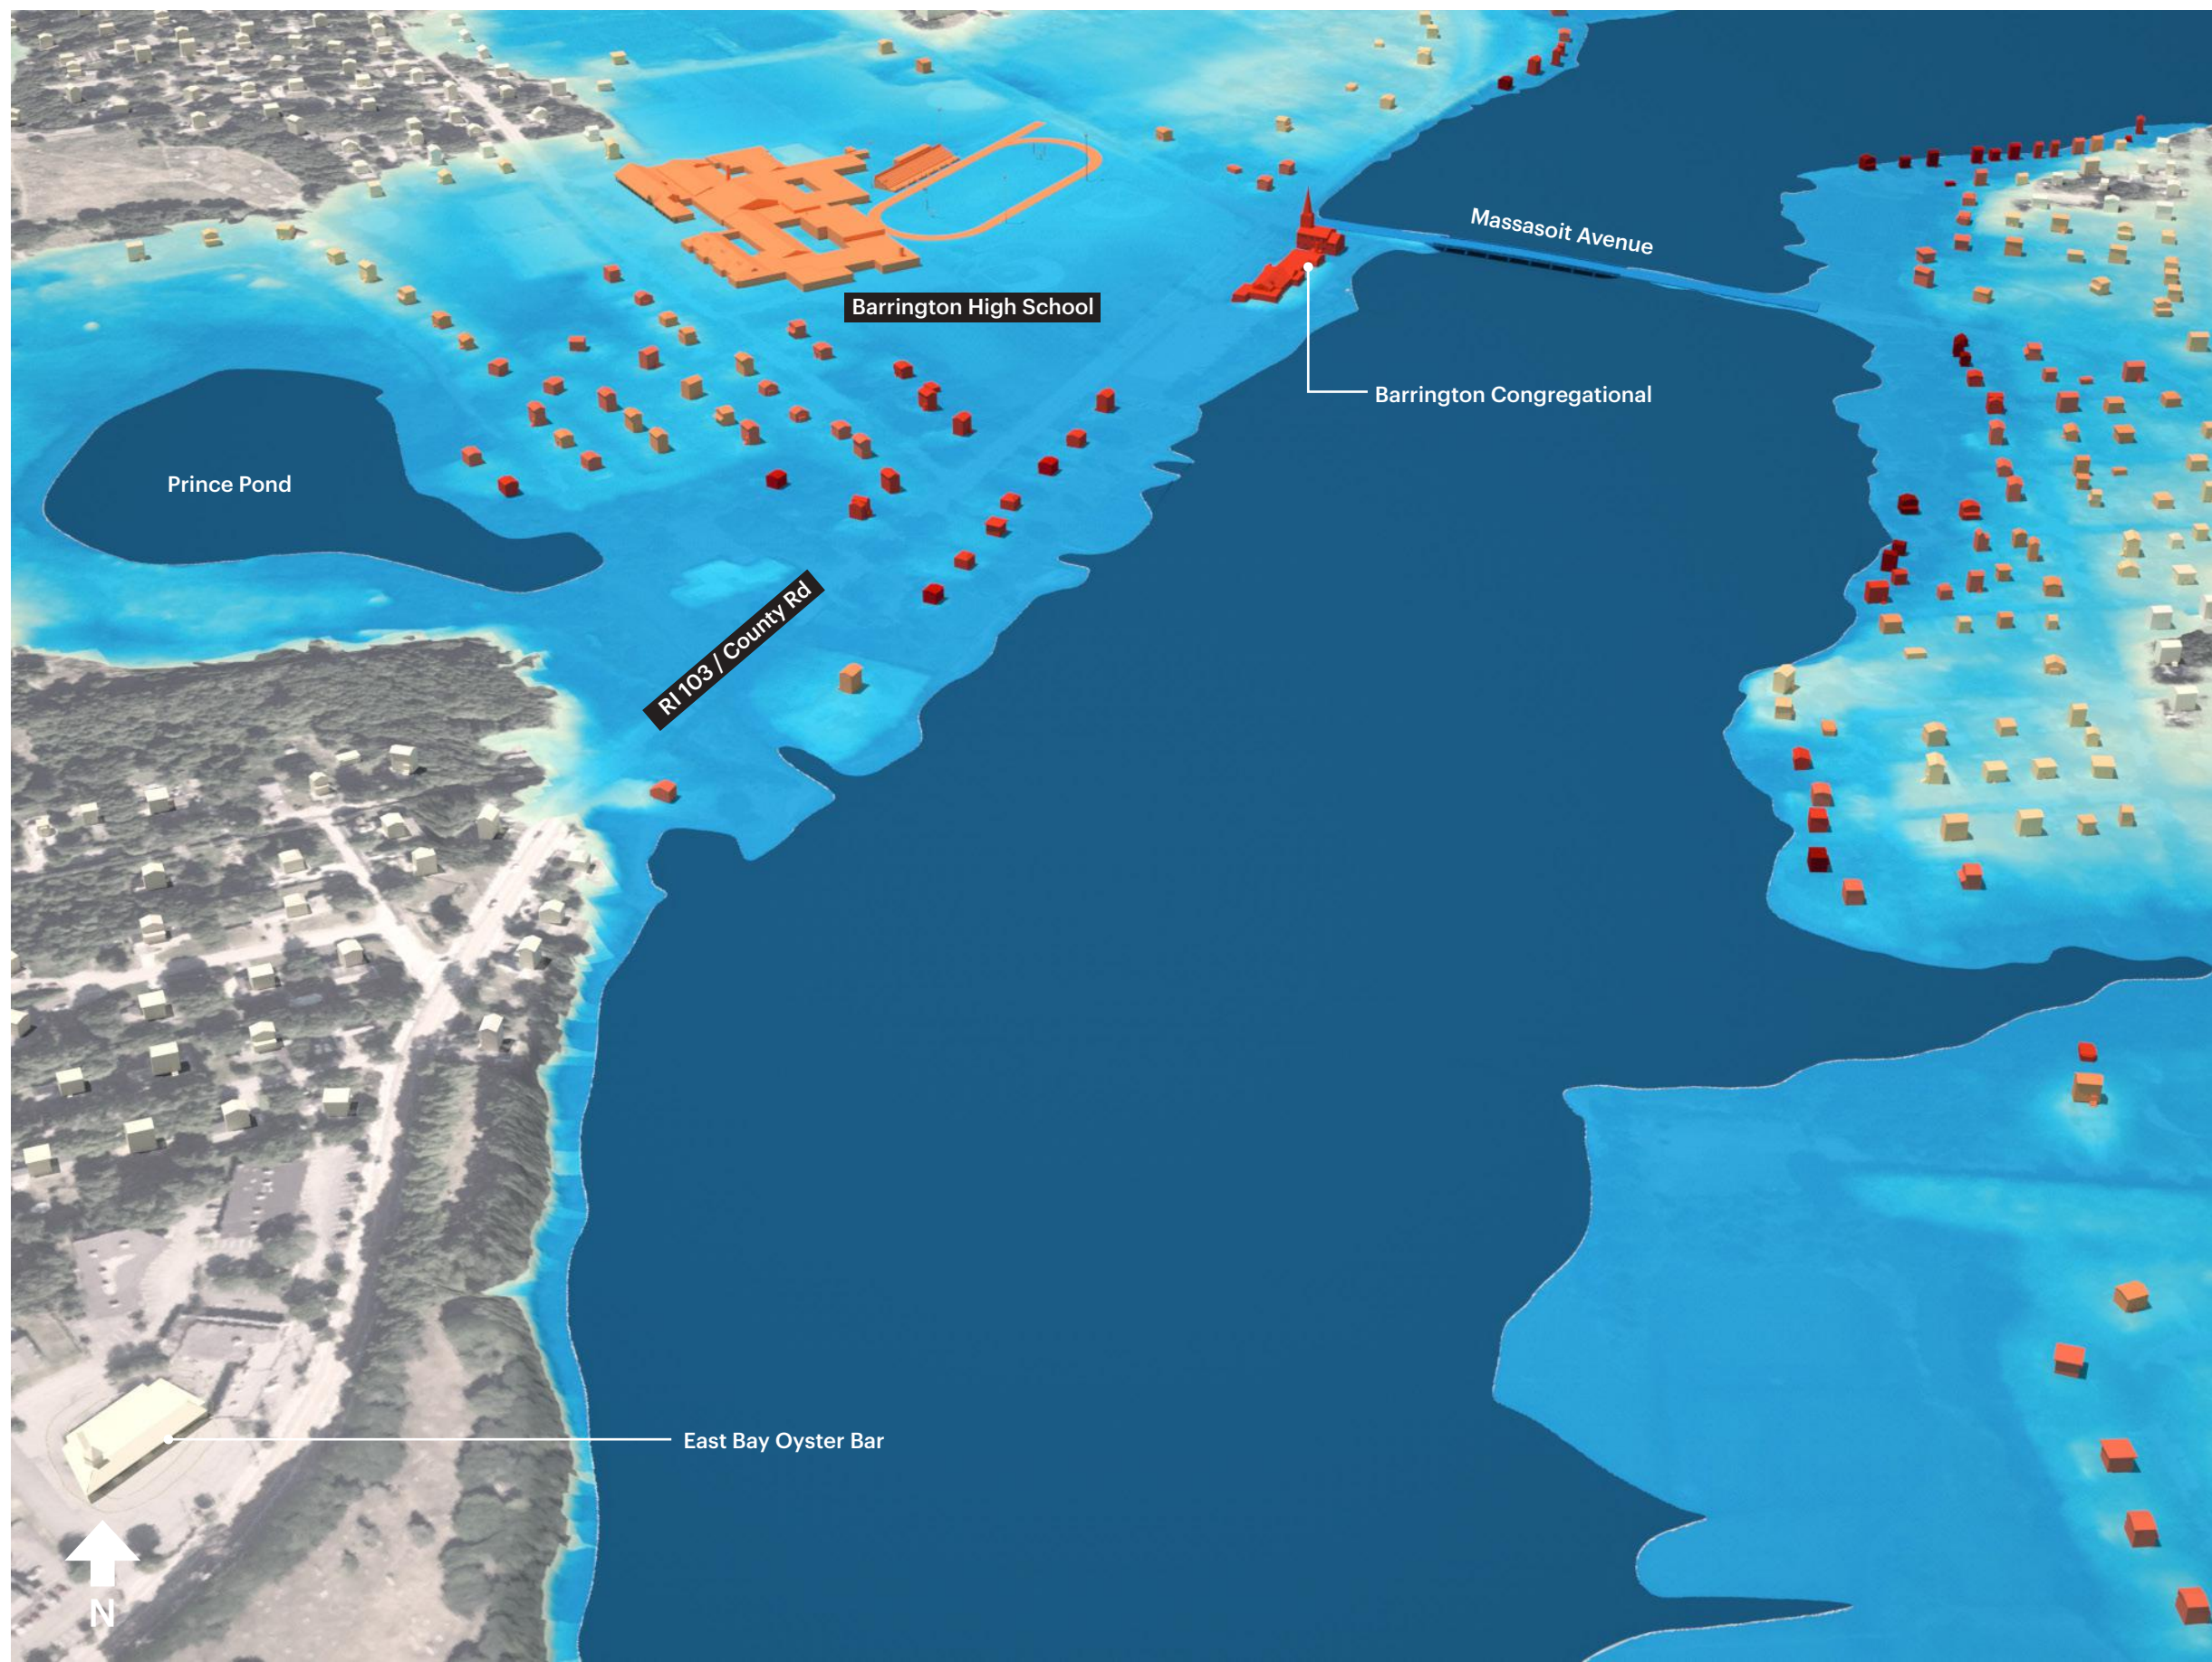

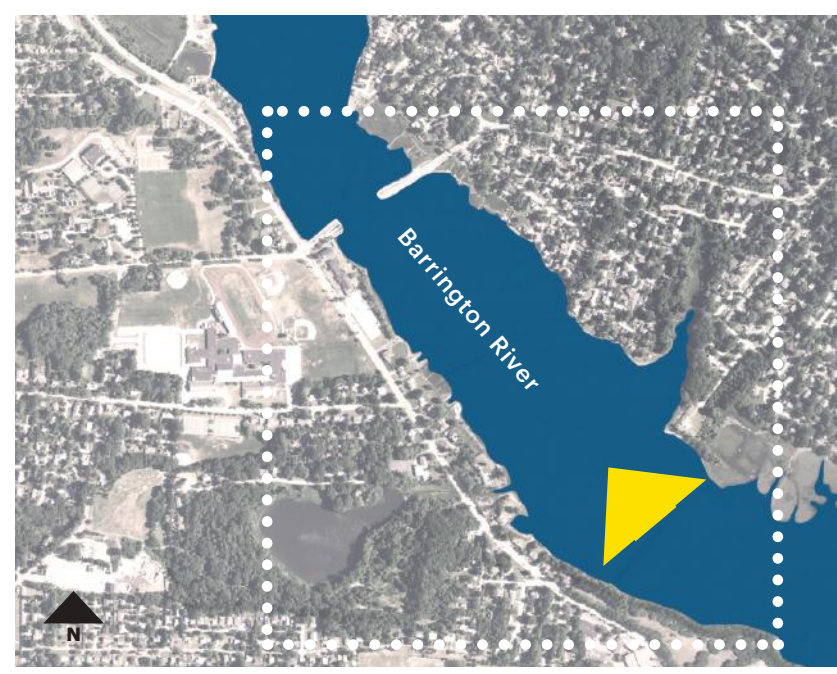

Wampanoag Trail South

100-year storm | +5 feet sea level rise

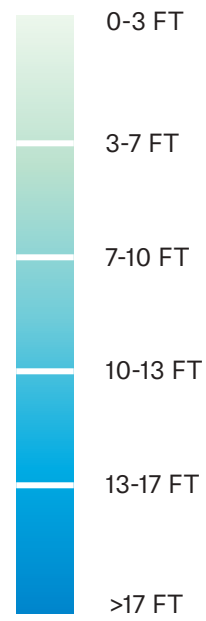

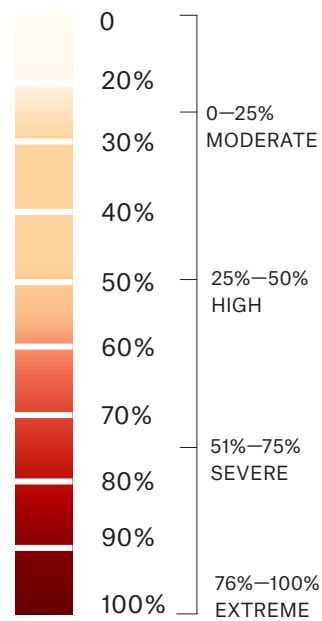

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

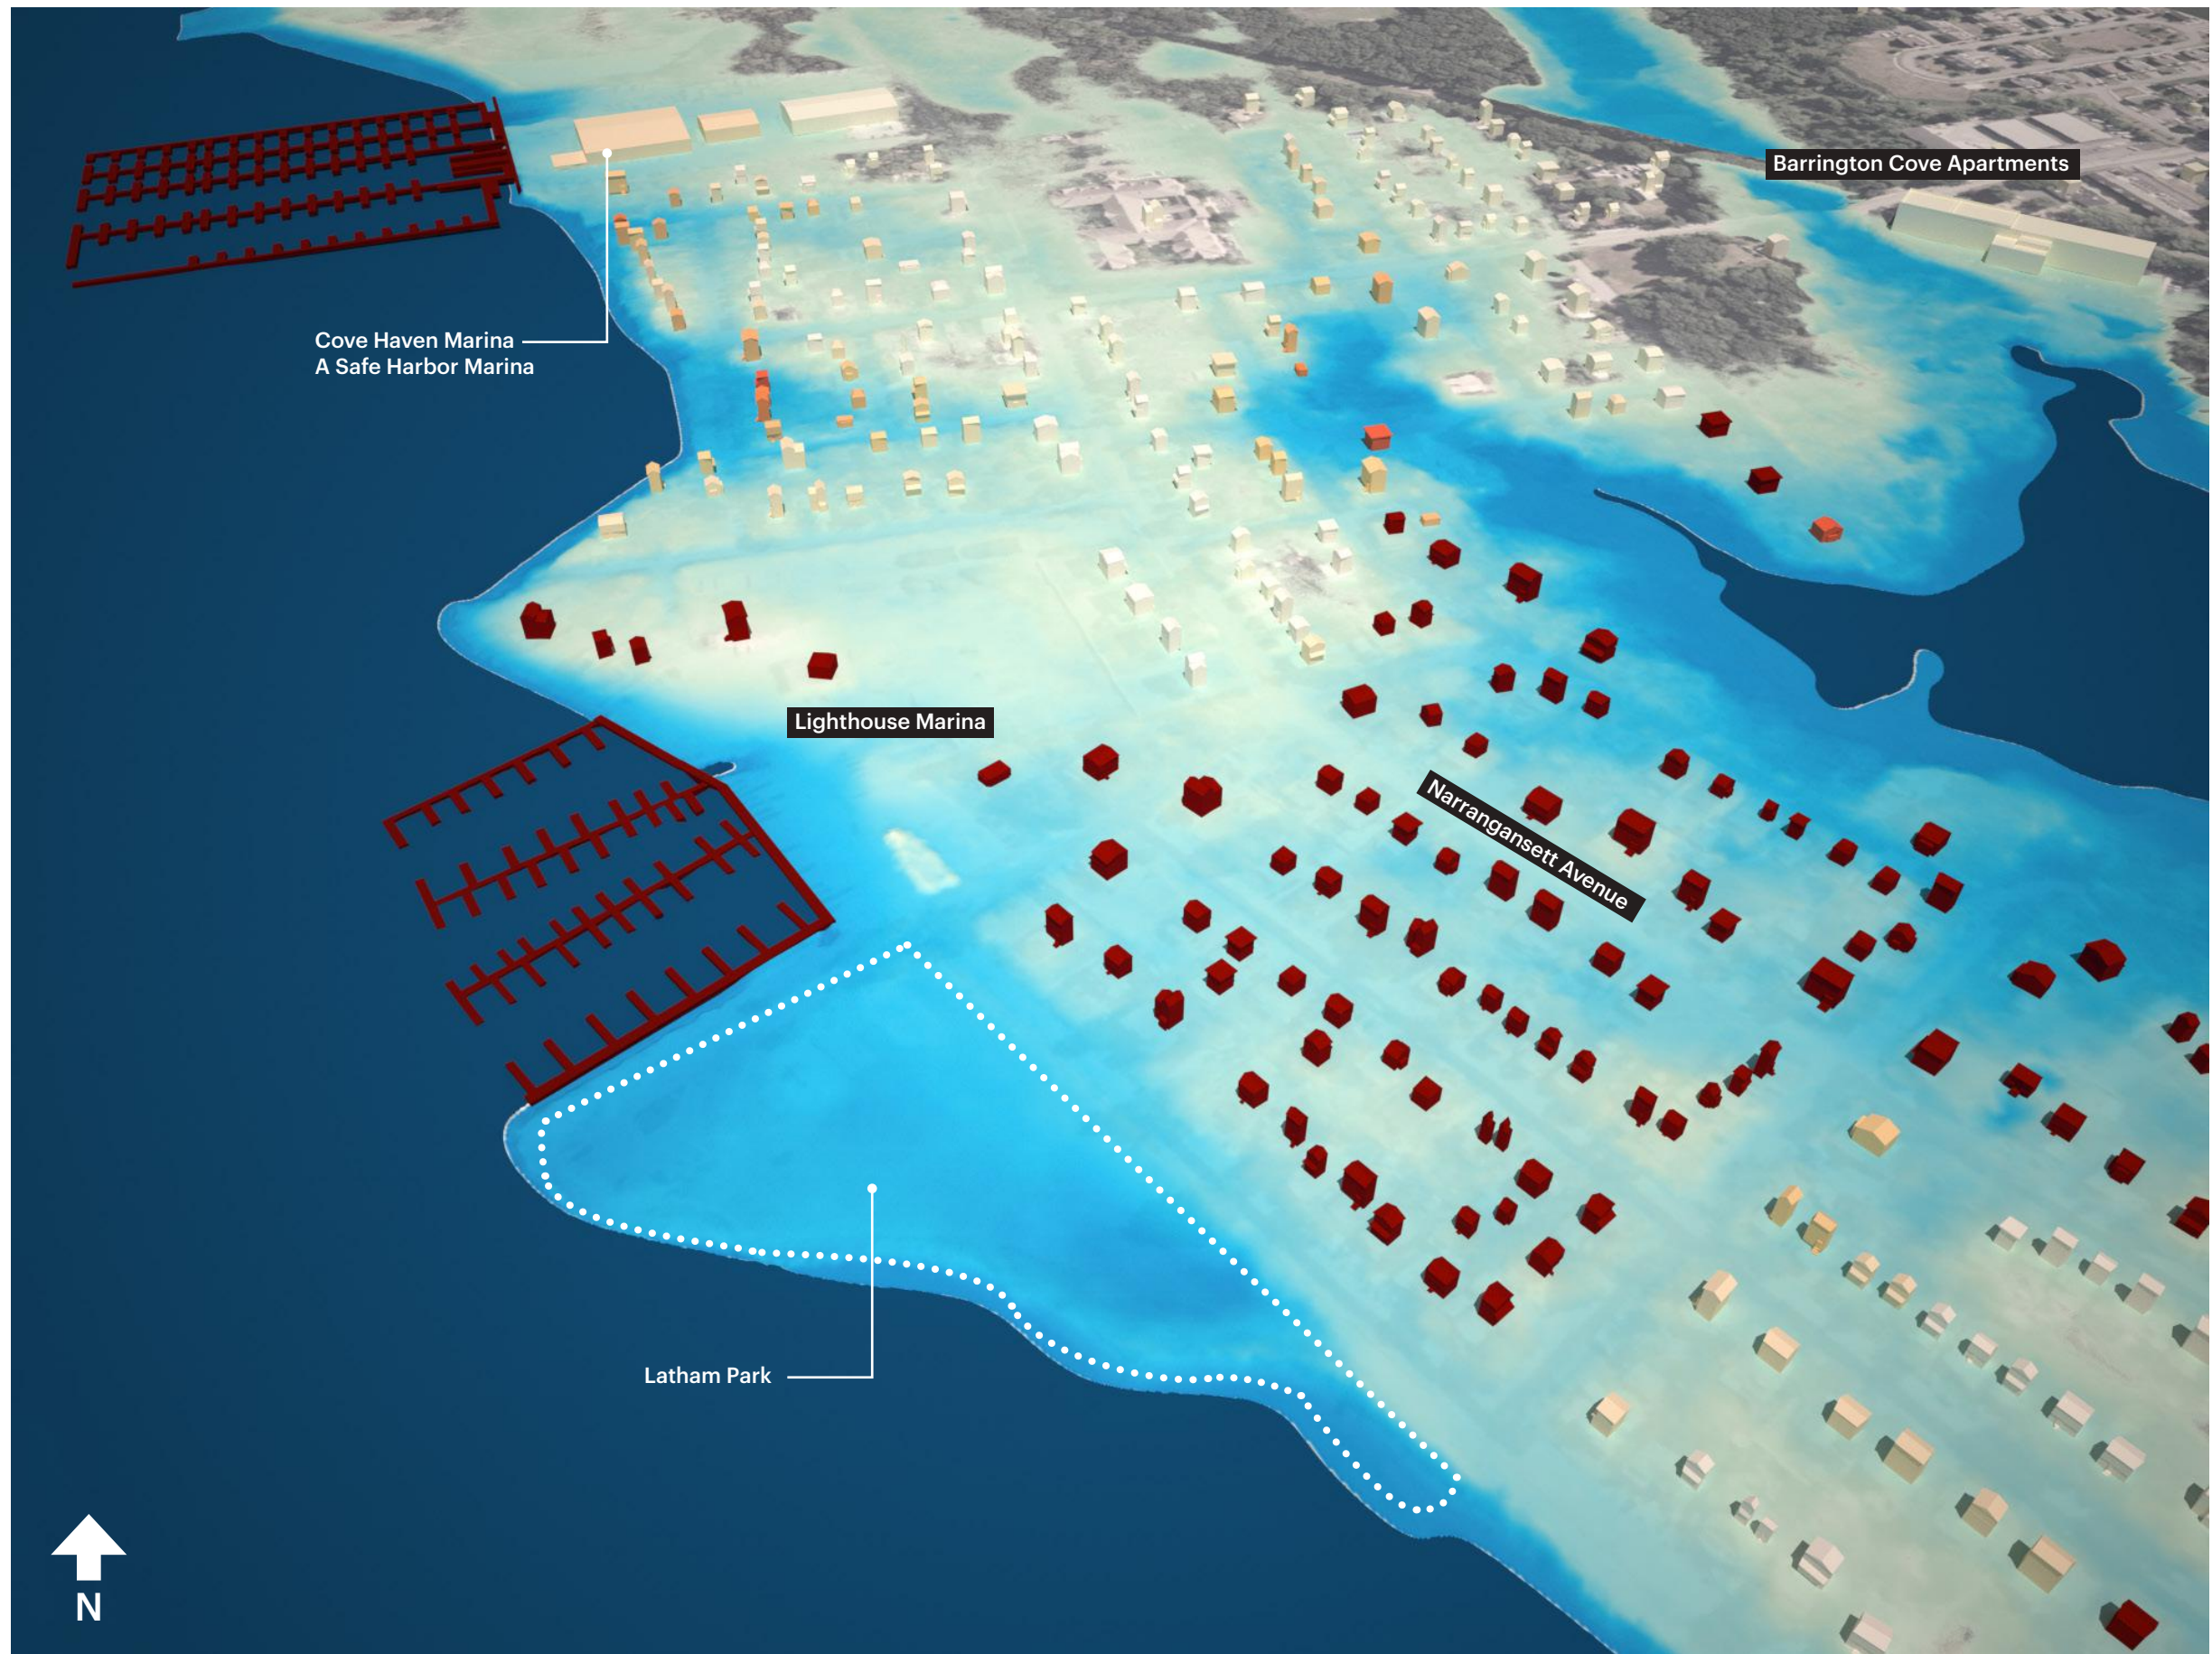

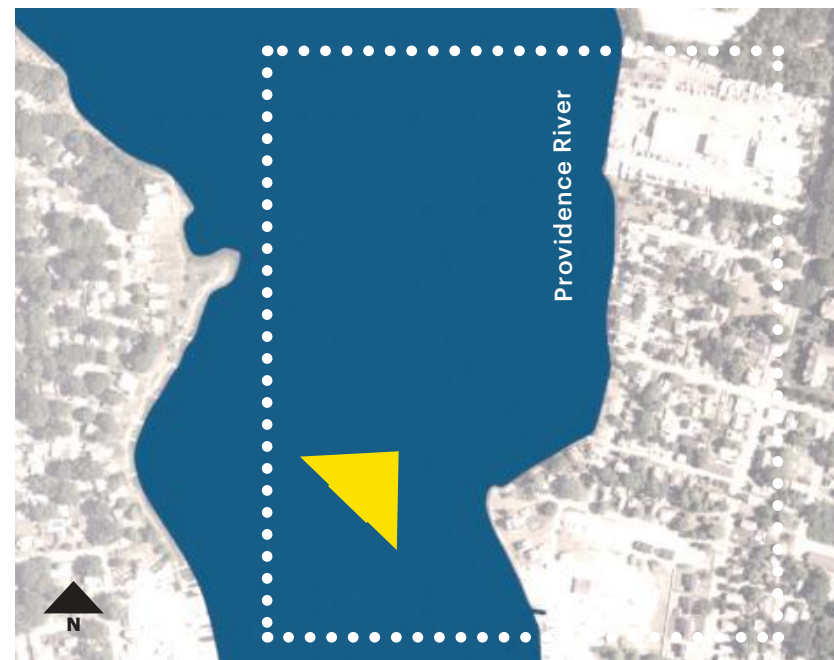

Latham Park

100-year storm | 0 feet sea level rise

Structure Risk Index
Data provided by RI
STORMTOOLS Coastal
Environmental Risk Index.

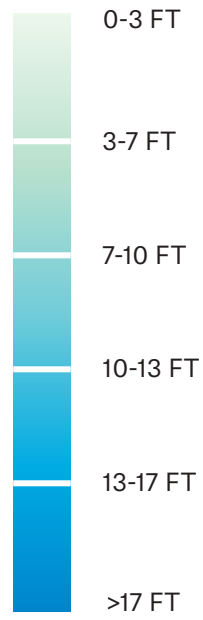

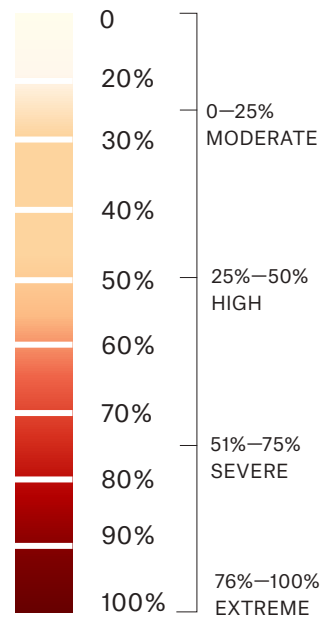

Water Depth at ground elevation
100-year storm + sea level rise
inundation depth. Data provided
by RI STORMTOOLS Coastal
Environmental Risk Index.

Town of Barrington, RI

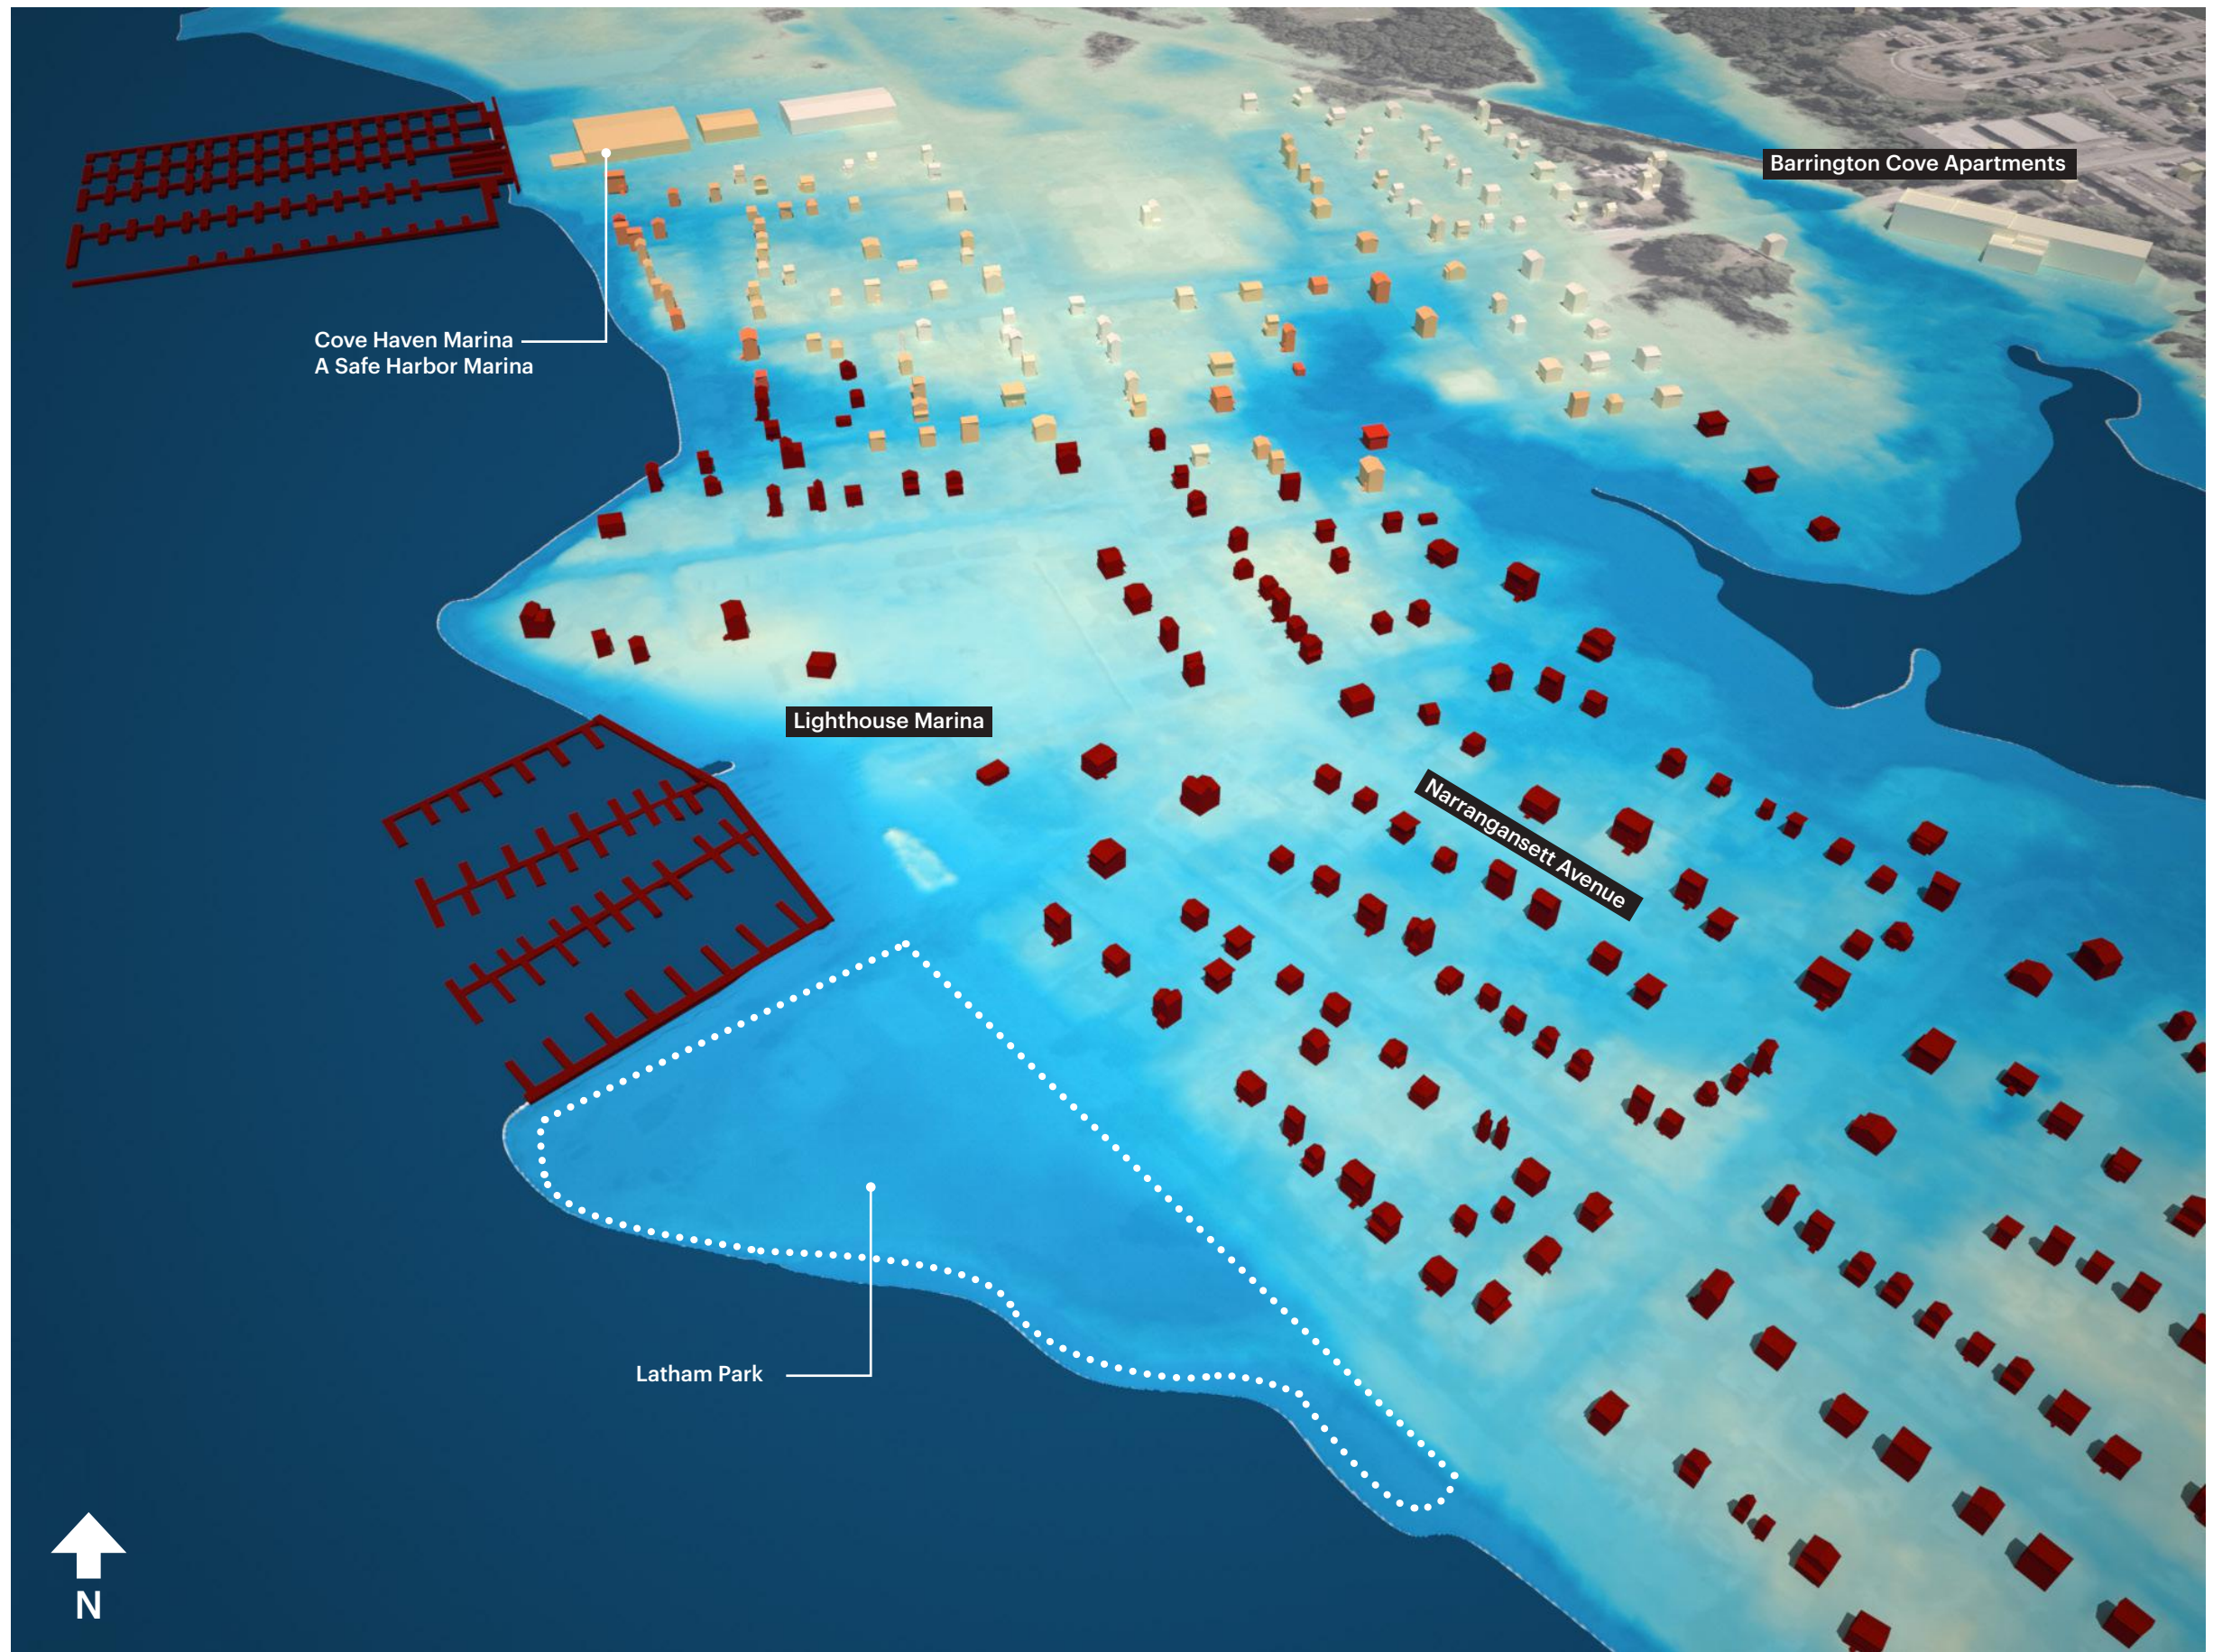

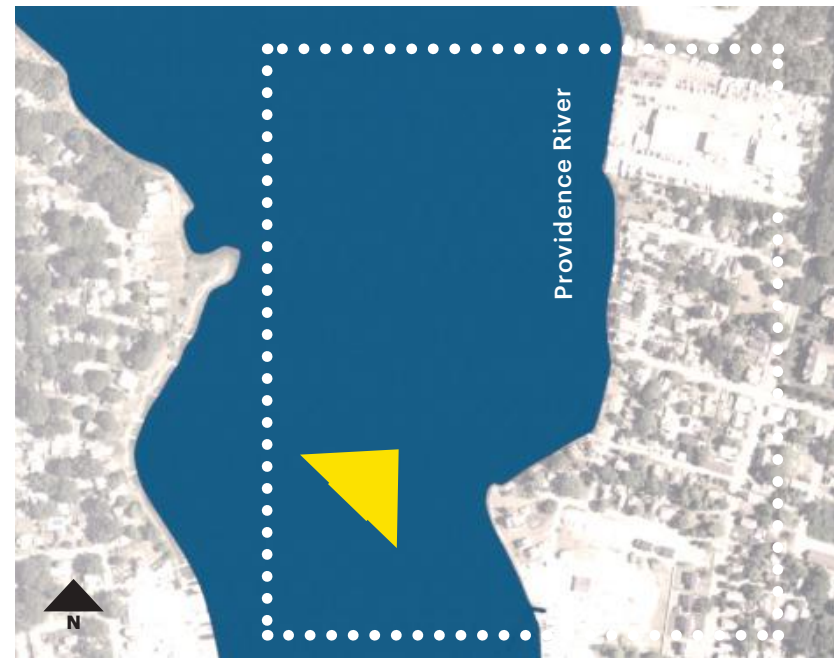

Latham Park

100-year storm | +2 feet sea level rise

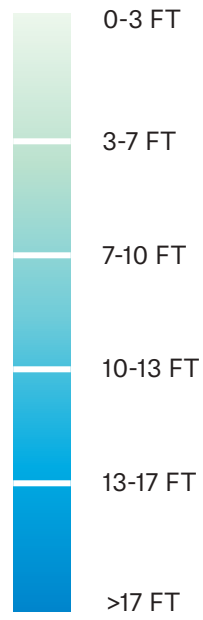

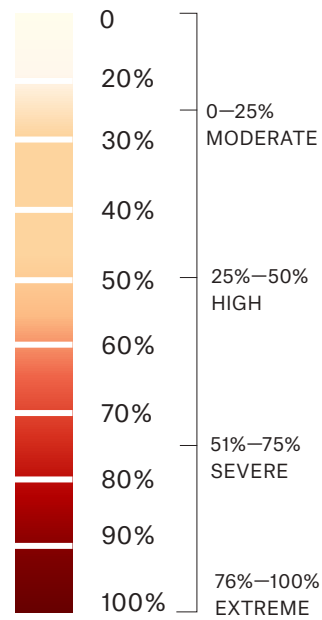

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

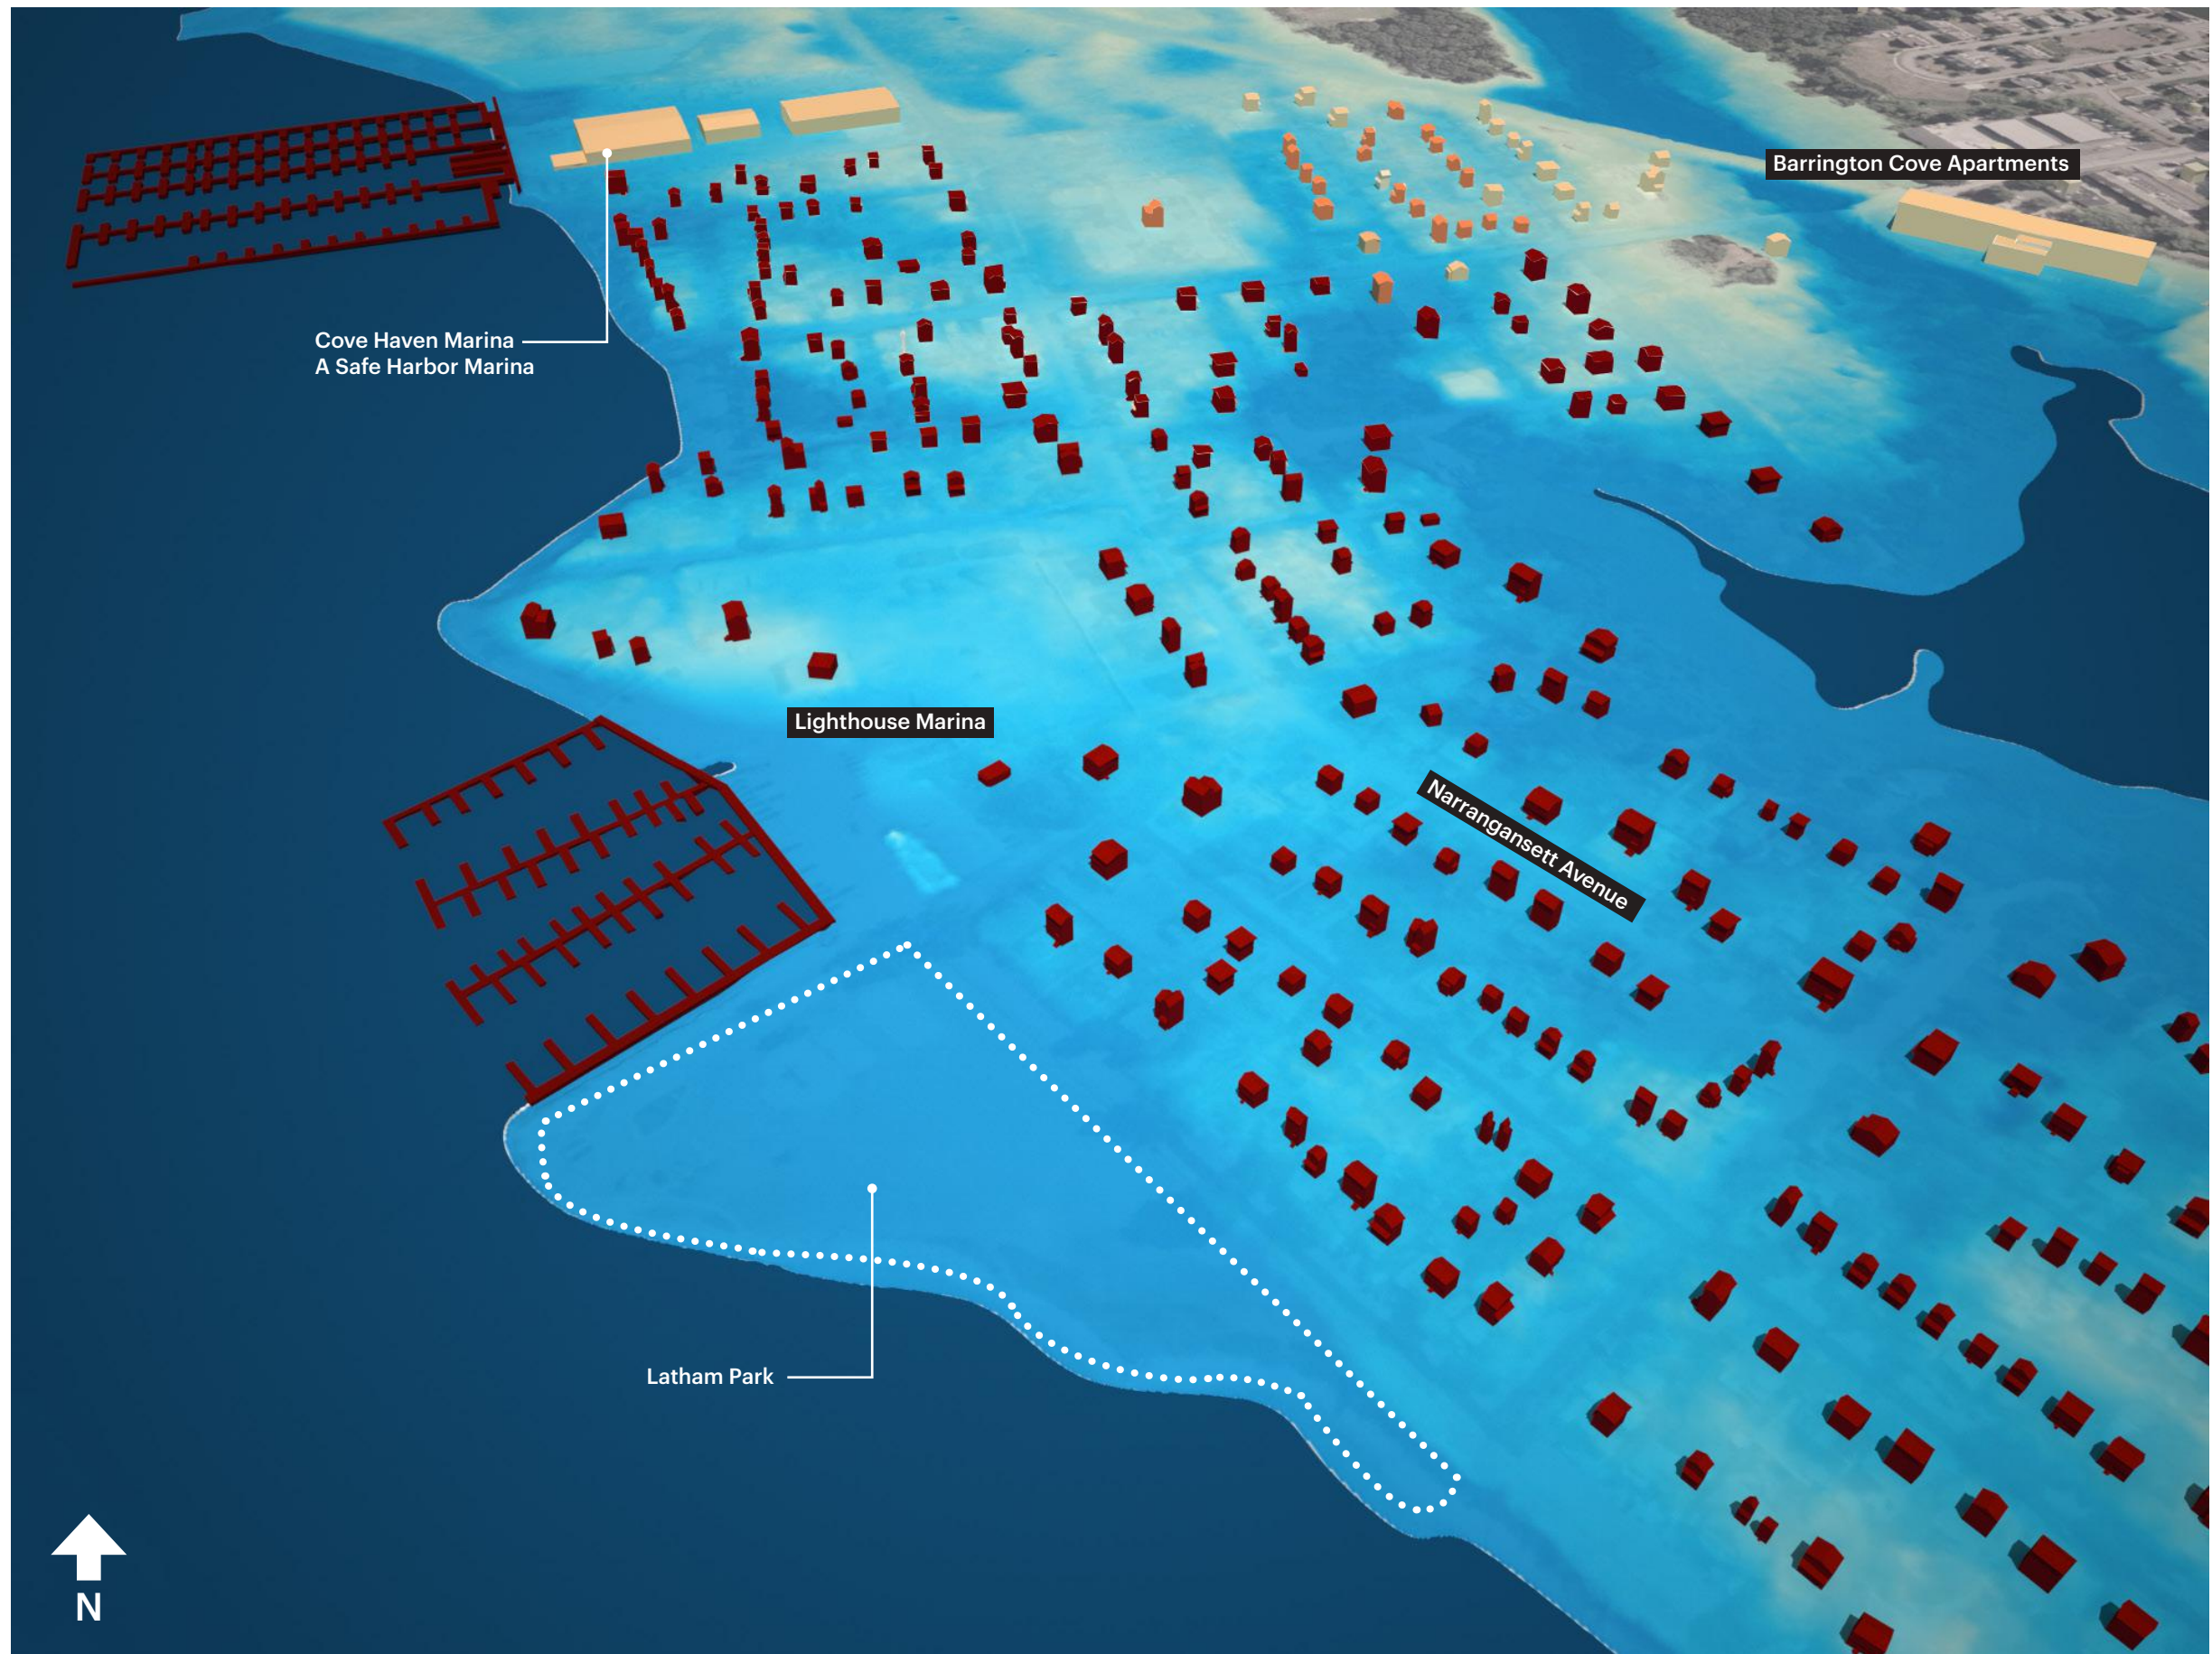

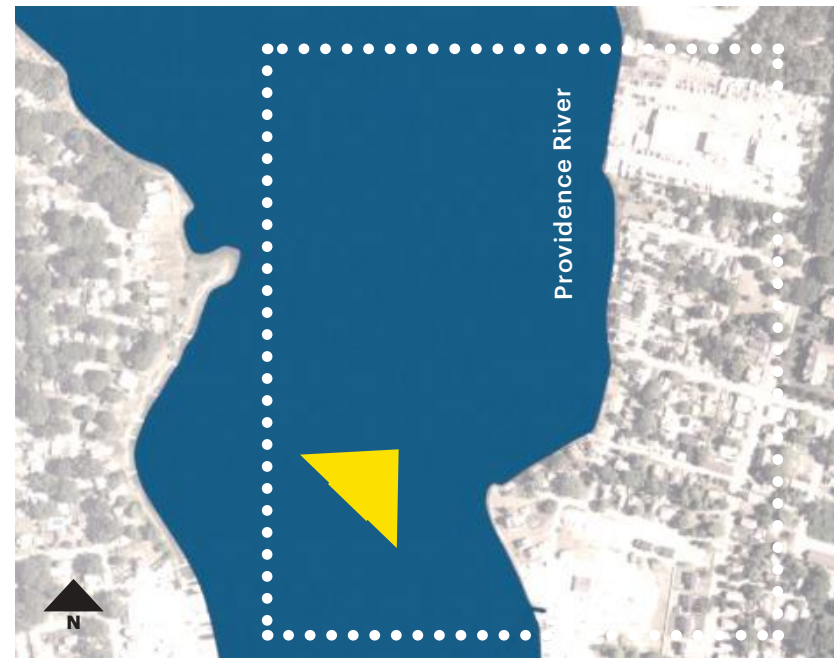

Latham Park

100-year storm | +5 feet sea level rise

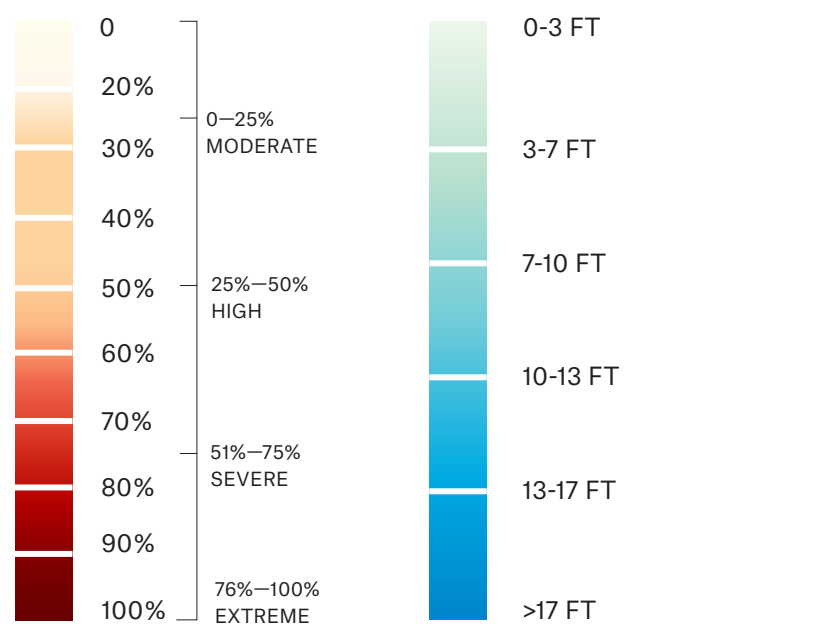

Structure Risk Index
Data provided by RI
STORMTOOLS Coastal
Environmental Risk Index.

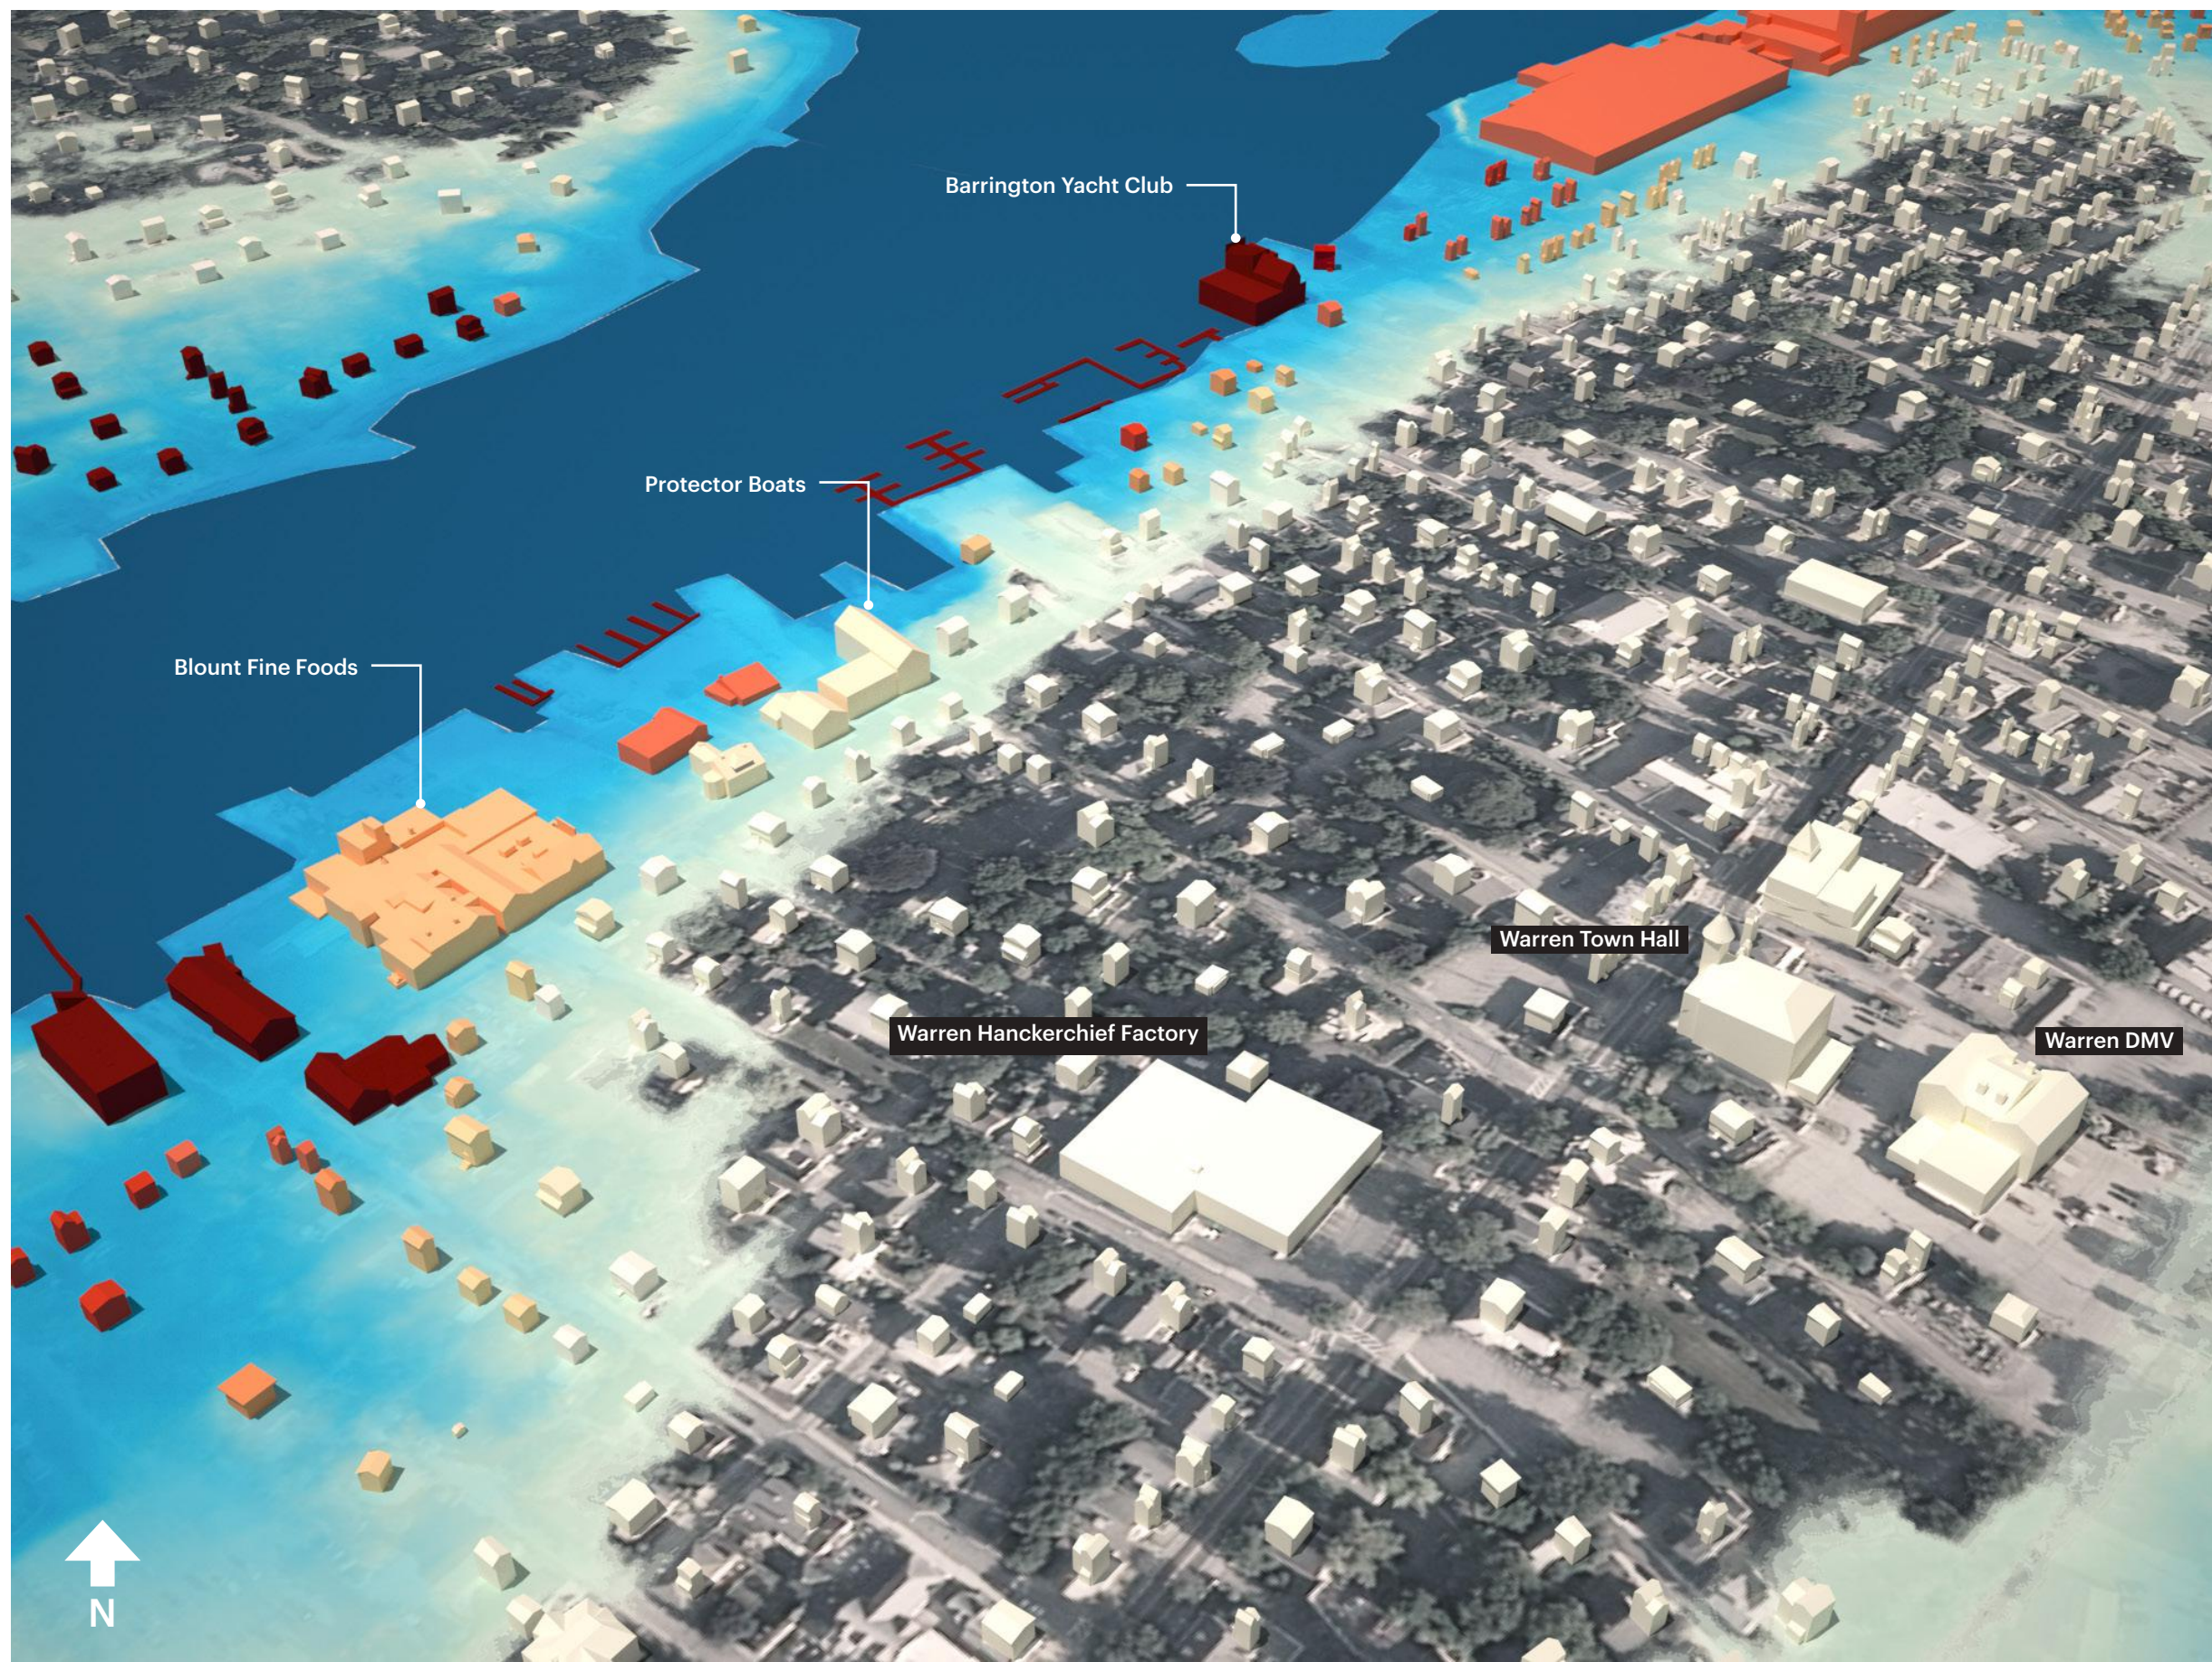

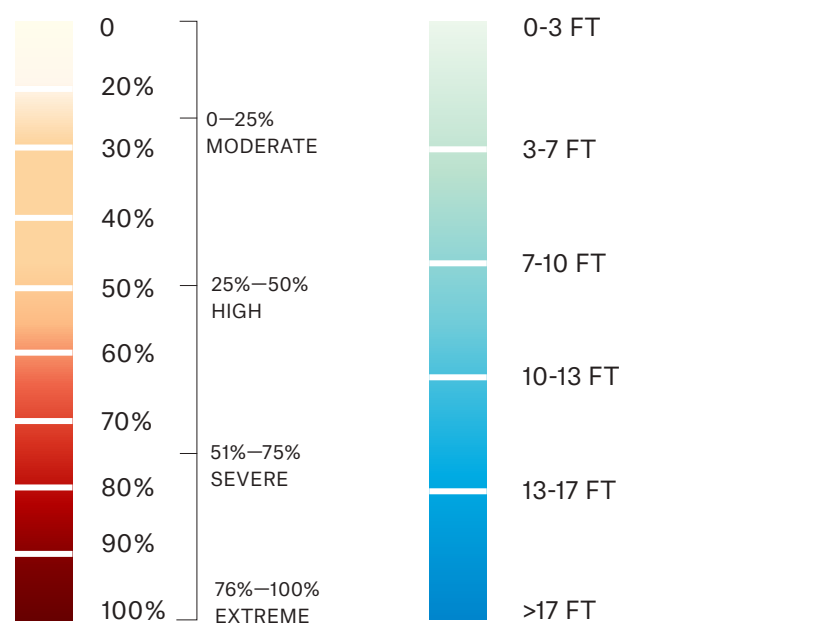

Water Depth at ground elevation
100-year storm + sea level rise
inundation depth. Data provided
by RI STORMTOOLS Coastal
Environmental Risk Index.

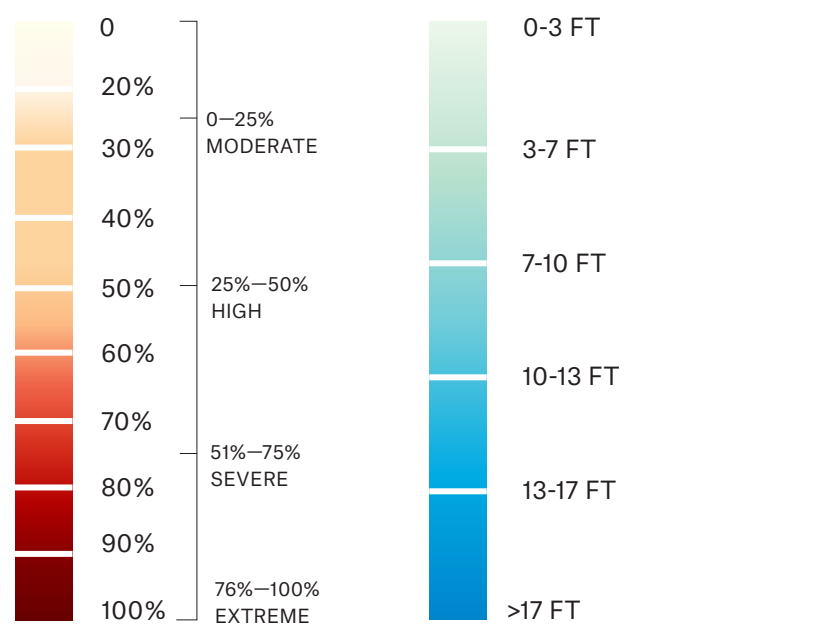

Town of Warren, RI
Waterfront
 100-year storm | 0 feet sea level rise

Town of Warren, RI
Waterfront
 100-year storm | +2 feet sea level rise

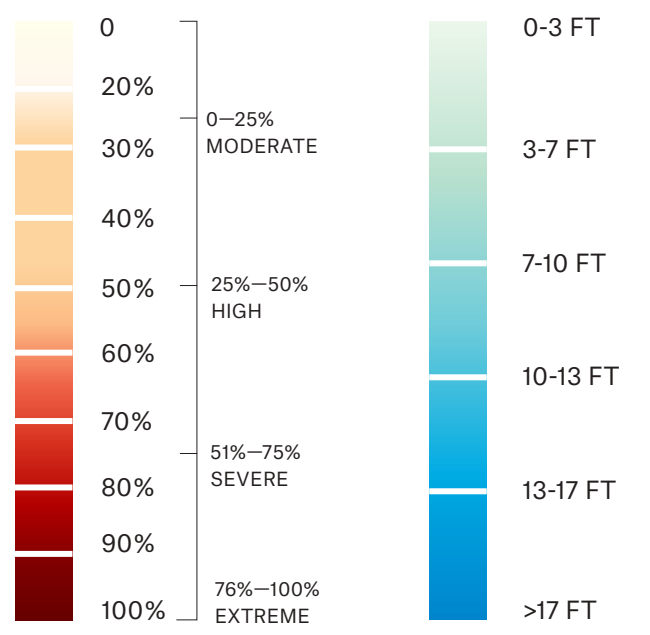

Town of Warren, RI
Waterfront
 100-year storm | +5 feet sea level rise

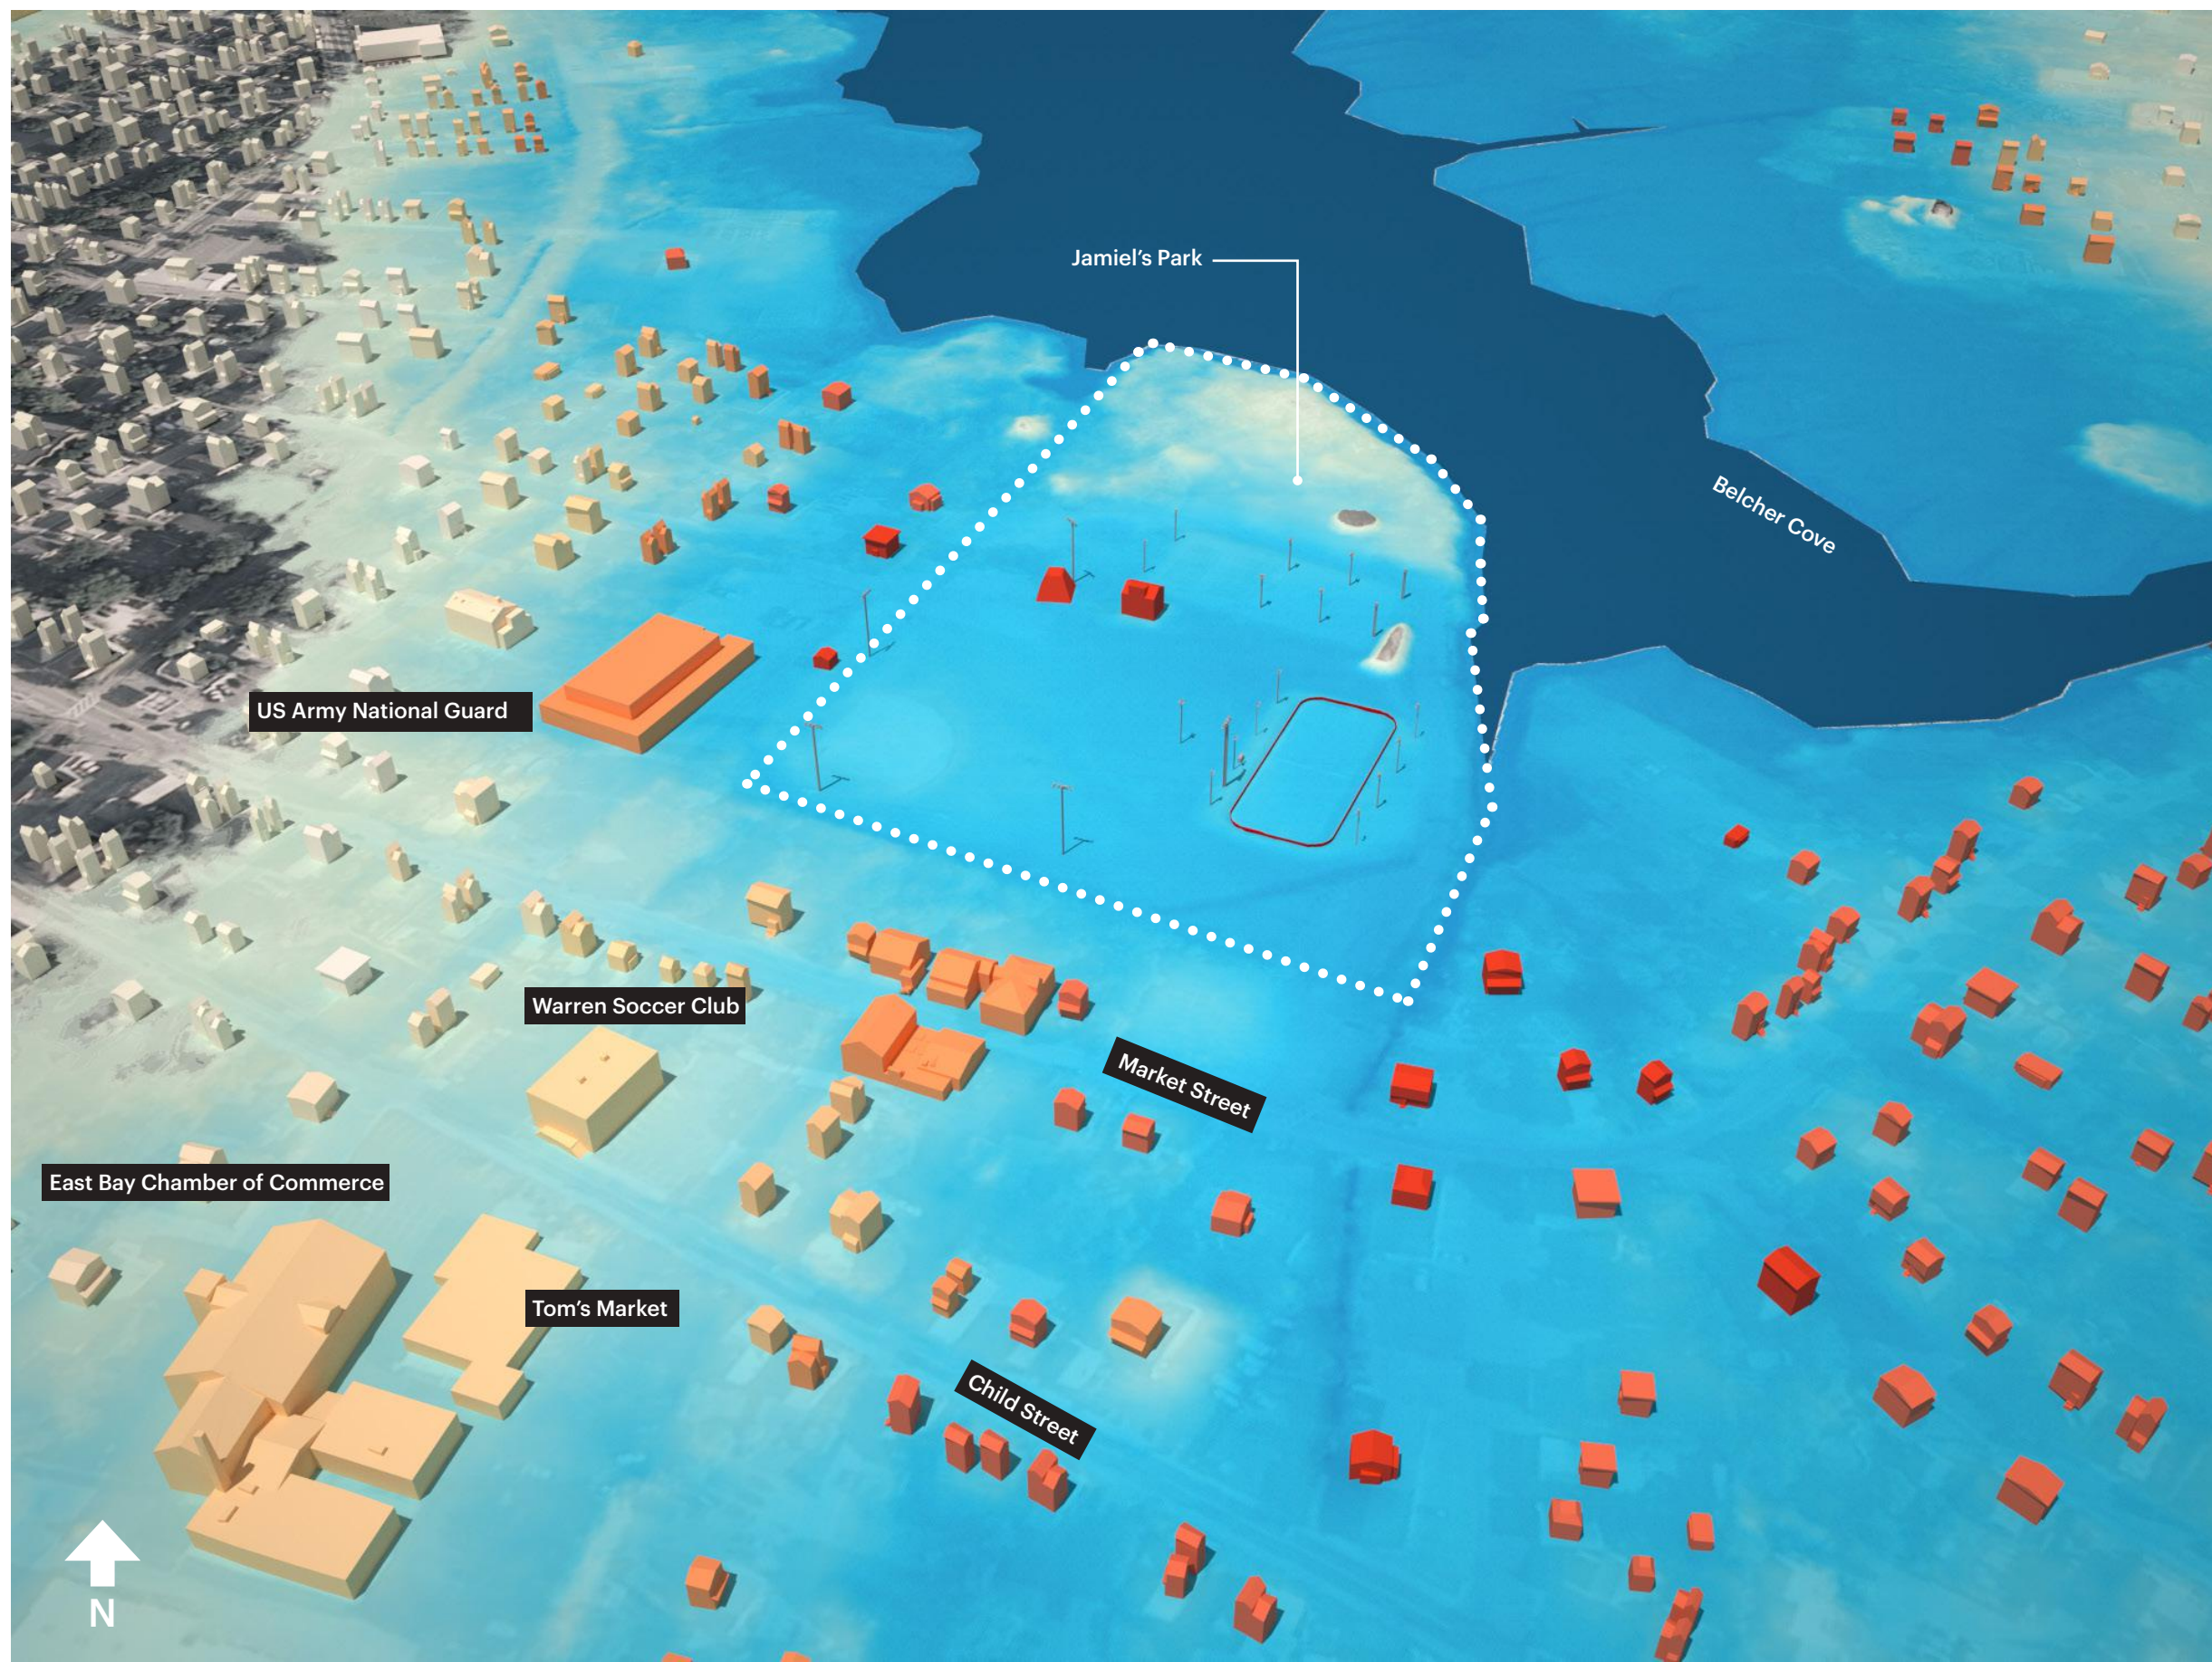

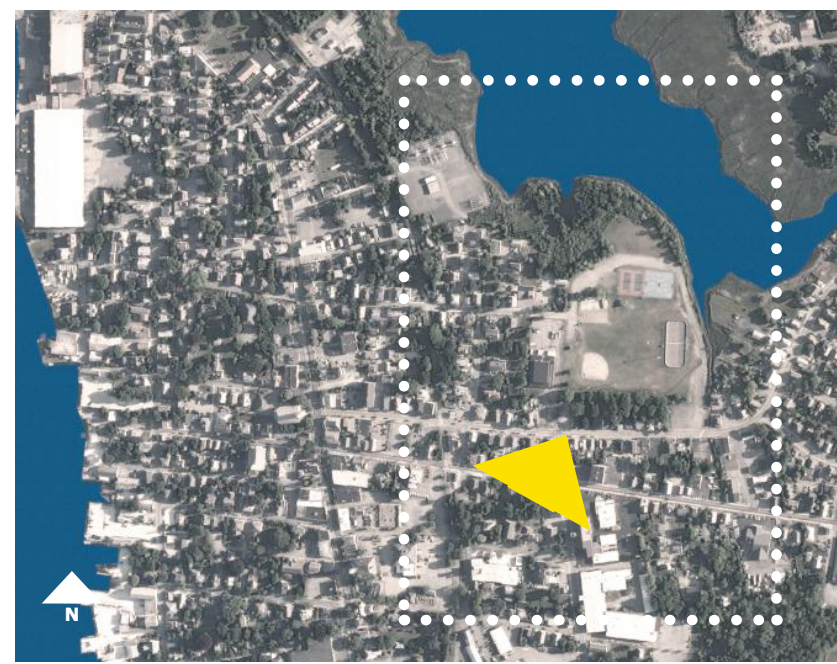

Town of Warren, RI
Jamiel's Park

100-year storm | 0 feet sea level rise

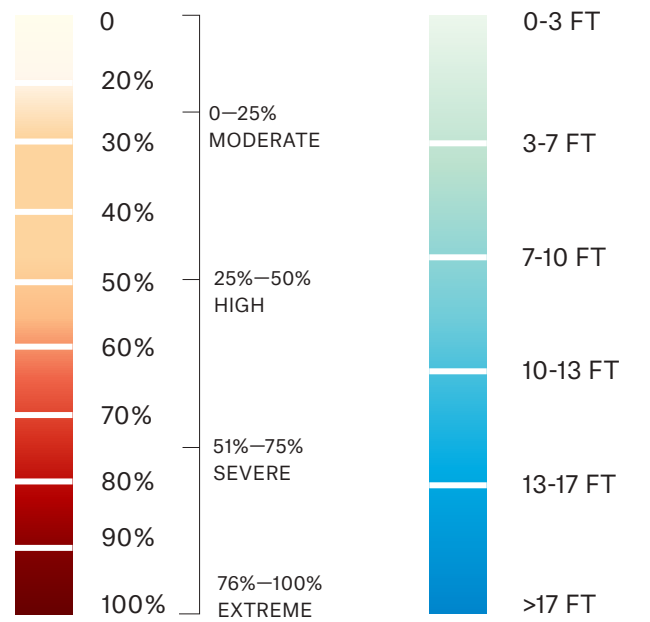

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

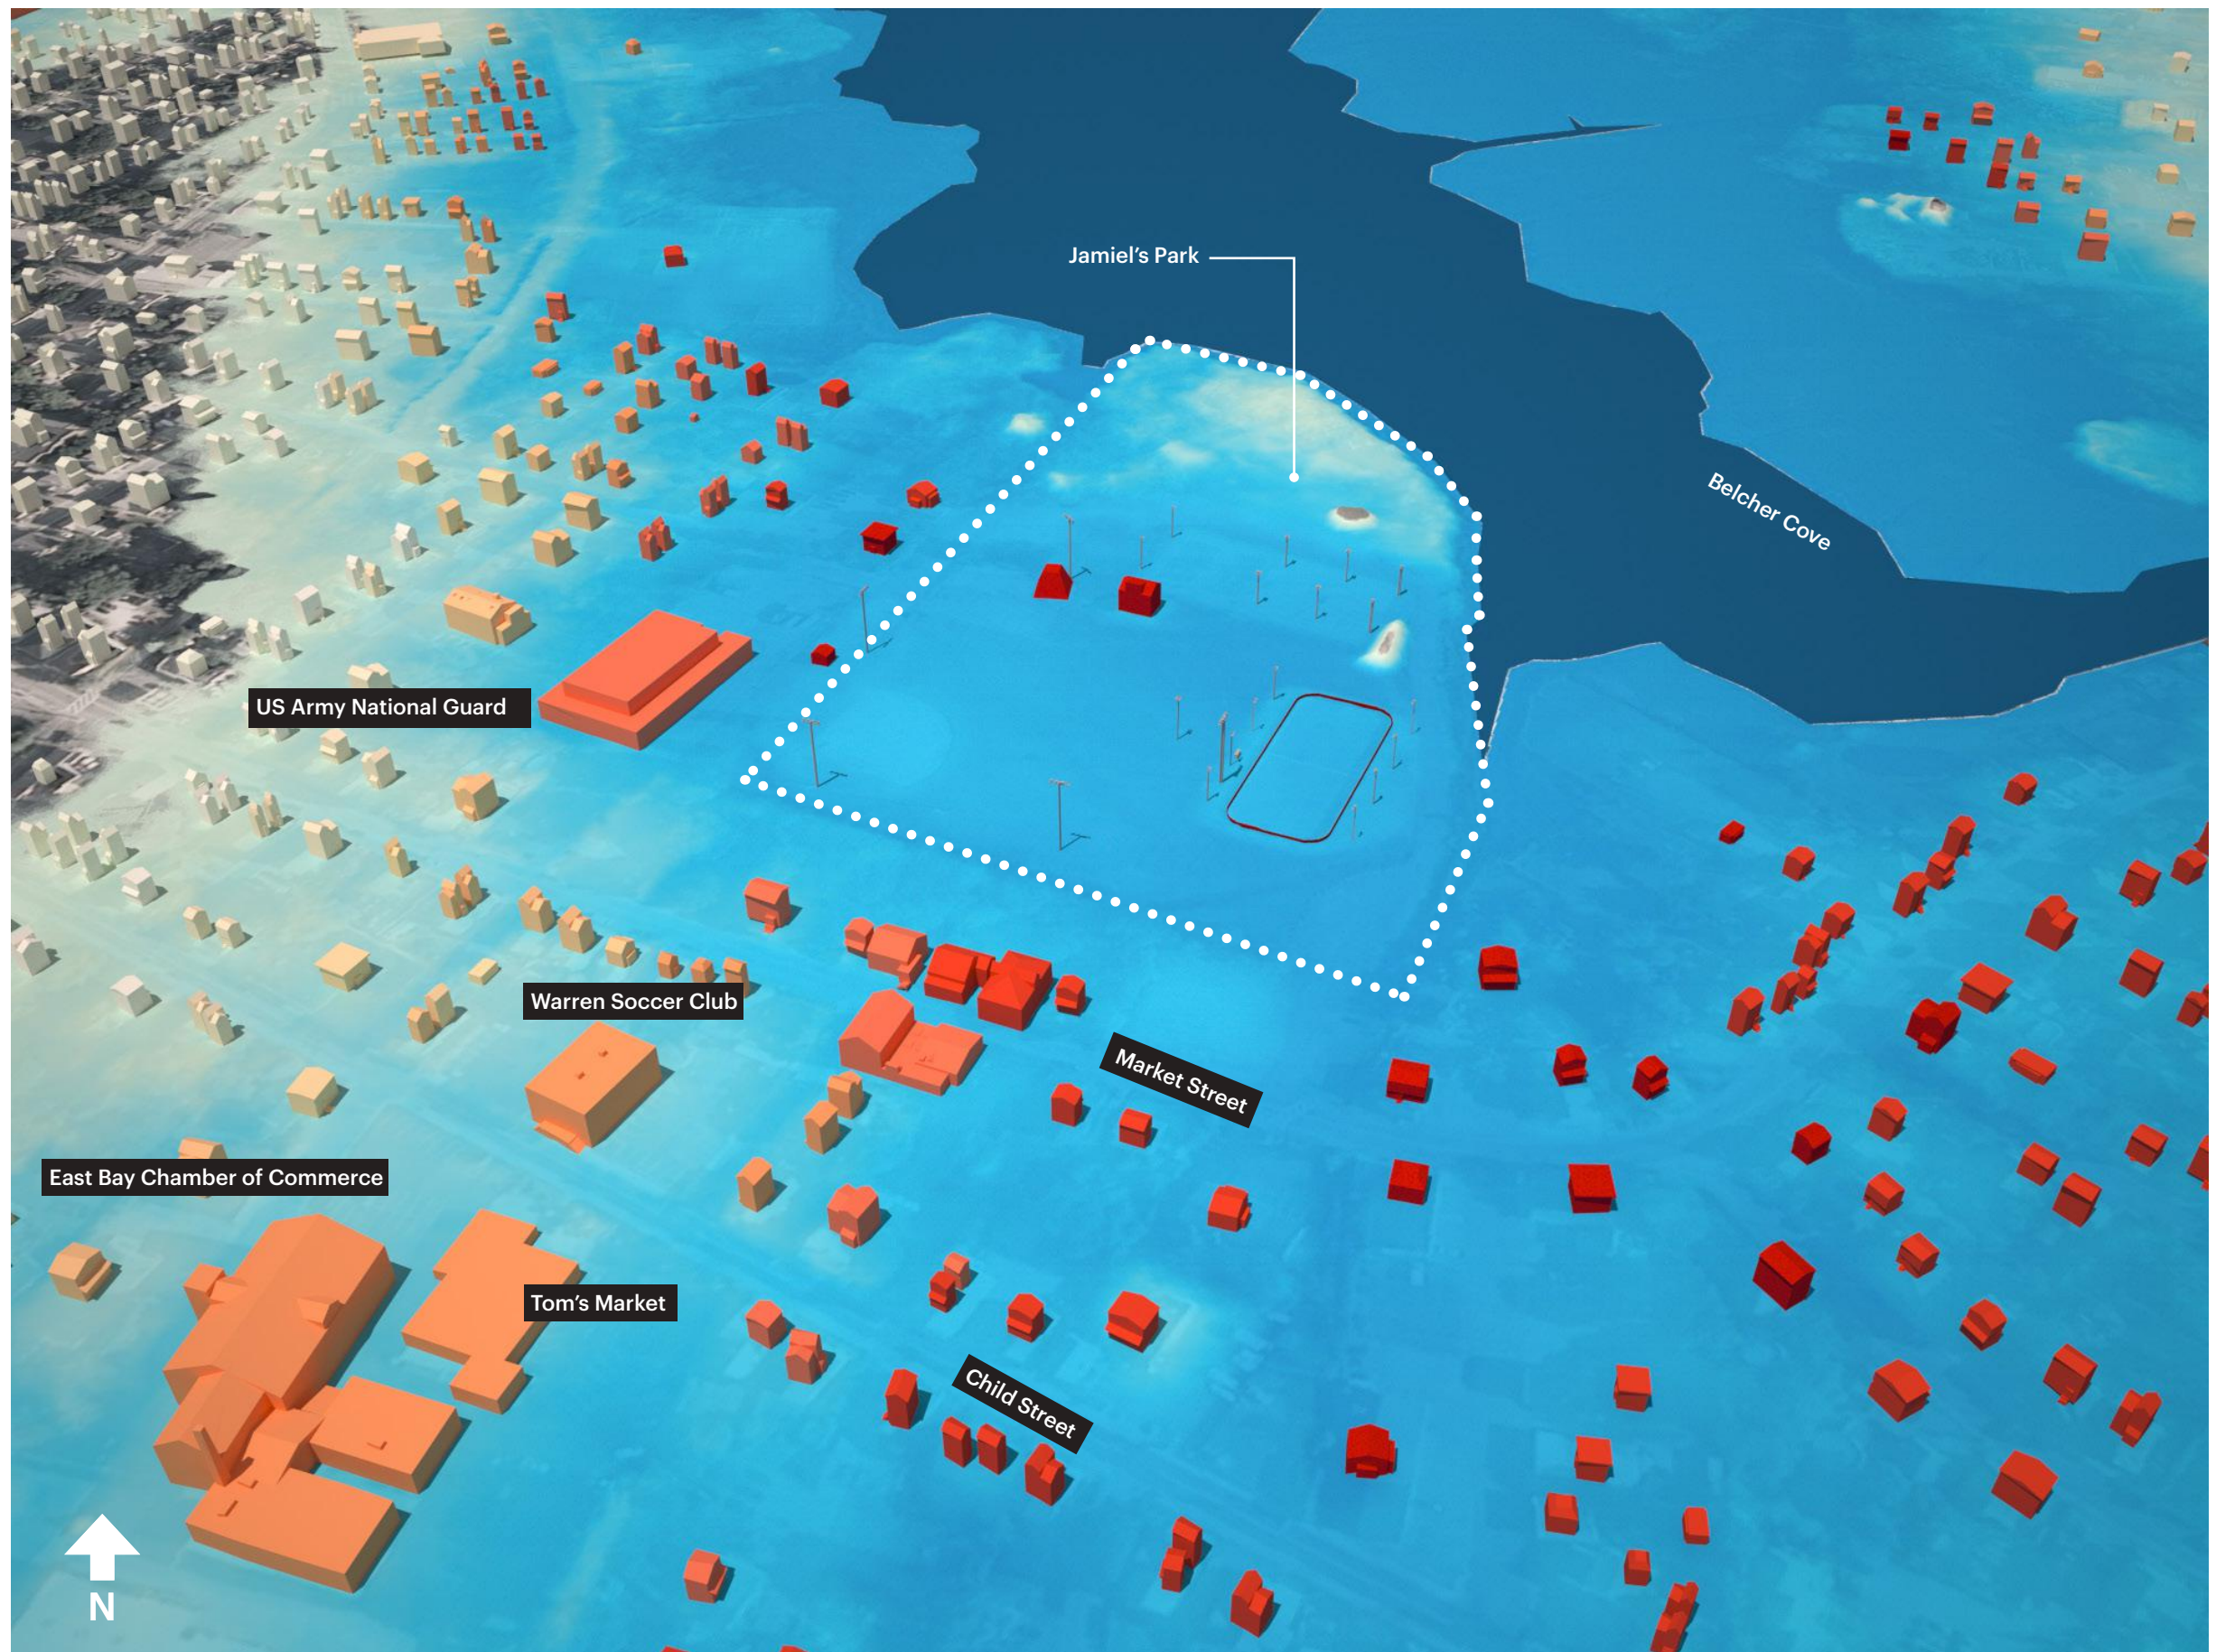

Town of Warren, RI
Jamiel's Park

100-year storm | +2 feet sea level rise

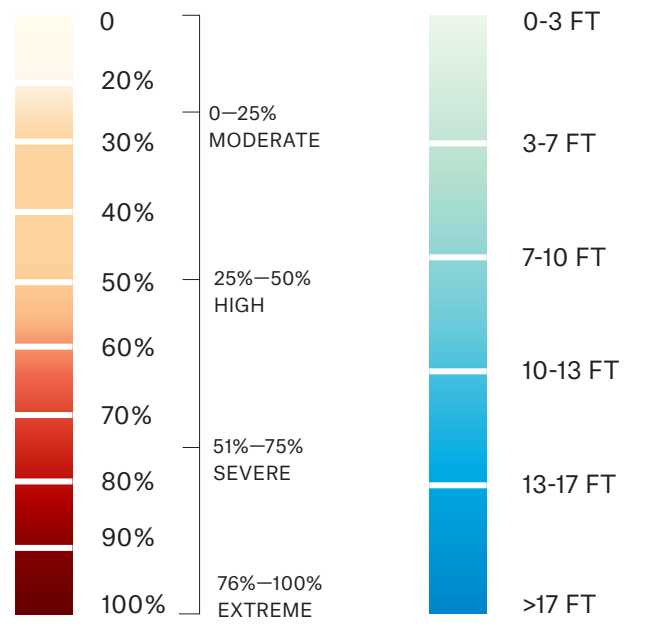

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

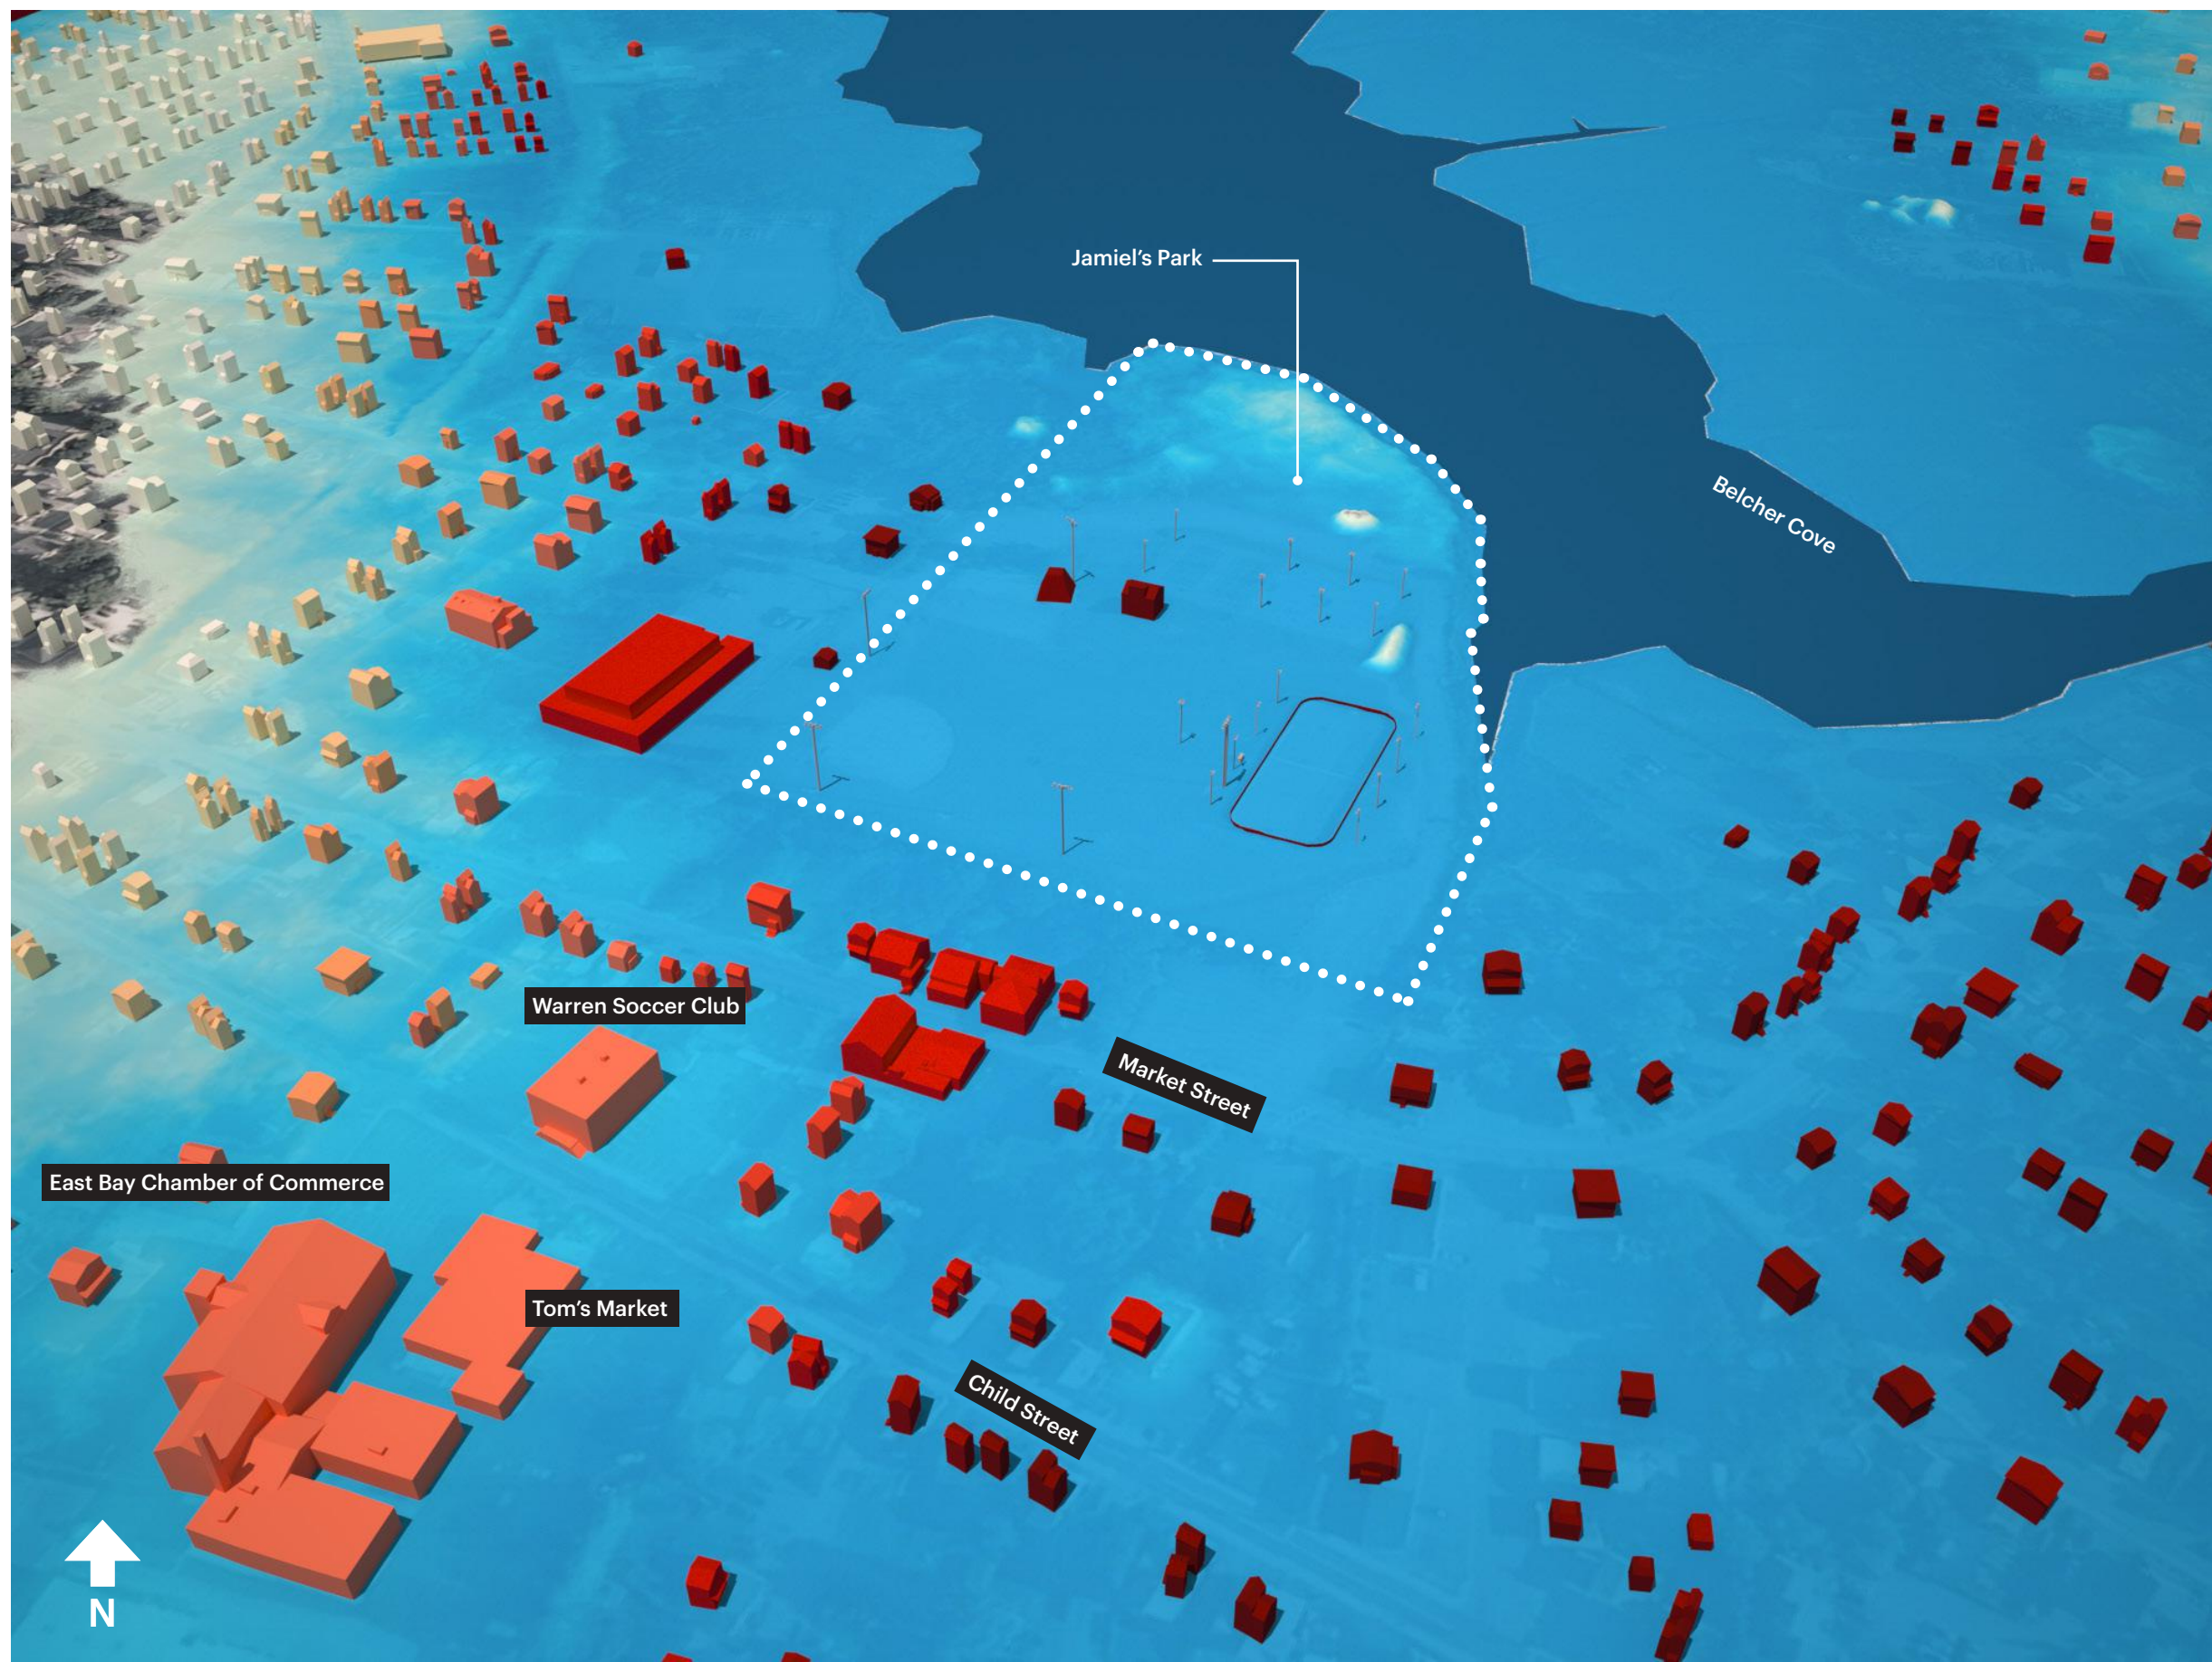

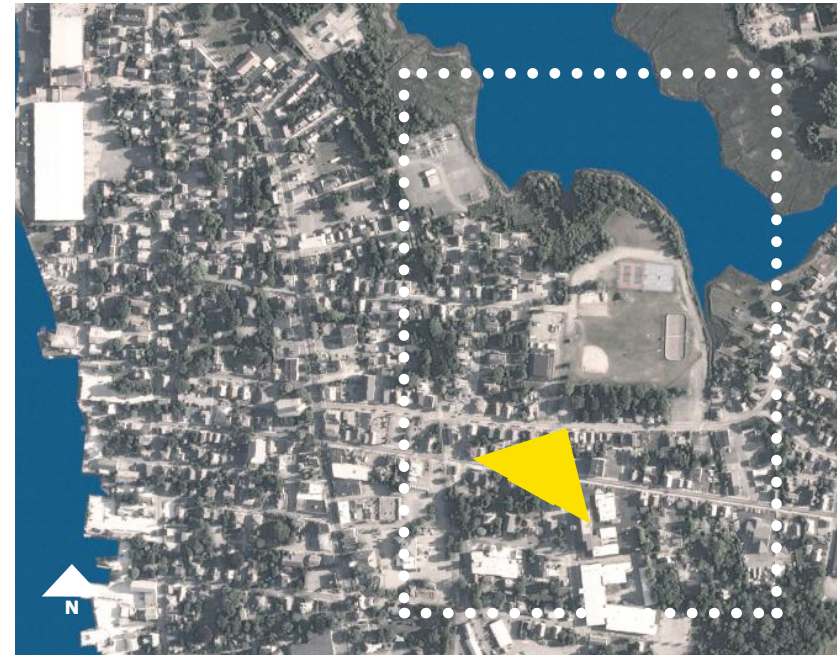

Town of Warren, RI
Jamiel's Park

100-year storm | +5 feet sea level rise

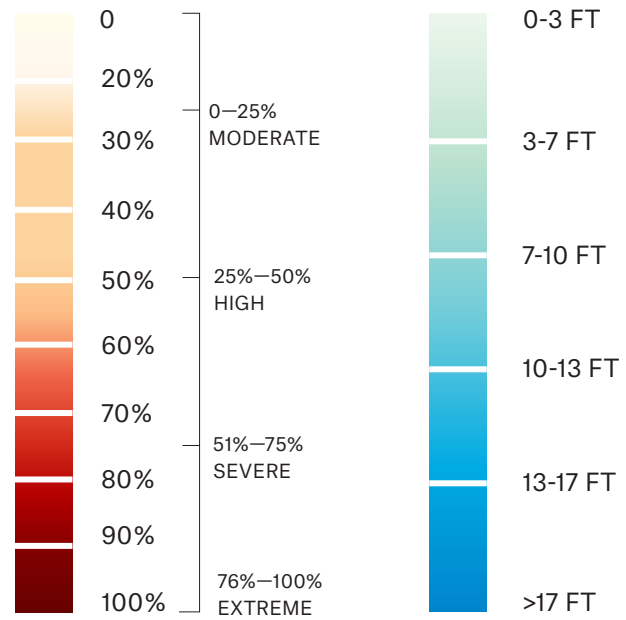

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

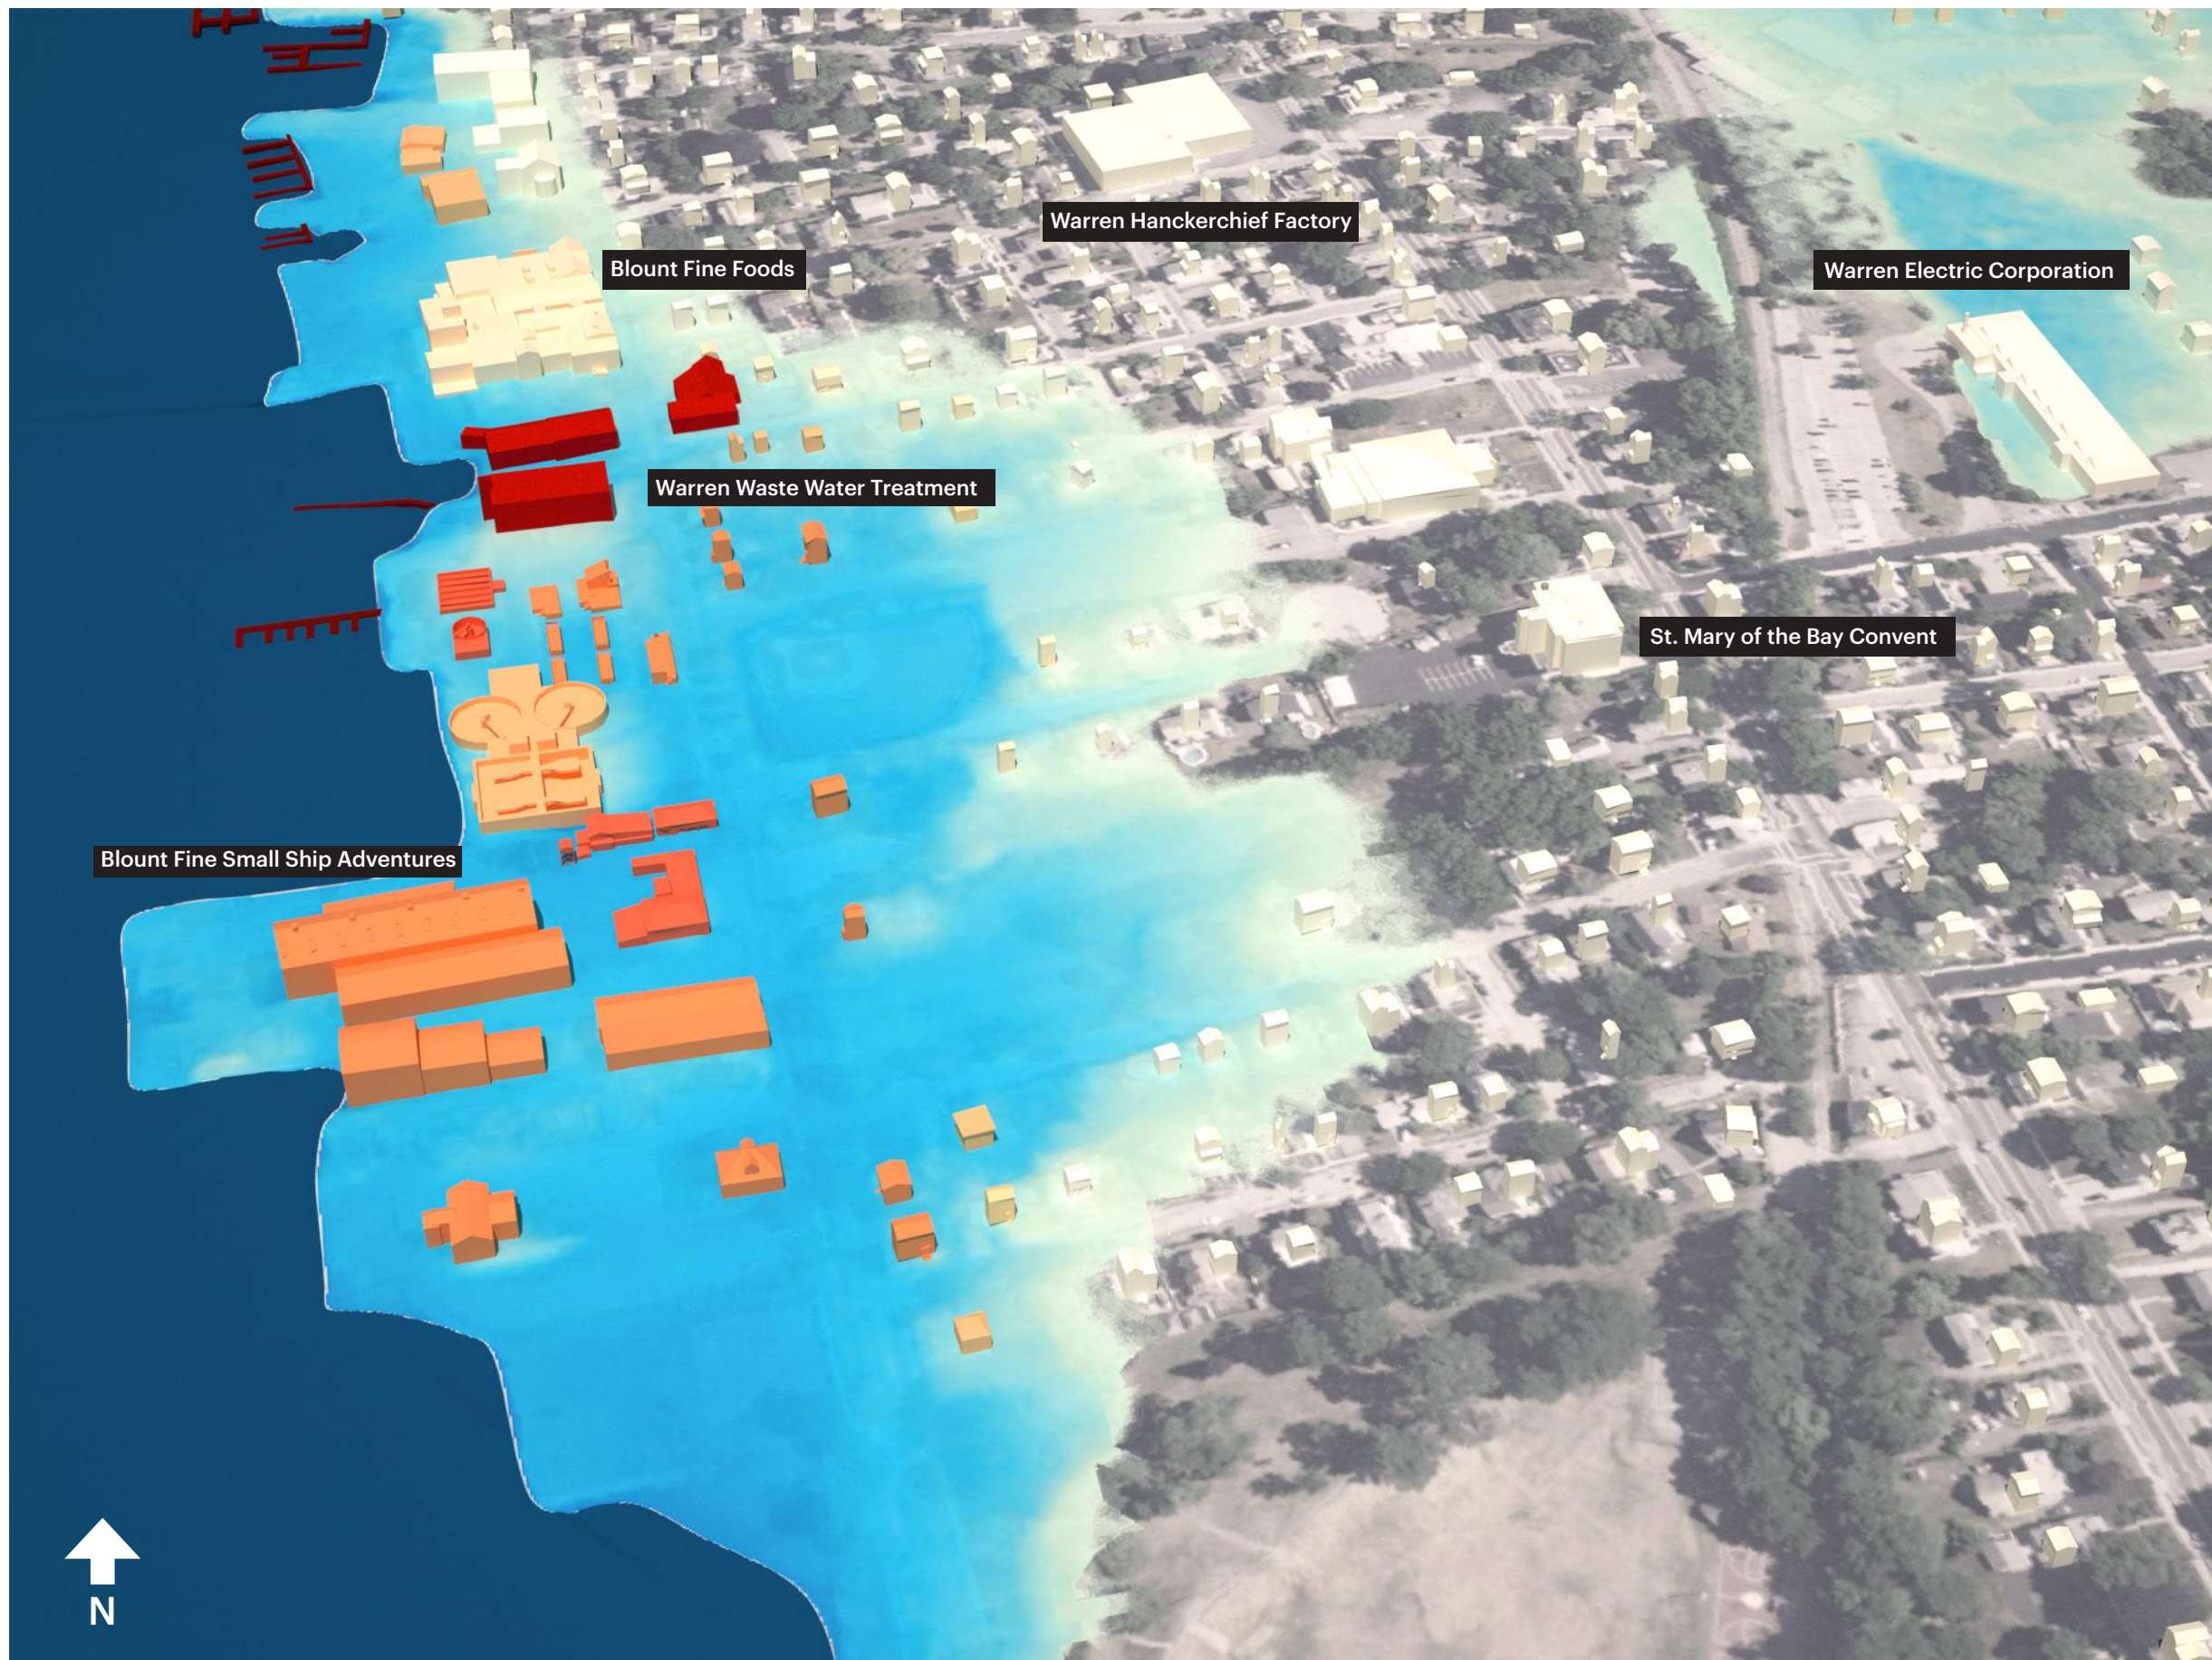

Town of Warren, RI
Waste Treatment

100-year storm | 0 feet sea level rise

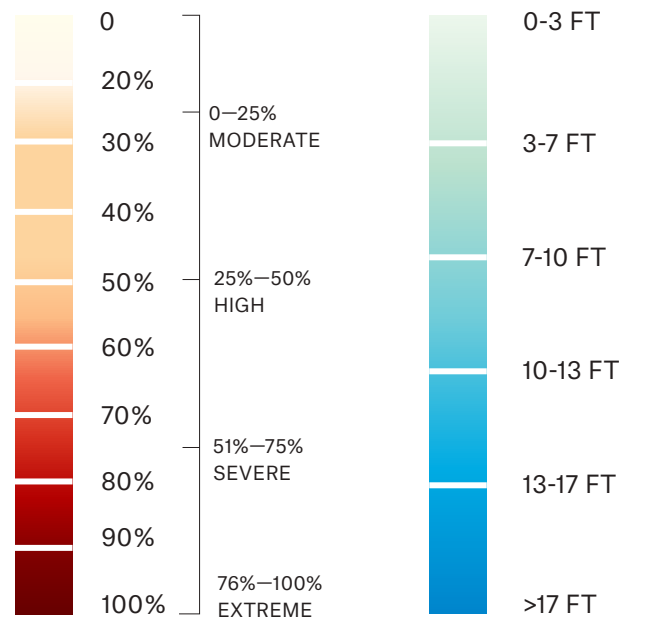

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

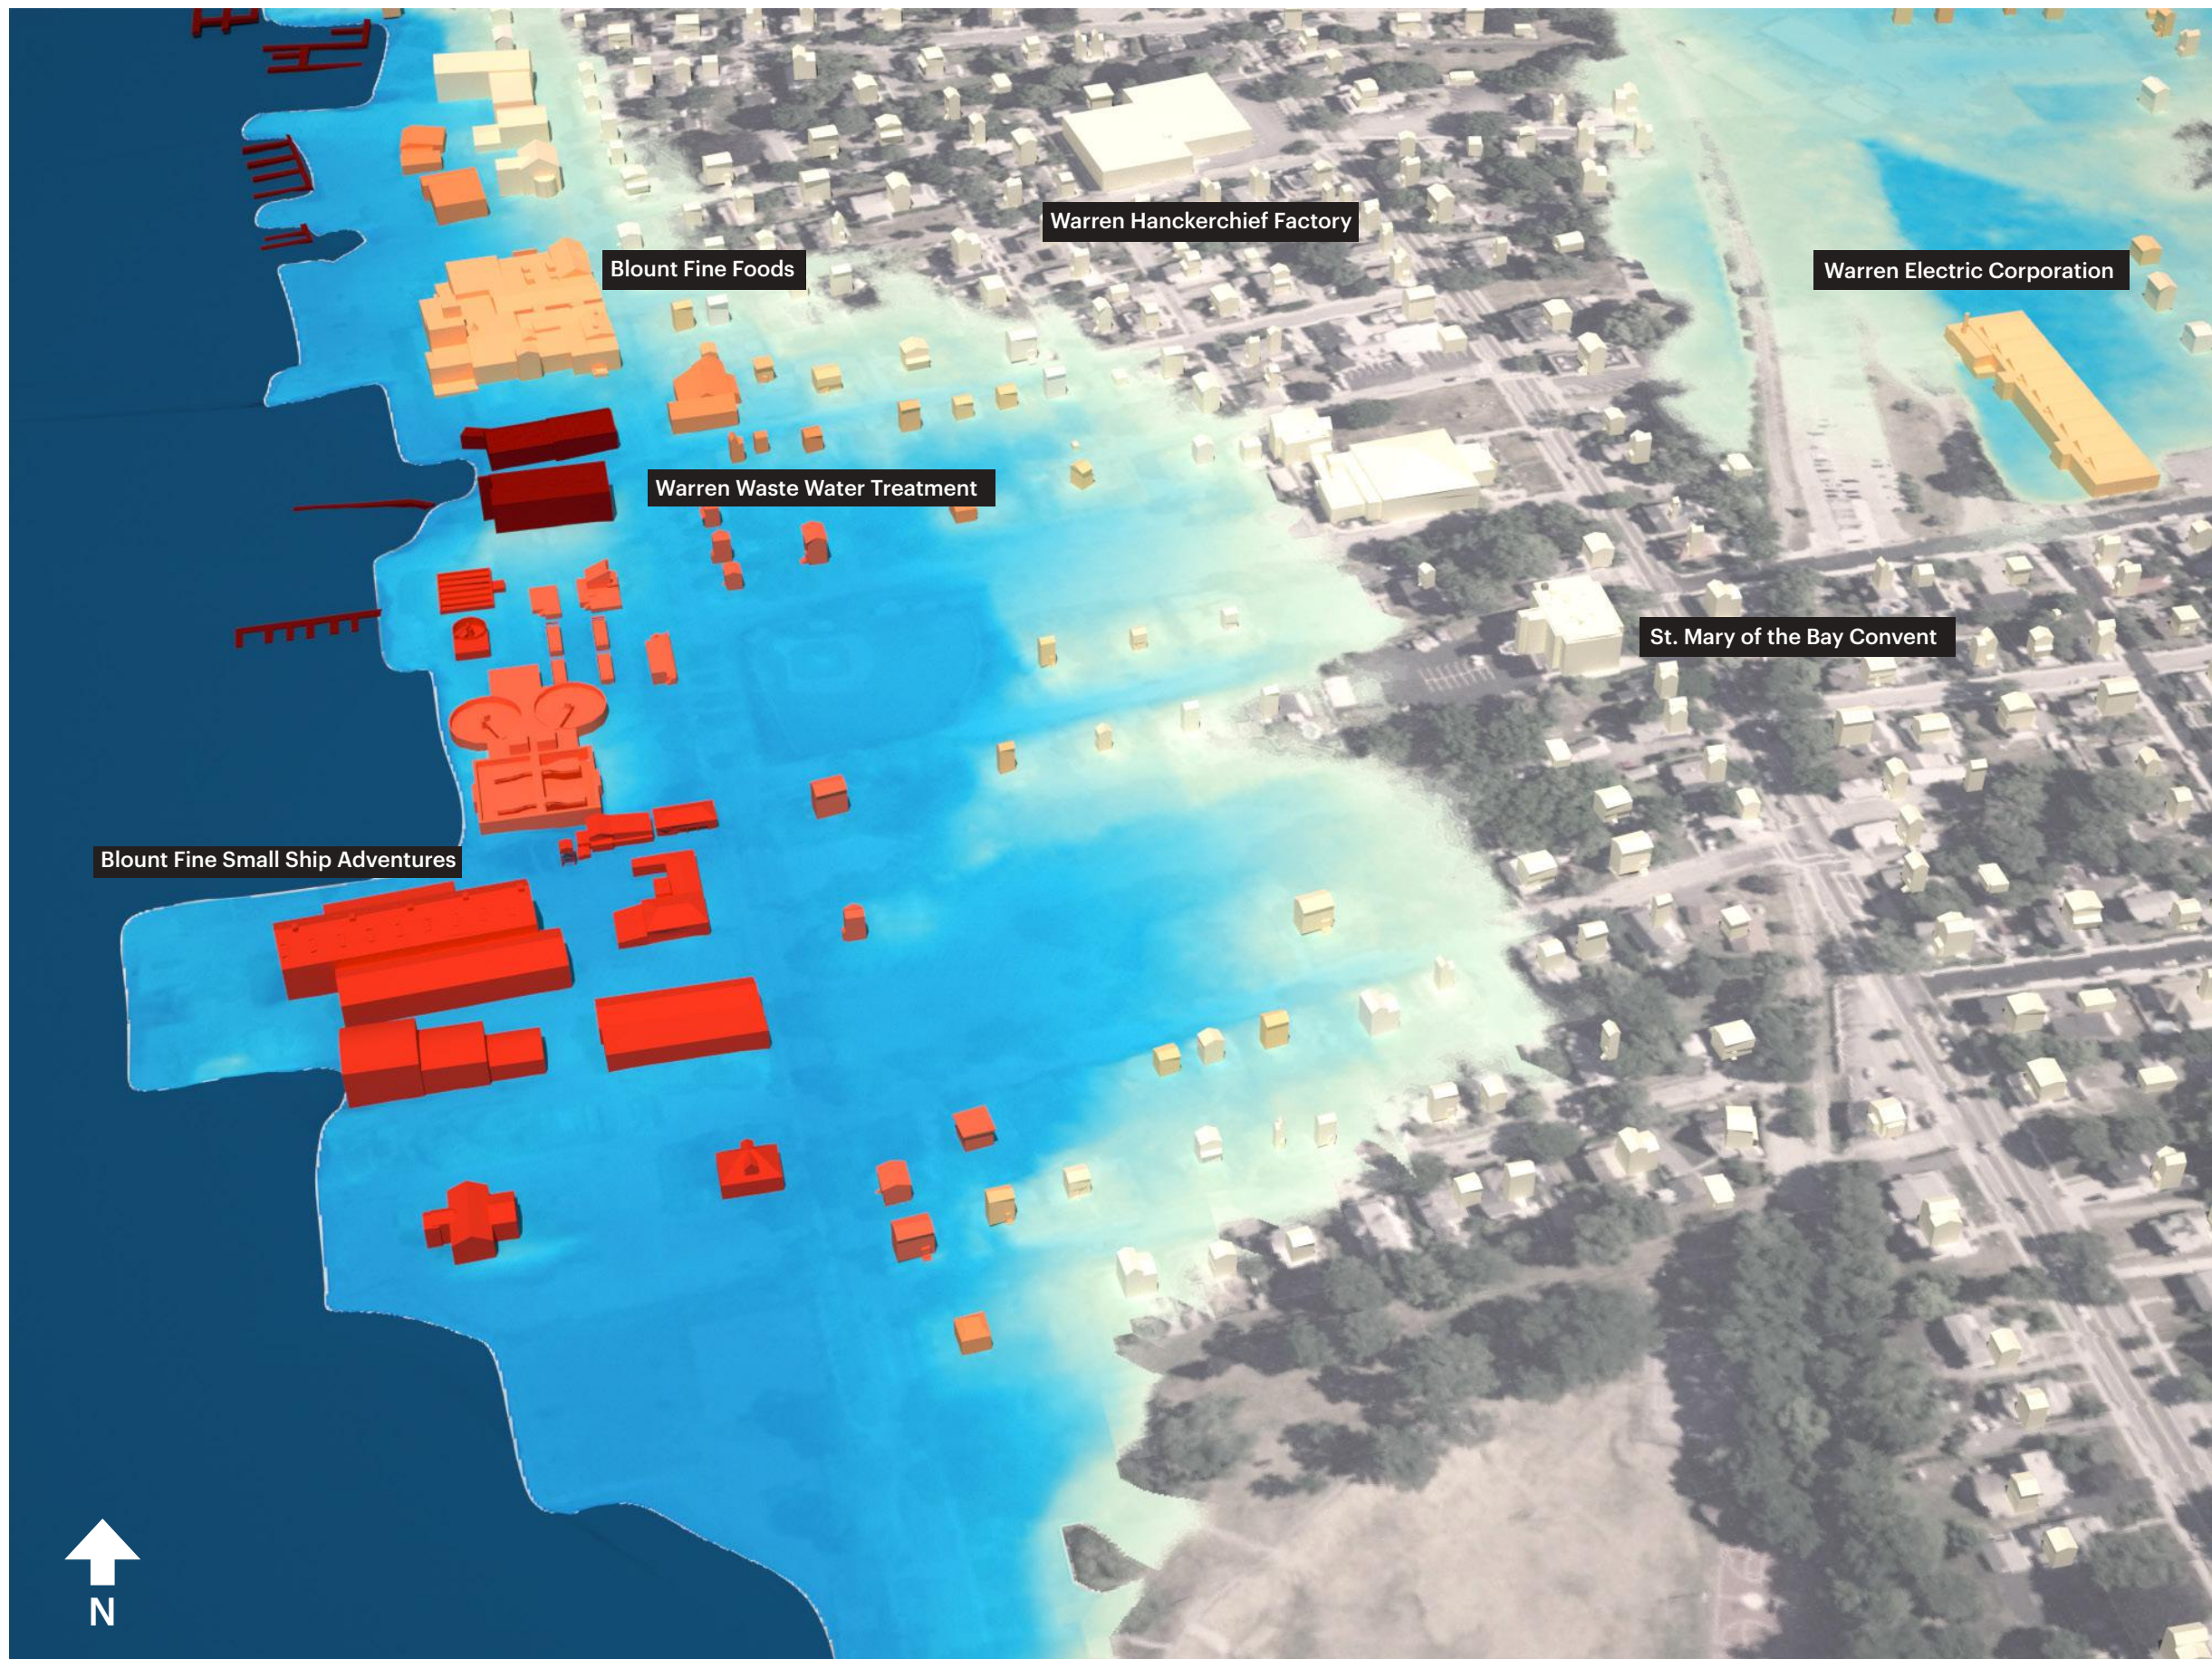

Town of Warren, RI
Waste Treatment

100-year storm | +2 feet sea level rise

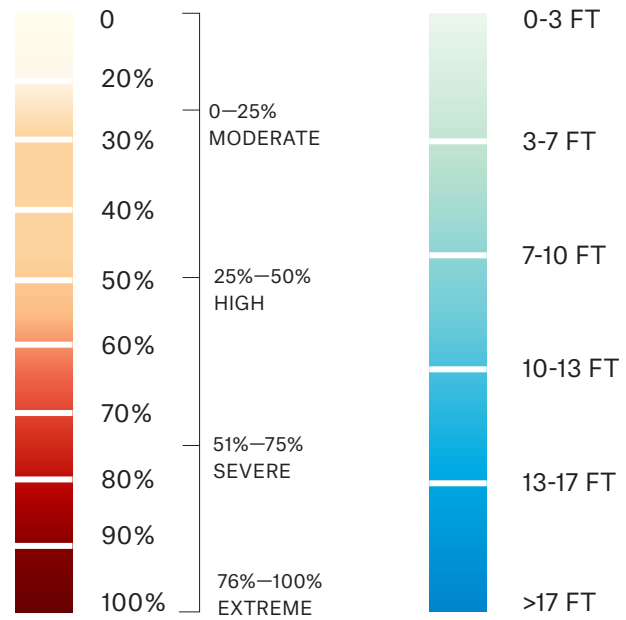

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

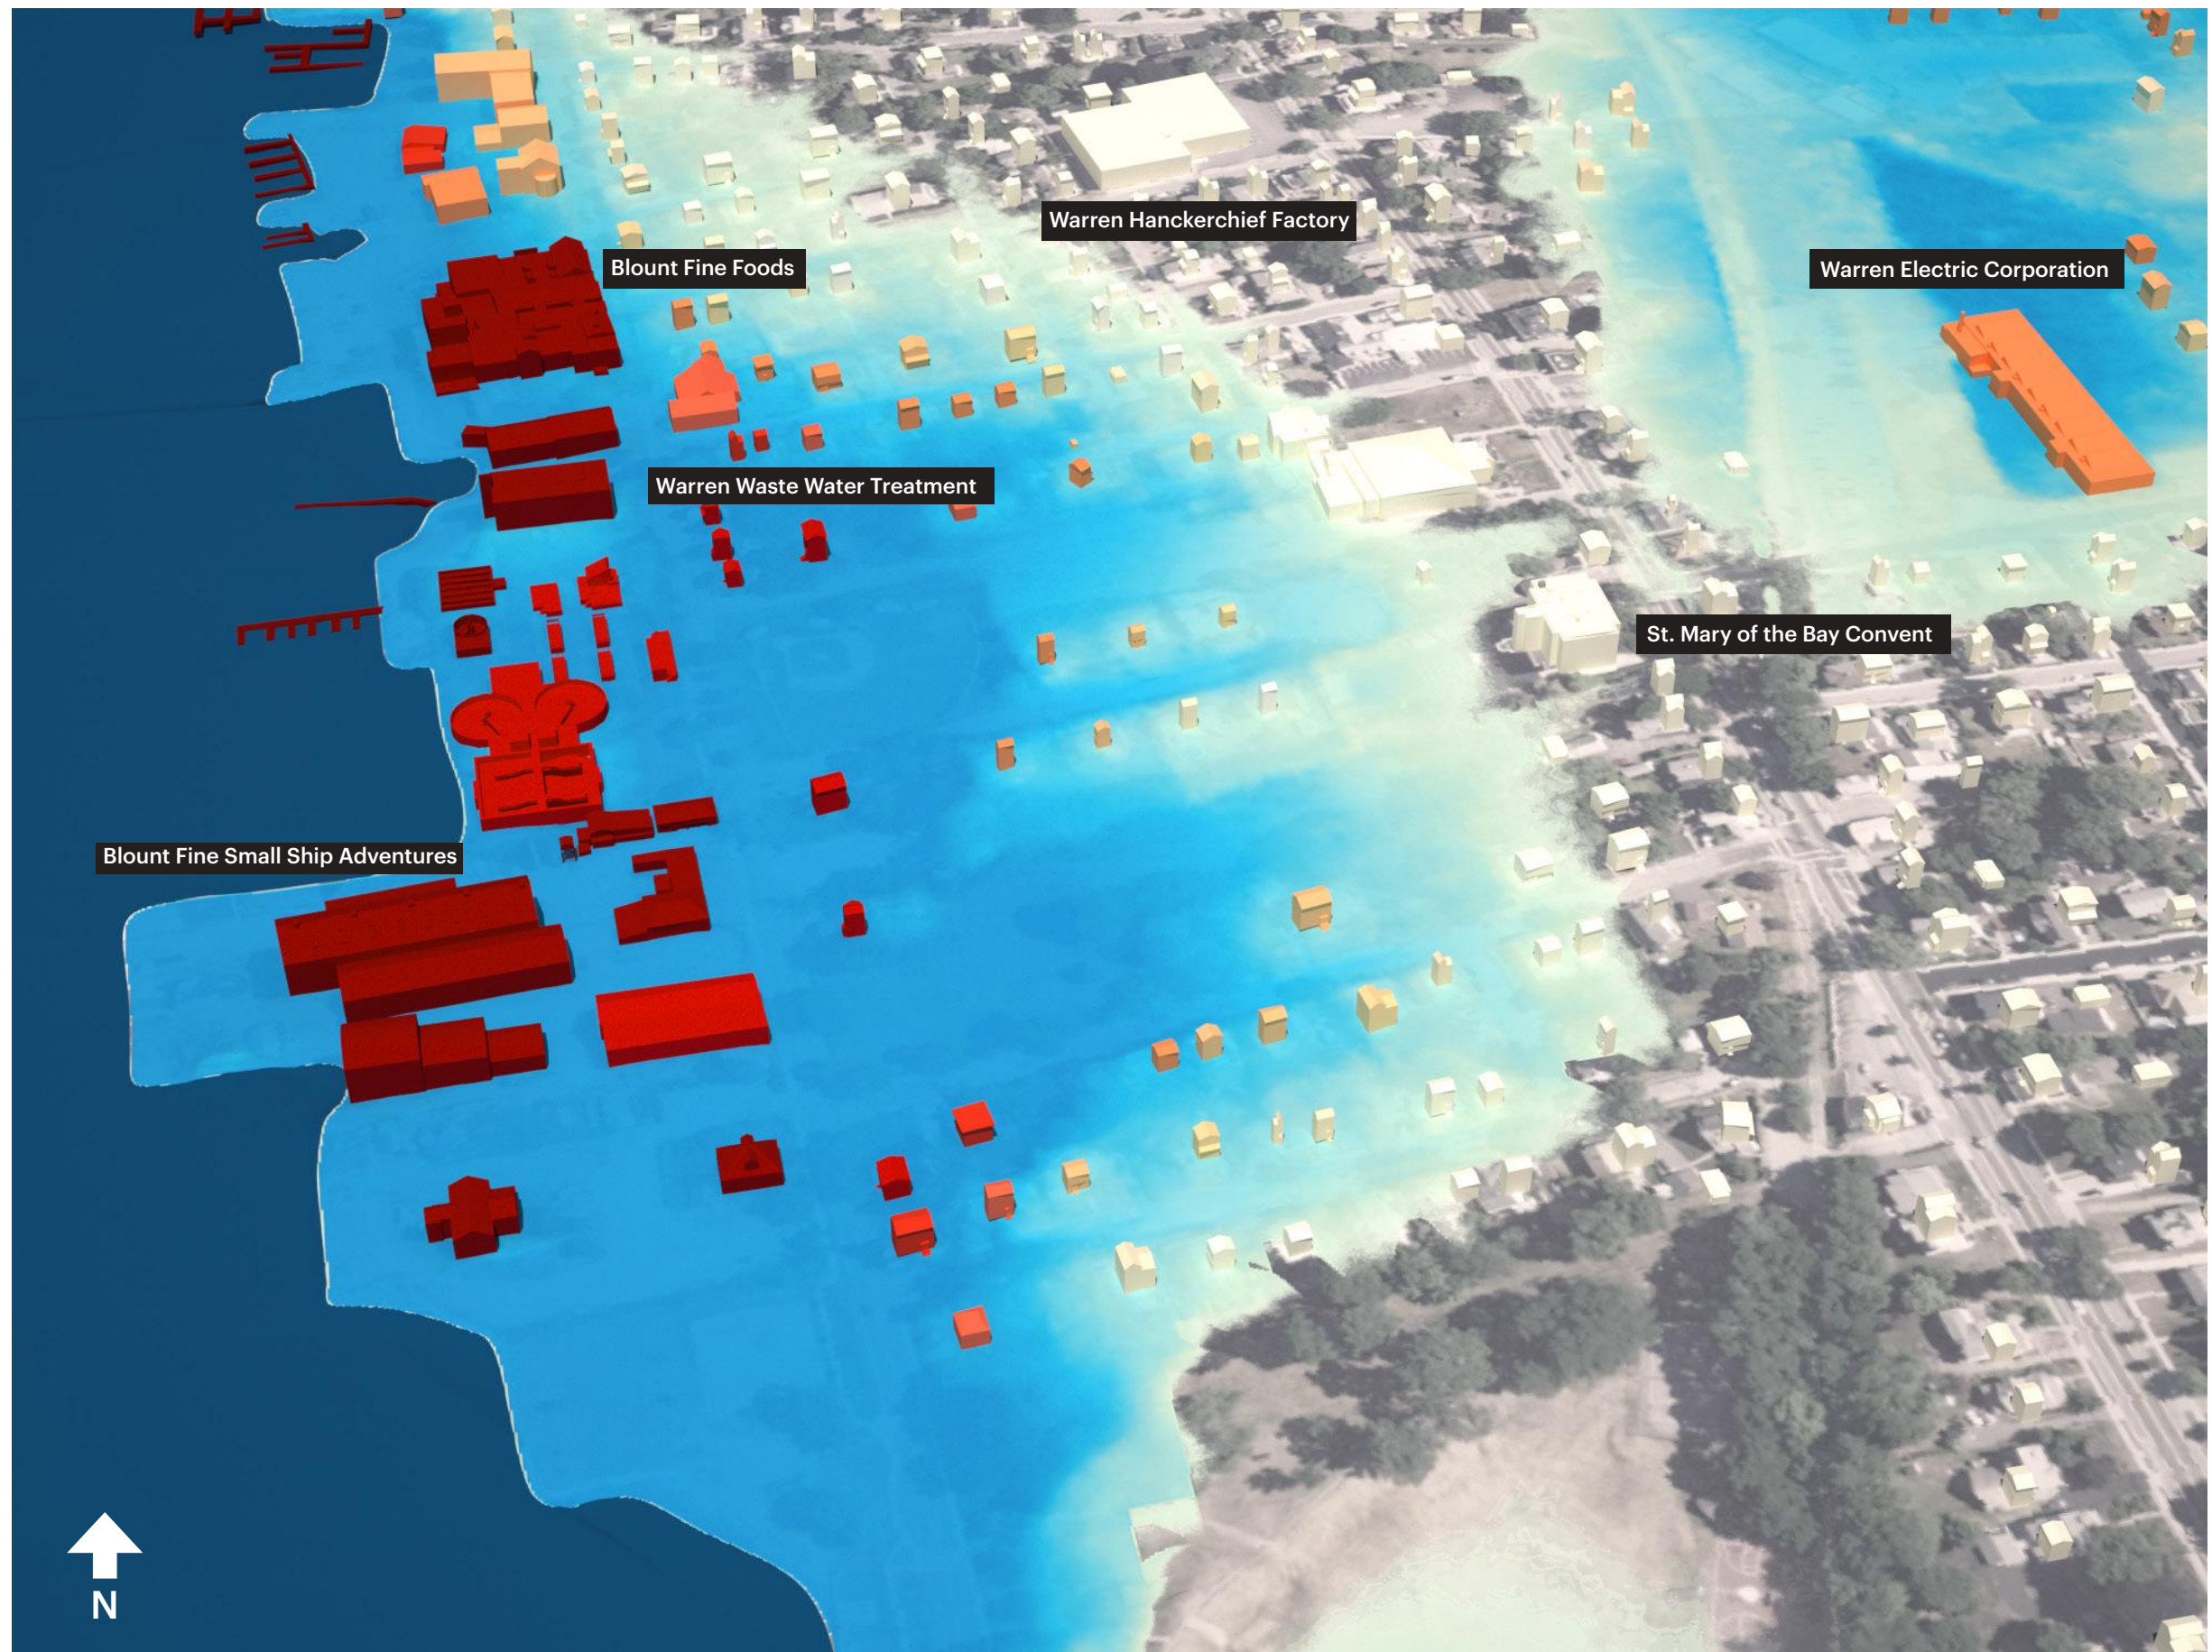

Town of Warren, RI
Waste Treatment

100-year storm | +5 feet sea level rise

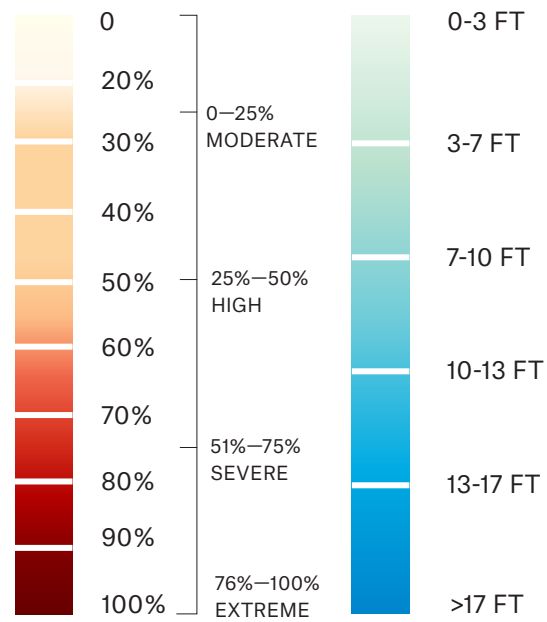

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

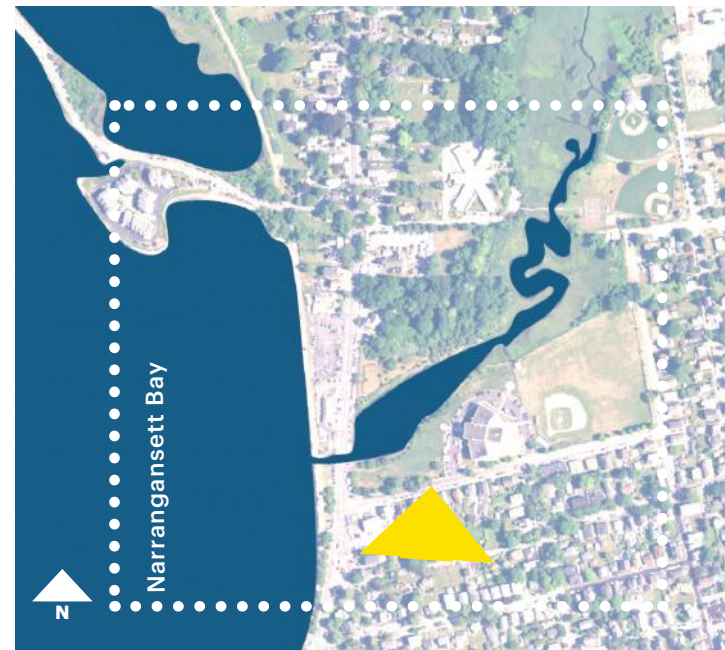

Town of Bristol, RI
Silver Creek
 100-year storm | 0 feet sea level rise

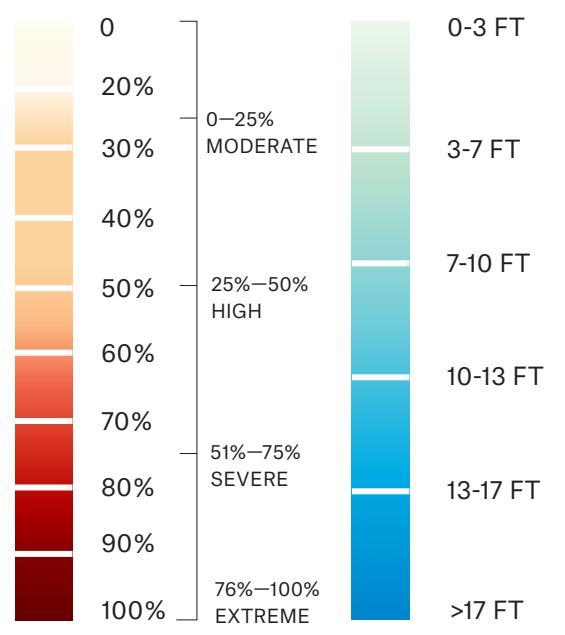

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

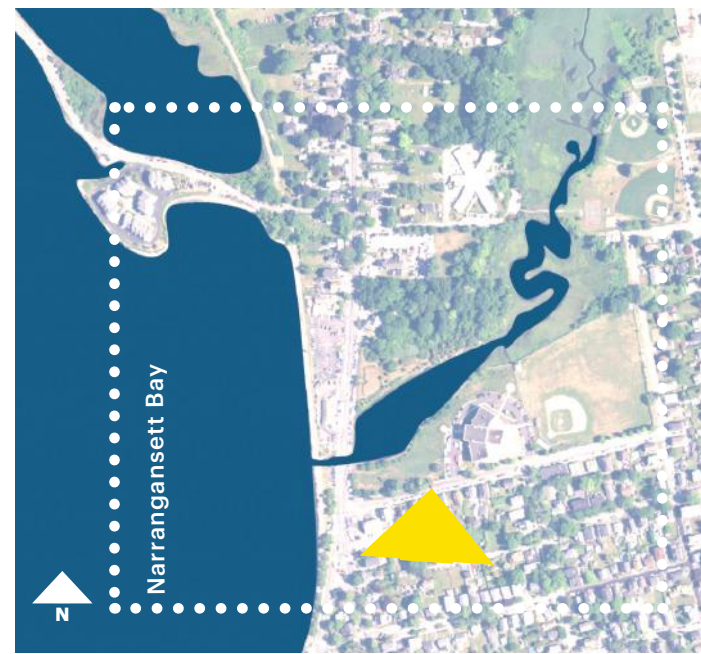

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

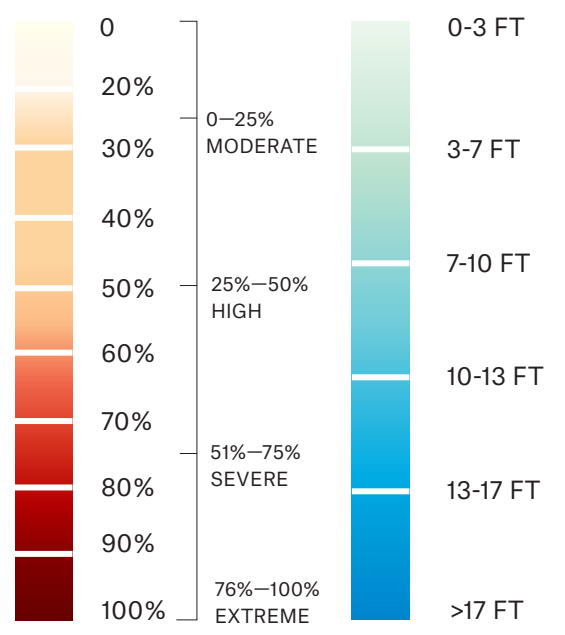

Town of Bristol, RI
Silver Creek
 100-year storm | +2 feet sea level rise

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

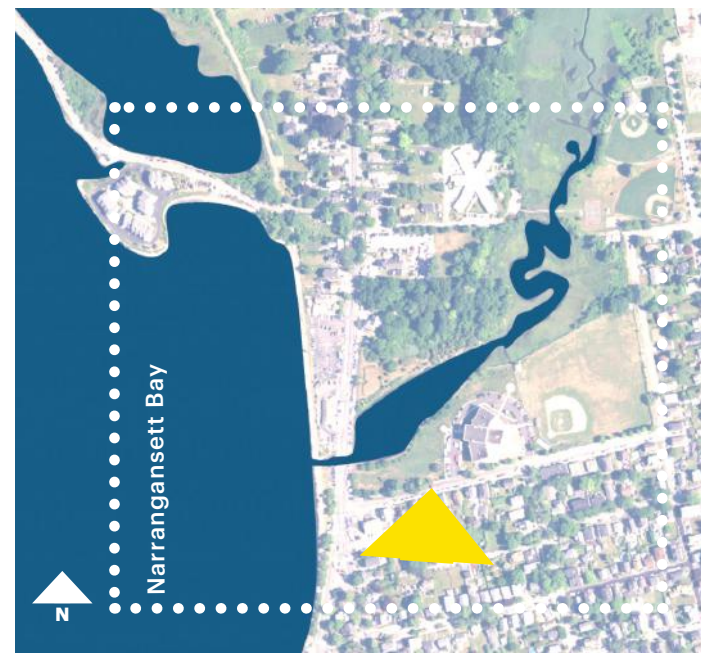

Town of Bristol, RI
Silver Creek
 100-year storm | +5 feet sea level rise

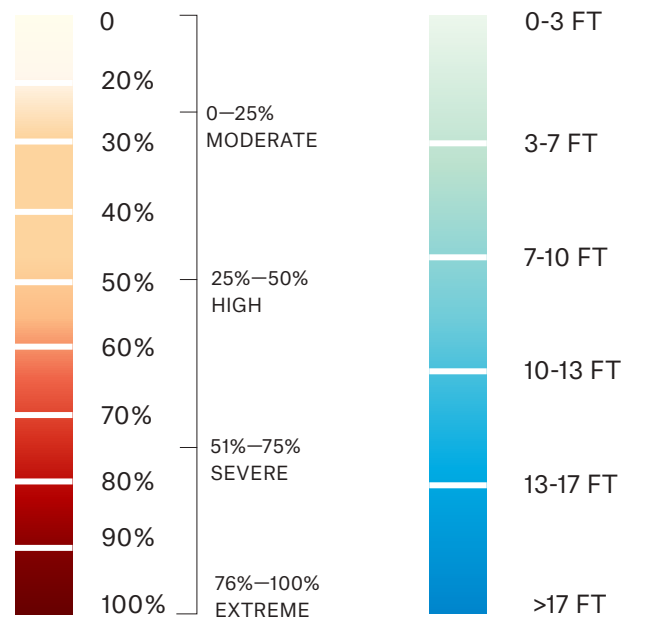

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Town of Bristol, RI
Walker Creek

100-year storm | 0 feet sea level rise

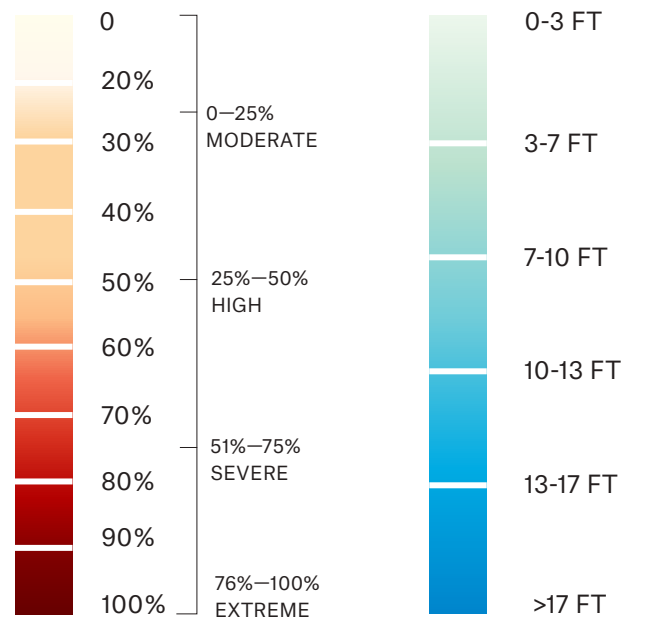

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Town of Bristol, RI
Walker Creek

100-year storm | +2 feet sea level rise

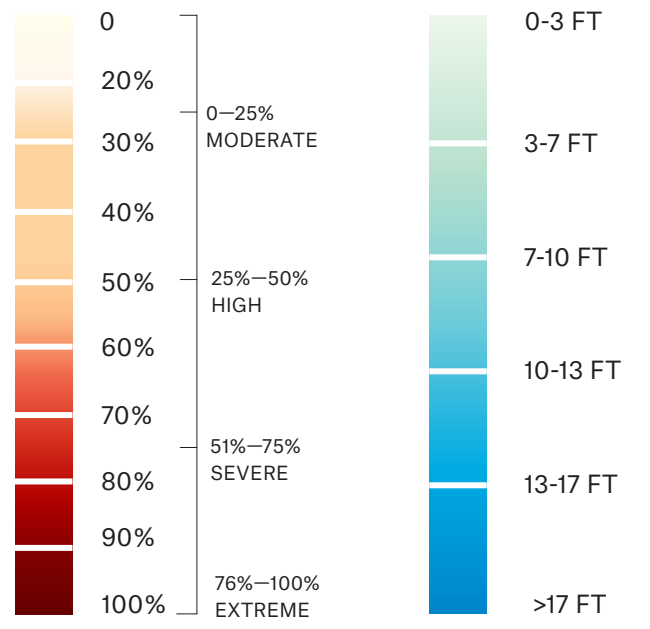

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

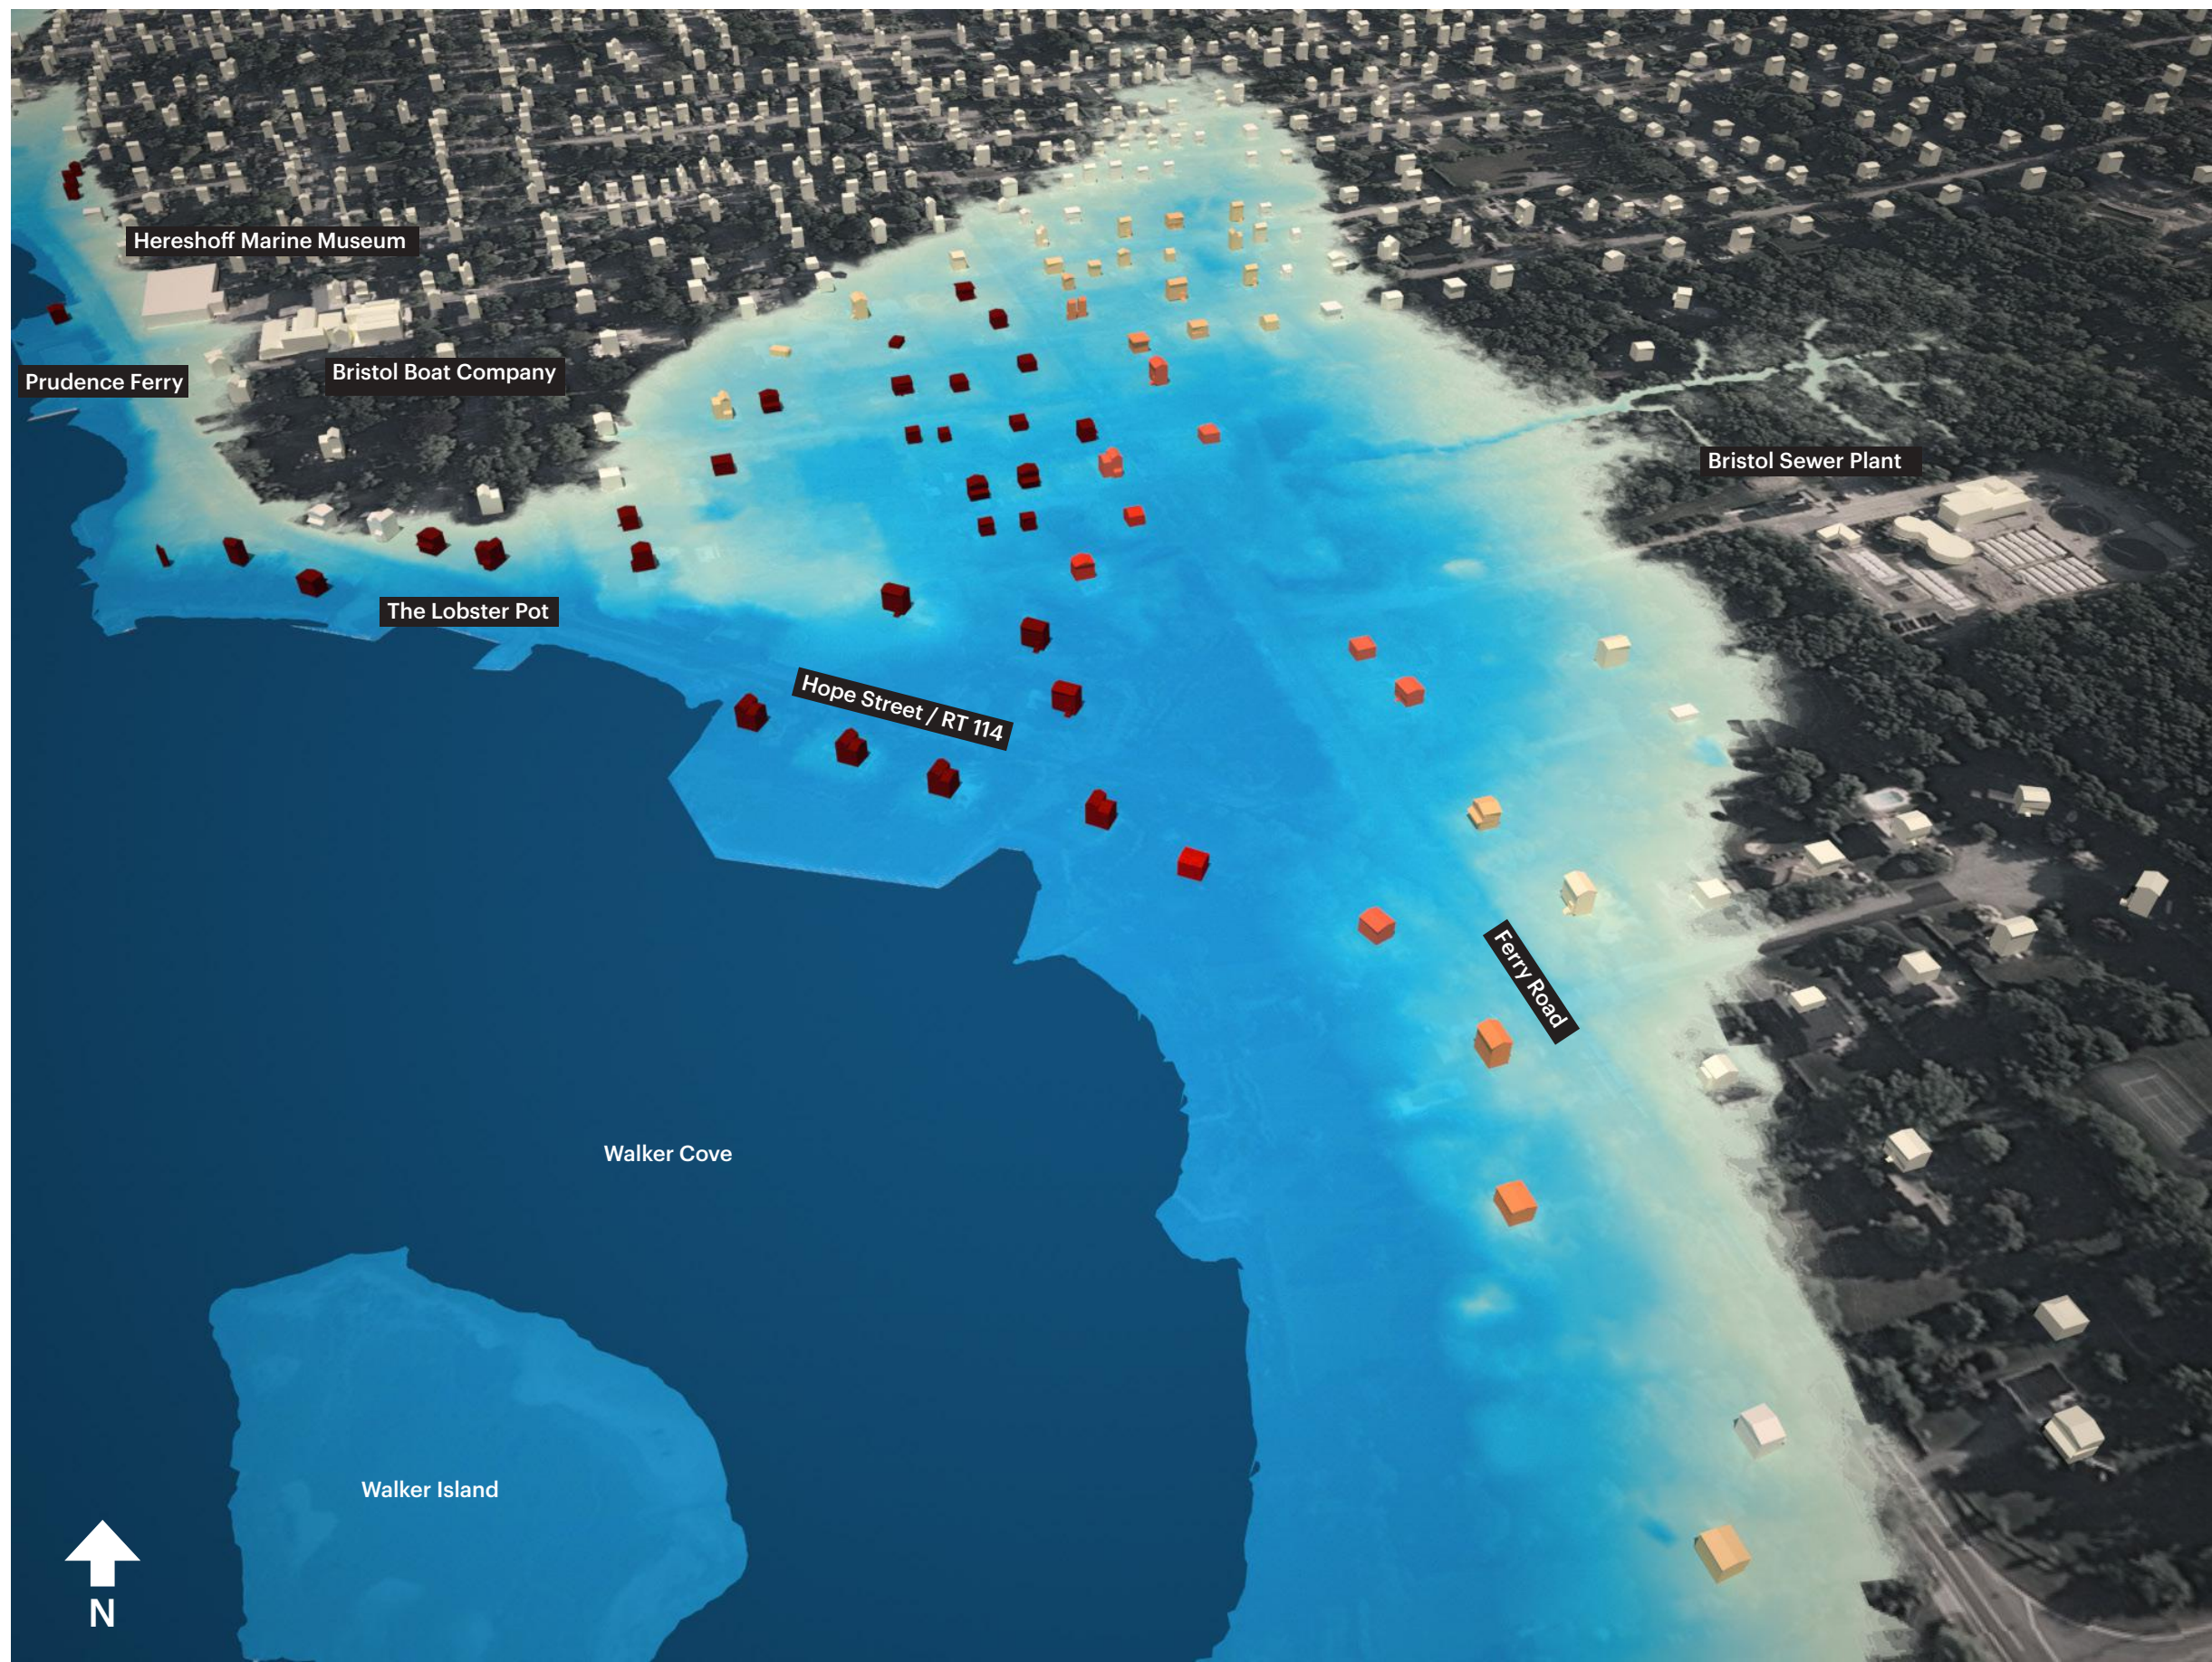

Town of Bristol, RI
Walker Creek

100-year storm | +5 feet sea level rise

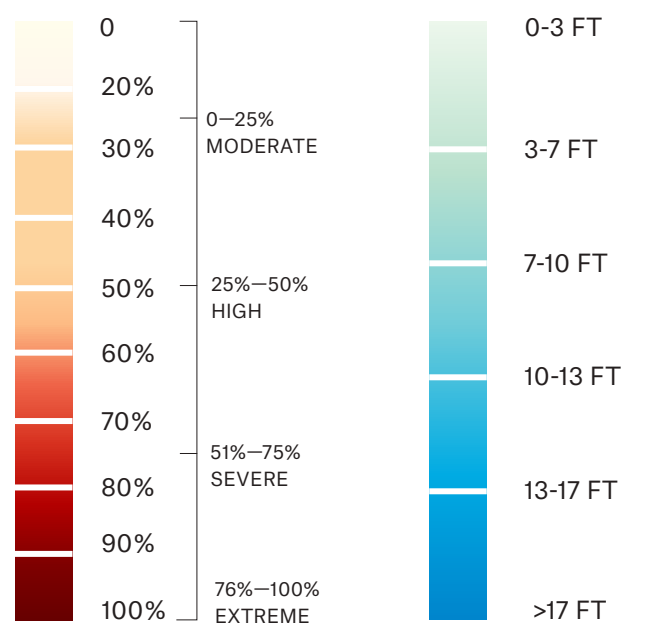

Structure Risk Index
Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Town of Bristol, RI
Waterfront
 100-year storm | 0 feet sea level rise

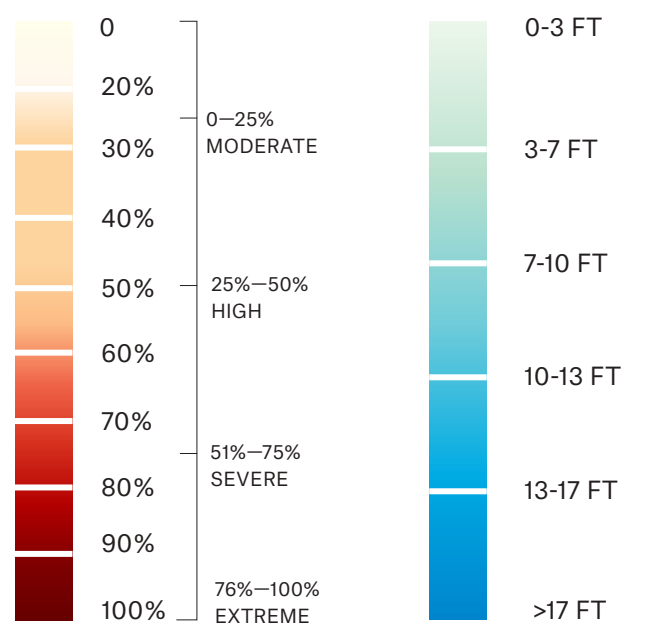

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Town of Bristol, RI
Waterfront
 100-year storm | +2 feet sea level rise

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Town of Bristol, RI
Waterfront
 100-year storm | +5 feet sea level rise

Structure Risk Index
 Data provided by RI STORMTOOLS Coastal Environmental Risk Index.

Water Depth at ground elevation
 100-year storm + sea level rise inundation depth. Data provided by RI STORMTOOLS Coastal Environmental Risk Index.
